

## Chapter 1297

“This man looks so handsome, yet his gaze is so inappropriate!”

Debra said to Darryl softly, “Darryl, this is —”

“Oh!” Darryl laughed and quickly introduced him. “This is Brother Zhu. He is a friend I got to know at North Moana!”

Debra smiled at Zhu Bajie as an acknowledgment of greeting.

Zhu Bajie smiled and nodded. “Awe come, my little brother’s wife is such a beautiful woman!”

“Darryl!”

Right at that moment, Dax and Chester approached Darryl and hugged him tightly too!

Gasp!

Dax and Chester were stunned when they realized Zhu Bajie’s powers.

Darryl had such a powerful person beside him!

him!

Dax was elated. He turned around and looked at Donoghue. "Weren't you so smug just now? Come on, let's fight!"

Donoghue tensed and said nothing. Well, if he had to fight with Darryl and his brothers, he still might have a chance.

However, with the addition of Zhu Bajie, he would not win against them. So, he decided to stay silent.

Swoosh! Swoosh!

Just as he felt troubled, more figures appeared in the sky.

Everyone turned, and they saw two ethereal-looking women on their descent.

It was Laura and Sloan!

Gasp!

All eyes were on them!

"Who knew that the New World's Warrior Goddess would be here too."

"Master Hanson, as well! Rumor has it that the New World has many goddess-like beauties; it looks like it is true!"

that the Ne... goddess-  
like beauties; it looks like it is true!”

Sloan and Laura did not react to the heated discussions.

They were both goddesses—high on the pedestal. They have heard praises like that countless times and were already used to it!

“Hubby!” Shentel Xion, who had stayed silent, suddenly whispered to Donoghue. “Commander-in-chief Sloan is here. You can join forces with her.”

Shentel Xion was the most talented woman in Westrington. She was smart and knew how to judge a situation.

Donoghue immediately sobered when she told him that.

‘Yes! I can just join forces with Sloan to turn things around!’

As he thought about that, Donoghue immediately called out to Sloan. “

Commander-in-chief Sloan, the world’s elites are all gathered here today. When the ancient tomb appears, the situation will be quite messy. Why don’t we join

will be quite messy. Why don't we join forces and control the situation? What do you think?"

When the New World royal family sent Yvonne Young to Westrington to marry Donoghue, they had a treaty in which they promised not to attack one another in a hundred years, and they would help each other.

Westrington and the New World had maintained a close relationship for all those years.

Since Donoghue was Westrington's Prime Minister and Sloan was the New World's Warrior Goddess, he believed that she would join forces with him.

Gasp!

Everyone immediately looked at Sloan.

'Join forces?'

Sloan frowned. She was about to respond when Zhu Bajie went toward her.

"Hey, hey!" Zhu Bajie glared at Donoghue and yelled, "What is wrong with you? She is my brother's first wife!

“Hey, hey!”  
Donoghue and yelled, “What is wrong with you? She is my brother’s first wife! How can she join forces with you?”

Then, Zhu Bajie smiled at Sloan and said, “Am I right, Sister-in-law?”

Zhu Bajie still thought that Sloan was Darryl’s first wife. So, when Donoghue invited Sloan to join forces with him, he was instantly displeased.

Gasp!

Everyone erupted into an uproar and looked at Sloan in disbelief!

‘What is going on?’

She was the New World’s Warrior Goddess; when did she become Darryl’s first wife?

Sloan blushed violently and trembled discreetly. She was unspeakably awkward.

She did not expect that Zhu Bajie would say that she was Darryl’s wife so publicly.

## Chapter 1298

Dax could not help but laugh out loud. He patted Darryl on the shoulder. "Damn, Darryl! You're amazing. Even the New World's Warrior Goddess has become your wife."

"Well..." Darryl smiled bitterly. He turned his head and met with Debra's angry gaze.

Debra was livid. How could Darryl flirt with everyone?

First, Emei's Sect Master, Aurora Hansen, had Darryl's child, then Sloan was also with Darryl? It infuriated her!

When he realized that she was angry, Darryl immediately approached her. He smiled bitterly and explained. "Debra, it's not real. Sloan is not my wife. Brother Zhu is talking nonsense."

Donoghue's wife, Shentel, approached Darryl slowly. She frowned and said, "You're Darryl, right? How can you be so shameless? How can Sloan, the Warrior Goddess, be your wife?"

Shentel just finished her question when

Shentel just finished her question when Zhu Bajie approached her with a smile. He sized her up and said, "Pretty lady, you're so gorgeous. I can't believe there are so many beauties here today. It's really a feast for my eyes!"

Then, Zhu Bajie smiled and looked at Shentel. "Hey, gorgeous! It's not important if Sloan is my brother's woman or now. How old are you? Are you married? If you're not, would you want to come with me as I travel the world?"

Gasp!

Shentel blushed. Then, she snarled and said, "Shameless!"

Gasp!

Everyone there was stunned; then, there was an uproar.

"This person is too bold! How dare he flirt with Donoghue's wife!"

"He's bold because he's powerful!"

At that moment, Donoghue's expression looked extremely ugly. He clenched his fist tightly and yelled at Zhu Bajie. "

looked extremely angry. He clenched his fist tightly and yelled at Zhu Bajie. "Bloody hell, you are seeking death!"

He was Westrington's Prime Minister; his wife was a respectable woman. How dare that man talk to her like that?

That Zhu person had dared to tease his wife so publicly; Donoghue felt so humiliated!

"Are you trying to pick a fight?" He knew that Donoghue was angry, but Zhu Bajie laughed in disdain and walked away from the woman. "You want to fight? Come on; I'll fight you!"

Buzz!

A terrifying aura erupted from Zhu Bajie; it enveloped the entire crowd. The whole sky was distorted!

Such terrifying powers!

Everyone gasped when they felt Zhu Bajie's powers!

Donoghue's face flushed. He was extremely furious, yet he did not dare speak!

speak!

Zhu Bajie was too strong. Even if he had the Sky Breaking Axe, he would still lose!

At that moment, the entire crowd below Mount Hua was in utter silence.

“Zhu Bajie! Darryl Darby! How dare you leave the North Moana Palace on your own! How bold of you!”

Then, a yell came from the skies. Everyone was still baffled as they followed the sound!

A beautiful figure flew in the skies nearby.

She looked gorgeous—her tight figure was in a light blue dress, and she looked as ethereal as a fairy!

It was the Water God—Gonggong!

Gasp!

Such beauty!

Was she a fairy?

Everyone was stunned. All their eyes were on her, and they could not speak for a long while.

Everyone was stunned. All their eyes were on her, and they could not speak for a long while.

They knew that the woman was not only gorgeous, but her powers could rival Zhu Bajie as well!

## Chapter 1299

“Who is this powerful woman?”

“It looks like she’s coming for Darryl!”

The crowd was baffled as they discussed that in hushed tones.

Many of the men ogled at Gonggong. They were mesmerized by her gorgeous face and sexy body—she was like the perfect work of art. No words in the world could describe her beauty!

‘F\*ck! Why is this woman here again?’

When he saw Gonggong, Darryl was stunned. However, his smile remained plastered to his face.

Darryl had experienced Gonggong’s powers personally—it was strong and incomprehensible.

However, he changed his mind. He had Zhu Bajie next to him; he should not fear her.

“Darryl, Zhu Bajie. If you know any better, you’ll follow me back to the palace and admit your wrongdoings to Emperor

better, you'll have to go to the palace and admit your wrongdoings to Emperor Hou Yi!" Gonggong said coldly to Darryl.

Darryl and Zhu Bajie had only just escaped the North Moana Palace. Zhu Bajie even teased Chang Er. When Emperor Hou Yi found out, he was livid. He ordered Gonggong to head to the World Universe to capture them.

"Gonggong!"

Zhu Bajie smiled and said, "I haven't seen you for a thousand years! You're still looking as sexy as ever! But why are you so impatient? You are quite strong as well; why are you still working for Hou Yi? Why don't you come with me and travel the world? Let's be free and easy. Wouldn't that be beautiful?"

Zhu Bajie and Gonggong were old acquaintances—their powers were equally strong.

That was why Zhu Bajie was not afraid of her. Plus, he was naturally lustful; of course, he would have to flirt with her.

"Pfft!" Gonggong blushed and spat at the man. "Zhu Bajie, you're still the same as

“Pfft!” Gonggong spat at the man. “Zhu Bajie, you’re still the same as ever. When I capture you, I’ll make sure Emperor Hou Yi behead you on the spot!”

When she said that, Gonggong was full of anger. However, in Zhu Bajie’s eyes, she was still impeccably gorgeous.

“Gonggong, even though I have been locked up for a thousand years, I have not given up on my cultivation!” Zhu Bajie said playfully. He looked at Gonggong and said, “Even if we do fight, I don’t think you would win against me!”

“Stop with the nonsense!” Gonggong harrumphed; she could not hide the anger in her. “Just you wait and see; let’s see if that foul mouth of yours is better, or my skills are better!”

Even though she said that, Gonggong did not attack the man!

She was slightly hesitant.

She was well aware of Zhu Bajie’s power—it was at level three Heaven Ascension!

The cultivation levels could be categorized into Master, Master General,

The cultivators were categorized into Master, Master General, Martial Marquis, Martial Saint, Martial Emperor, and finally, Heaven Ascension!

Then, the Heaven Ascension level could be divided into five levels. Zhu Bajie was a level three Heaven Ascension, and Gonggong was only a level two Heaven Ascension. So, Gonggong knew that it would be tough to beat Zhu Bajie in a fight. So, under those circumstances, she did not dare to act so rashly.

Gasp!

An uproar erupted; everyone looked at Gonggong with mixed feelings.

Was the woman there to capture Darryl?

The situation had gotten out of hand.

“Hello, gorgeous!” Then, Donoghue snapped back to his senses. He looked at Gonggong with urgency and said, “Since you’re here to fight Darryl, why don’t we join forces?”

Donoghue was filled with excitement. Such a powerful woman would be of great help to him.

Donoghue was in a state of excitement.

Such a powerful woman would be of great help to him.

At the same time, Shentel was also very excited. If the woman joined hands with her husband, not only could they defeat Darryl's camp, her husband would also obtain the treasures from the ancient tomb.

However, no one expected that Gonggong would not even look at Donoghue. She merely said coldly, "Get lost."

Donoghue was not a weak cultivator; he was almost at the top. However, to Gonggong, he was nothing but a mere junior. He did not have any right to speak to her, let alone to join forces with her.

"You—"

Donoghue felt like a giant hammer had hit him. His chest felt heavy, and his vision almost darkened. He was so furious that he almost spat blood.

## Chapter 1300

When he heard Gonggong's words, Donoghue was livid, yet he did not dare react! After all, that woman was way too powerful; he could not afford to offend her!

Gonggong harrumphed coldly and laid her eyes once more on Darryl. "You won't be able to escape this time!"

Then, Gonggong lifted her hands and attacked Darryl!

Gonggong decided to capture Darryl first and then deal with Zhu Bajie later. After all, Darryl was not as strong as Zhu Bajie.

Darryl was stunned; he immediately recoiled in a panic!

Bang!

A thunderous sound exploded in the sky!

'F\*ck!' Darryl jumped at that sound. The crowd was frightened too. Then, everyone quickly looked up at the sky!

The blood-colored clouds had appeared again above Mount Hua, and it looked like they had gathered together!

The whole world seemed to have entered into an apocalypse! There was almost no daylight!

“Is the ancient tomb appearing soon?”

“The ancient tomb is appearing!”

The next second, many in the crowd snapped back to their senses. They yelled out in excitement.

Gonggong stopped in mid-tracks and frowned. She looked at the sky.

She was not surprised; it was Lu Bu's ancient tomb. It was as if the entire world had fallen apart!

Darryl was inexplicably excited as well. He felt the pressurized powers from the blood-colored clouds above him. It was as if his blood was about to boil!

‘Is Lu Bu's grave appearing soon? Such strong powers!’

“Everybody, get ready! When the ancient

“Everybody, get ready! When the ancient tomb appears, we have to rush in at the first opportunity!” Donoghue yelled out loud. His eyes burn with passion.

At that moment, Donoghue did not bother about his feud with Darryl. He only had one thought in his mind, that was to get Lu Bu’s unique cultivation technique—the Blood Battle Eight Directions method—in his hands!

Everyone looked at the blood-colored clouds and was inexplicably excited.

The two camps had been in a tense confrontation, and when the ancient tomb was about to appear, none of them could bother about that anymore. They looked at Mount Hua intensely. They were selfish; they wanted to be the first to rush into the tomb to grab the treasures!

Bang!

A rapturous thunder erupted within the blood-colored clouds, followed by lightning. Every time it rang, the crowd at the mountain trembled!

Buzz!

Buzz!

Everyone there could feel the spiritual energy of the land and sky flowed violently! The strong and wild spiritual energy made them close their eyes subconsciously!

When they reopened their eyes, they saw a huge black whirlpool in front of them. It was about a hundred meters wide, and it looked like a massive black hole!

Gasp!

When they saw the huge whirlpool, the crowd was baffled. They gasped!

“This—”

“This is the black hole, the ancient tomb’s entrance!”

“Then entrance! This is the entrance to the ancient tomb! Quick! Get in!”

Many of them exclaimed as someone else yelled. Then, some people scrambled and rushed into the whirlpool!

Many of them exclaimed as someone else yelled. Then, some people scrambled and rushed into the whirlpool!

“F\*ck!” When he saw the crowd rush into the whirlpool, Donoghue’s face turned blue. He roared angrily, “Everyone, don’t panic! Follow my orders!”

However...

## Chapter 1301

No one listened to Donoghue's words, and everyone rushed into the ancient tomb! Even Donoghue's disciples did not follow his orders! Everyone just wanted to get their hands on the Blood Battle Eight Directions Scripture. Everyone knew that Blood Battle Eight Directions Scripture was really powerful, and anyone who had it would become infamous and powerful!

This caused Donoghue to become extremely worried. He held Shente's hand and rushed into the ancient tomb.

However, at that moment, Darryl let out a long sigh. He looked around at the various World Universe sects before he shouted, "Everyone, please be extra careful when you enter!"

Lu Bu had been known as the greatest God warrior in the world, and his tomb was definitely full of treasures. However, the tomb cave would also be full of danger. In ancient times, people were worried that their tomb would be robbed when they died, so they would set a lot of

danger. In an attempt to protect themselves, people were worried that their tomb would be robbed when they died, so they would set a lot of traps to stop grave robbers.

However, all the World Universe's major Sects were greedy, and they wanted to grab the treasures as fast as possible. None of them took note of Darryl's reminder.

"Hurry, don't let the others get the treasure!"

"Charge! Hurry, get inside!"

After a sea of loud roars, all the World Universe's major sects rushed into the whirlpool.

Darryl was left speechless.

"Darryl, why bother reminding these people! They're all just a bunch of greedy people! Let's go in quickly and find the treasures as soon as possible!" Dax shouted.

"That's right. Let's go!" Chester said.

As he spoke, Dax and Chester rushed in too.

As he spoke, Dax and Chester rushed in too.

Sigh!

Darryl took a deep breath and held Debra's hand tightly, "Let's go!"

As he said that, both of them rushed into the whirlpool.

Zhu Bajie followed right behind them!

"People like you think you deserve to own Lu Bu's unique cultivation method?"

Gonggong smiled coldly before she dove into the whirlpool too.

The moment Darryl held on to Debra and jumped into the whirlpool, he could feel a strong pressure overcome him. All he saw was complete darkness as he started to fall at a rapid speed. The impact of the fall made him feel disoriented.

Darryl held Debra's hand tightly as the force from the fall disappeared after a minute.

Bang!

Finally, Darryl's feet landed on the ground, and the darkness slowly

Bang!

Finally, Darryl's feet landed on the ground, and the darkness slowly dissipated too.

Darryl and Debra had landed in the middle of the ancient tomb! He looked around and could not help but take a cold breath!

'Sh\*t! The ancient tomb was huge!' he thought.

He could see grand black buildings that looked like an entire underground town! All the buildings were extremely grand and looked like palaces! This was not an ancient tomb; it was an underground palace!

"Sh\*t! This is Lu Bu's tomb? This is too huge, right? This is as big as one-third of Donghai City!" Zhu Bajie said as he landed beside them, looking amazed.

Darryl looked around, but he could only see the three of them had landed at the entrance of the palace. However, the rest that arrived earlier had landed elsewhere. This place was so huge; they could not see the others!

that arrived elsewhere.  
This place was so huge; they could not see  
the others!

Darryl could not help but gulp after he  
finally gathered his thoughts. 'Sh\*t, this  
ancient tomb is huge. Where is Lu Bu's  
coffin? How do we look for it?'

The main tomb room was where the  
coffin was placed. The treasures would  
normally be placed in this main room.

"Let's go. We should walk ahead to take a  
look!" Zhu Bajie said and started to walk  
forward!

Darryl and Debra followed behind him  
quickly!

Along the way, they passed by many  
palace rooms. They could see there was a  
stone figurine in each of the rooms as  
well as sculptures of godly beasts. One of  
the palace rooms was full of gold, jewelry,  
and other valuable treasures!

## Chapter 1302

Darryl and Zhu Bajie were not interested in the gold, jewelry, and valuable treasures in the tomb cave at all. They did not require money or treasure anymore as they were already at a Martial Emperor's level.

They were not sure how long they had been walking, but Darryl was becoming frustrated. How long would they need to search around in such a huge tomb?

"Darryl, listen!" Debra suddenly stopped and furrowed her brows in concentration.

Darryl and Zhu Bajie stopped immediately and listened around cautiously. They heard the sounds of battle came from all directions coupled with sounds of terrible screams.

"Ah..."

"What is this?"

"Be careful; there are godly beasts and poisonous bugs in this cave."

Darryl looked worried. It was obvious that

Darryl looked worried. It was obvious that the sounds were coming from people fighting the bugs and godly beasts.

“Darryl, I’m scared!” Debra’s face paled as she clutched Darryl’s hand.

As the Artemis Sect’s Sect Master, Debra was a brave woman and was not afraid of anything. However, since following Darryl, she’s become more gentle and has become significantly less brave.

“Don’t be afraid,” Darryl smiled and consoled her. However, he felt unsettled as he said that.

No matter what, this was Lu Bu’s tomb. No one knew what strong godly beasts were hiding around.

Hiss! Hiss!

Right at that moment, a hissing sound came from in front of them, followed by a large shadow meandering towards them.

‘Oh no!’ Darryl looked forward and was stunned immediately.

The shadow was a gigantic centipede!

The shadow was a gigantic centipede!

The centipede looked about over ten feet long, and its entire hard shell was black. It had over a hundred legs, each looking like a sharp blade and looked terrifying.

“That’s a giant poisonous centipede!” Debra screamed, her body trembling.

Darryl took a deep breath, his face becoming worried. “It’s a huge centipede. It won’t be easy to handle!”

Darryl still did not know that because Lu Bu’s ancient tomb was filled with spiritual energy, all of the poisonous bugs were mutated and had grown to incredible sizes. The danger they were facing before were the same poisonous bugs.

Hiss!

Right at the moment, the centipede roared and charged towards them as fast as lightning.

“Stinky bug, how dare you appear in front of me!” Zhu Bajie, who was standing in the front, turned his body and

front of me! \_\_\_\_\_ was standing in the front, turned his body and charged forward. He punched the centipede's head.

Bang!

Zhu Bajie's power was terrifying. He was not using his full power in his punch, but he had smashed the centipede's head into pieces.

"Ha-ha, Brother Zhu. You're so brave! You are really powerful," Darryl praised as he sighed in relief when he saw the centipede had been destroyed easily.

Darryl was delighted. He was lucky to have Zhu Bajie around. Otherwise, he would need to spend a lot of energy to destroy the centipede himself!

At the same time, Debra finally gathered her thoughts and sighed in relief.

Zhu Bajie, happy to hear the compliments, nodded happily and said, "Ha-ha. It's just a poisonous bug. Only a small matter!"

Suddenly, Zhu Bajie squeezed his brows and shouted towards the back of a stone

Suddenly, Zhu Bajie squeezed his brows and shouted towards the back of a stone stele not far away, "Who's there?!"

A man and a woman emerged with their faces looking terrified! The man looked smart while the woman was beautiful.

It was Rachel and Ewan!

With the abnormal sightings at Mount Hua, Ophelia had brought along the Elixir Association disciples to investigate. Ewan and Rachel were part of the crew.

After Ewan and Rachel had entered the tomb, they started to look for the main tomb room. However, after walking just a few steps, they saw the gigantic centipede. They were not so powerful, so seeing the centipede terrified them, and they went to hide.

Luckily Darryl had passed by and killed the centipede.

"Darryl?"

## Chapter 1303

Ewan blushed when he saw Darryl and looked uncomfortable. Rachel looked uncomfortable too.

Rachel and Ewan had attacked Darryl multiple times before. They have both tried their best to avoid him since he became more powerful over the years. They did not expect to see him in the ancient tomb.

‘Why did we bump into them?’ Darryl’s mood dampened the moment he saw Ewan and Rachel.

When they were in New World, Ewan and Rachel had caused him to fall into a volcano crater, and he almost died there. Although, in the end, he had absorbed the world’s top enchanted flame, Darryl still hated Ewan.

“Brother Zhu, you shouldn’t have killed the centipede!” Darryl said to Zhu Bajie

“Why?” Zhu Bajie was puzzled as he stared intently at Rachel.

Another beautiful woman!

Another beautiful woman!

'This woman had an exquisite figure and beautiful face,' he thought.

"If you hadn't killed the centipede, someone might have died because of the centipede," Darryl smirked as he glared angrily at Ewan and Rachel.

Darryl could see that Ewan and Rachel were terrified when they saw the centipede, so they hid behind the stone stele. How could he miss this golden opportunity to humiliate them?

Although Rachel was his godfather's elder daughter, Darryl would never forgive her for all the things she had done to him!

Ewan blushed and retorted, "Darryl! Stop acting proud. Rachel and I could have killed the centipede even if you hadn't come over."

Rachel gathered her thoughts and added, looking arrogant, "That's right. Don't think you are superior and can look down on others. Ewan and I do not need your help!"

on others. I need your help!"

Rachel felt conflicted when she saw Darryl. However, when Darryl started to humiliate them, she could not stand that humiliation!

"Ha-ha. Really? When you meet another poisonous bug later, you can deal with it yourself. We definitely won't interfere!" Darryl said, smiling. He could not be bothered to speak any more with these two stubborn people.

"You..." Rachel was so furious, but she could not fight back.

"Alright, Darryl, don't argue with them!" Debra pulled Darryl lightly before saying softly to him, "No matter what, Rachel is your god sister. Don't be as immature as her!"

Debra did not have a good impression of Rachel either. Rachel was the reason she had been trapped with Darrul under the volcano!

However, over the past few years, she had been living with the Carter family and gotten to know Rachel a bit better.

been living with the family and gotten to know Rachel a bit better.

Actually, Rachel was just a person who liked to make things difficult.

As Darryl's woman, Debra did not want his godfather to feel caught in between. Debra hoped to mediate the relationship between Darryl and Rachel. No matter what, they were both God siblings; they should not be enemies the moment they meet.

"Fine!" Darryl nodded since Debra asked.

"Sh\*t! This beautiful woman is your god sister?!" Zhu Bajie, who had been checking out Rachel, leaned over and said to Darryl, sounding surprised.

Zhu Bajie sighed when he saw Darryl nod his head and felt frustrated!

'Why must all the beautiful women I meet have something to do with Darryl? His wife, his sister. I don't even have a chance to take any action. How frustrating.'

Darryl thought it was funny when he saw Zhu Bajie's reaction.

'Zhu Bajie is so lewd. He would have dirty

Zhu Bajie's

'Zhu Bajie is so lewd. He would have dirty thoughts whenever he meets a beautiful woman!'

Darryl said to Zhu Bajie, "Brother Zhu, Gonggong would definitely be here too. I shall help you to take her down so that you can enjoy her gentleness!"

Darryl was not afraid of anyone there, only Gonggong.

If they were to bump into Gonggong later, he needed to find a way to take down that woman.

Not only would he be able to get rid of this threat, but he would also be doing Zhu Bajie a favor. He would kill two birds with one stone.

Zhu Bajie was delighted when he heard that as he nodded. "Great. What you said is exactly what I want. Ha-ha."

Debra, who was standing at the side, blushed as she stomped her feet and glared at Darryl. "Darryl, how could you. You are so dirty-minded!"

'It was fine for Darryl and Zhu Bajie to

threat, but he was doing Zhu Bajie a favor. He would kill two birds with one stone.

Zhu Bajie was delighted when he heard that as he nodded. "Great. What you said is exactly what I want. Ha-ha."

Debra, who was standing at the side, blushed as she stomped her feet and glared at Darryl. "Darryl, how could you. You are so dirty-minded!"

'It was fine for Darryl and Zhu Bajie to join forces to take down Gonggong, but to say such disgusting words?! Shame on the both of them!' she thought.

At the same time, Rachel blushed too. She bit her lips and said softly after she glared at them, "Shameless!"

## Chapter 1304

Rachel looked at Darryl in disgust.

'Darryl claimed himself as the Elysium Gate Sect Master, but he's so dirty-minded. It's disgusting!'

Darryl did not notice Rachel's glare as he was looking around the room. His gaze landed on the stone stele not far away. "Hey, there's some writing on the stone stele."

Darryl walked straight towards it as he spoke as Zhu Bajie and Debra followed quickly behind him.

Ewan and Rachel looked at each other and could not help but walk over too.

Once they arrived in front of the stone stele, they saw eight words written in blood on the stone stele. As some time had passed, the words had turned dark. It was written in an ancient seal script and looked old.

"What does it say?" Rachel mumbled as she could not read the ancient seal script.

“What does \_\_\_\_\_ humbled as she could not read the ancient seal script.

Ewan shook his head too. “The words looked like they were written in ancient seal script. This is a very ancient type of writing, and not many people are able to read it.”

‘Ha-ha...How difficult can this ancient seal script be?’ Darryl could not help but snicker to himself when he heard their conversation.

Irritated by Darryl’s mocking laughter, Ewan said, “Darryl, what are you laughing at? You’re acting as if you can read it!”

Ewan would dare to speak to Darryl in such a way as he was the top leader in World Universe. However, he could stand to be humiliated by Darryl in front of his girlfriend anymore.

Sigh!

Darryl took a light breath without looking at Ewan. He pointed at the eight words on the stone stele and read it out, “Grand Spiritual Treasure Palace. All Trespassers Shall Die!”

Spiritual Treasure of the Trespassers  
Shall Die!”

“Darryl, you can read ancient seal script?” Debra’s heart thumped in her chest as she held Darryl’s arm and smiled sweetly at him.

‘This is my man. He knows everything!’ she thought.

“Yes!” Darryl nodded and looked towards the back of the stone stele as he said slowly, “If I’m not wrong, the Grand Spiritual Treasure Palace behind this stone stele is Lu Bu’s main tomb room!”

After he said that, Zhu Bajie’s expression suddenly turned from his usual cheeky self to serious as he nodded. “Young Brother Darryl is right. The Grand Spiritual Treasure Palace should be the main tomb! This was worth our trip here. Haha.”

At that instant, Evam, Rachel and Debra were all extremely excited as they turned their gaze towards the stone stele. They noticed that behind the stone stele, around a hundred feet away, was the palace all in black. Due to the dim

lighting, they did not notice it earlier. The

around a hundred feet away was the palace all in black. Due to the dim lighting, they did not notice it earlier. The hundred feet distance between the palace and the stone stele was a piece of empty land.

Pieces of square flagstones were laid on the empty land. There were unique patterns engraved on the flagstones, and there were holes the size of a finger. They were really unique.

Darryl furrowed his brows as he saw that.

‘This looks like the Nine Star Flame Formation. Anyone who wishes to get to the Grand Spiritual Treasure Palace will need to pass the formation.’

The Bai Qi Formations did have information about the Nine Star Flame Formation. It was an upper-middle category formation. Although it was an upper-middle category, it was still extremely dangerous. This was due to the formation being based solely on the Nine Star Flame.

Nine Star Flame was a type of enchanted flame, and it was number eight in the

## Star Flame.

Nine Star Flame was a type of enchanted flame, and it was number eight in the enchanted flame list. The Nine Star Flame hidden under the flagstones might shoot out flames once the formation was activated. The flame would completely burn your entire body. That's why the formation, although not complex, was hazardous.

However, for Darryl, it was not difficult at all to break the formation.

"Since Lu Bu's real main tomb room is just in front of us, what are we waiting for?" Ewan said excitedly after gathering his thoughts. He was about to walk through the empty land.

"Hang on!" Darryl shouted.

Ewan was stunned as he squeezed his brows and looked at Darryl. "What's wrong?"

## Chapter 1305

“Darryl, what’s with all the shouting?” Rachel shouted at Darryl, looking dissatisfied.

‘Sh\*t!’ Darryl cursed to himself.

“You can all go ahead if you aren’t afraid to die. I’m telling you there is a formation in front of your eyes. There are Nine Star Flames hidden under these flagstones. If you walk over them without knowing how to solve the formation, the Nine Star Flames will shoot up,” he replied reluctantly.

To be honest, Darryl felt like just letting them die as they both had almost caused his death multiple times.

However, Debra was right. No matter what, Rachel was his godfather’s daughter. Besides, the past incidents were a long time ago; he could not just watch them head to their death.

Nine Star Flames?

Hearing that, Ewan and Rachel dared not

## Nine Star Flame

Hearing that, Ewan and Rachel dared not move a muscle, and their faces turned pale instantly.

Although they had never seen the Nine Star Flames before, Ewan and Rachel had heard of the existence of this enchanted flame. They also knew that Nine Star Flames was number eight on the enchanted flame list. Its flame was a special blue color. Anyone that touched it would be burned to a crisp without even a single speck left behind.

In the next second, Rachel rolled her eyes and smiled coldly as she spoke, "Darryl, you're just worried that we'll reach the tomb room and get to the treasure before you do. You just made this story to scare us!"

"I am worried that you will take all the treasures?"

Darryl smiled immediately and mocked, "You sound so funny. You think the both of you have the ability to take away the treasure in front of me? You over-estimate yourselves!"

treasure in front of you. Never-  
estimate yourselves!"

"You..." Rachel's face turned red, and she could not speak at all.

'Although Darryl's words were humiliating, he's not wrong. With Ewan and my ability, we could not even beat a one-handed Darryl,' she thought.

Darryl did not want to waste his time talking any further. He turned and said to Debra and Zhu Bajie, "Brother Zhu, Debra, the both of you follow behind me closely. Watch closely, follow all my steps closely, and don't make any mistake!"

Darryl led the way and stepped on the flagstone in front of him. Zhu Bajie and Debra nodded in reply and followed behind closely.

At that moment, Ewan and Debra looked at each other and decided to follow behind them. The palace in front of them was the real tomb of Lu Bu. How could they miss the opportunity when there would be plenty of treasures in the tomb room? ①

room? ①

Darryl furrowed his brows as he saw Ewan and Rachel had followed behind him. He turned and smiled coldly as he said, "Why are you following us?"

"Darry!" Ewan's face was all red. "This is Lu Bu's tomb, not your house. Why are you only allowed to go in? Why can't we go in too?"

Darryl sighed and said to Ewan coldly, "Fine, you both can enter. However, let's have an understanding upfront. Once we're inside, feel free to take everything - the gold and diamonds, lower-level elixir pills. However, you can forget about the treasures in the coffin as well as the Blood Battle Eight Directions Scripture. Understood?"

With Lu Bu's main tomb room right in front of his eyes, Darryl desperately wanted to get the treasure. He did not want to spend more time arguing with Ewan and Rachel.

"Fine!" Ewan nodded, biting his lips secretly. He was enraged and felt embarrassed.

secretly. He felt embarrassed.

Rachel felt like the deal was unfair, but she dared not say a word.

Seeing both of them agreeing, Darryl did not speak any further. He turned and continued to walk forward and headed into the formation.

“Two steps forward, three steps to the left ...” Darryl mumbled the formula to himself as he led the other four step by step.

Soon, under Darryl’s leadership, the group had finally walked past the Nine Star Flame Formation and arrived in front of Grand Spiritual Treasure Palace’s door. The palace door was made of bronze, was over ten feet tall, and about seven to eight feet wide.

Crack!

As Lu Bu’s ancient tomb was buried underground, they could hear a cracking sound when Darryl opened the door, with dust falling everywhere.

Darryl and the rest walked into the palace once the bronze door was pushed open.

'Wow!' Darryl thought.

He shivered at the sight in front of him. He could not help take in a deep breath as he was completely stunned.

Zhu Bajie and Debra also stood there in shock!

## Chapter 1306

It was grand!

The palace walls were shining in gold, and a few pillars in the palace were made of crystal!

On the palace's dome were pictures of the sun, moon, and stars made from gemstones. It shone so glamorously; it made you feel dizzy!

There was a huge jade altar in the middle of the palace that was about a few hundred feet long and a few dozen feet wide. The jade altar was surrounded by gold, silver, and jewelry. The jewels were so shiny that they could light up the entire palace!

There was so much jewelry! All the treasure in this room could easily be worth a few hundred billion bucks.

Darryl bit his tongue, thinking that. However, money and gold were not important to Darryl anymore. He quickly gathered his thoughts and looked at the jade altar.

gathered his eyes and looked at the jade altar.

He noticed the Four Great Godly Beasts guarded the top of the jade altar: the Azure Dragon, White Tiger, Vermillion Bird, and Black Tortoise. They were engraved with gold and looked alive! In the middle of them were two huge crystal coffins.

The two crystal coffins were a dozen feet long with the picture of auspicious clouds and animals engraved on top.

Debra, Ewan, Rachel, and even Darryl and Zhu Bajie were stunned completely by what they saw in front of them. They could not help but gulp quietly!

This was Lu Bu's main tomb room!

They became excited when they saw the two crystal coffins. They saw a huge body laid inside the crystal coffin on the left. His long wild hair reached his shoulders as he wore black and gold armor, and his eyes were shut.

The huge figure was the most famous and undefeatable warrior in the world—Lu Bu!

The huge figure was famous and  
undefeatable warrior in the world – Lu Bu!

The ancient tomb was full of spiritual energy, and special materials were used to make the crystal tomb. Due to this, Lu Bu's body had not decayed at all. It was preserved perfectly as if he had just fallen asleep.

Even though Lu Bu had died a long time ago, Darryl could still feel the strong aura that surrounded his body. After looking at Lu Bu for a few seconds, Darryl shifted his gaze to the crystal coffin on the right.

Darryl could not help but take a cold breath, and he did not blink!

An extremely beautiful lady laid in the crystal coffin to the right. Just like Lu Bu, the beautiful lady looked as if she was in a deep sleep as she laid there quietly, not moving a single muscle!

Darryl could see that the beautiful lady was in her twenties. Her face was gorgeous and soft, she was dressed in a long, red silk dress and she had the perfect figure!

'Beautiful! So beautiful!' he thought.

'Beautiful! So beautiful!' he thought.

At that moment, Darryl was completely in shock.

Darryl had met countless beautiful women throughout the years, but out of all these women, Chang Er was the sexiest and most alluring woman he had ever met.

However, this lady in front of him was as beautiful as Chang Er.

Many different synonyms of the word beautiful came to Darryl's mind, but none of these words did justice to this woman's beauty.

Darryl took a deep breath and sighed. He could not help but feel jealous. Such a beautiful lady was buried in an ancient tomb with Lu Bu.

Could she be the most beautiful woman in the Three Kingdoms, Diaochan? There was a myth that Lu Bu and Diaochan were married.

Darryl had been right. The two people in the crystal coffins were Lu Bu and

Could she be the most beautiful woman in the Three Kingdoms, Diaochan? There was a myth that Lu Bu and Diaochan were married.

Darryl had been right. The two people in the crystal coffins were Lu Bu and Diaochan.

Lu Bu and Diaochan had loved each other their whole life; even death would not keep them apart.

Zhu Bajie stared closely at Diaochan as if his eyeballs were about to fall off. "Come my! This is Lu Bu's woman, Diaochan? The myth said that Diaochan was the prettiest woman in the whole country and the whole world. From what I see, she's even prettier than what was in the myth."

## Chapter 1307

Zhu Bajie's saliva almost flowed down his chin as he spoke!

He had always thought Chang Er was the prettiest in his heart. However, Zhu Bajie had seen women today: Debra and Sloan. All of them were incredibly beautiful, but seeing Diaochan now made his heart race uncontrollably.

Although Zhu Bajie was amazed, he did not move closer as he saw an invisible protective shield surrounding the jade altar where the two crystal coffins were placed.

The invisible protective shield carried terrifying energy.

Darryl saw that too; he furrowed his brows as he continued to observe.

Lu Bu was the world's best warrior since ancient times. It would not be so easy to get near his crystal coffin. The Nine Star Flame Formation outside the tomb was only the first challenge.

Flame Form... the tomb was only the first challenge.

Darryl could feel the protective shield surrounding the jade altar was even more dangerous than the Nine Star Flame.

After he gathered his thoughts, Ewan laughed loudly, "Ha-ha! Is this really Lu Bu's crystal coffin? What are the treasures inside?"

As he spoke, he charged directly towards the jade altar.

He had an agreement with Darryl and Ewan knew that he was not entitled to take anything from inside the crystal coffin. However, he could not control himself when he saw Lu Bu's crystal coffin right in front of him. He had never expected that before he could get closer, a strong force exploded suddenly from the protective shield.

"Ah!"

Ewan did not have the time to react. He shouted in pain as his body bounced over a hundred feet away, knocking into the huge crystal pillar before landing on the ground. His mouth was full of blood!

a hundred feet, falling into the huge crystal pillar before landing on the ground. His mouth was full of blood!

“Ewan!” Rachel was in shock as she rushed over to help Ewan stand up, his face looking worried. “Are you okay?”

Ewan shook his head, indicating he was fine. His face was pale, and he was still terrified.

‘What terrifying energy!’ Ewan thought.

“Stupid idiot,” Darryl could not help but laugh under his breath.

‘Where is Ewan’s brain? How could anyone go near Lu Bu’s crystal coffin so easily?’ he thought.

“You...” Rache’s face turned red as she heard Darryl’s humiliating words. She was so furious her body was trembling with rage.

Ewan was furious and ashamed, too; he did not know how to fight back.

At that moment, Zhu Bajie could not help but ask Ewan as he furrowed his brows, “Hey, Young man, didn’t you agree not to take the treasure in the coffin? Why did

Hey, Young Rachel, how do you agree not to take the treasure in the coffin? Why did you charge towards the coffin then? Are you trying to get the treasure? Don't you feel terrible? Shall I teach you a lesson?"

"I'm sorry, I'm sorry," Ewan apologized quickly with a smile on his face. "Brother, please forgive me. I didn't mean that. I was only curious and wanted to take a look!"

Ewan held Rachel's hand and pointed towards the treasures at the side. "Rachel, there are so many treasures here. Hurry, let's pack them up."

As he said that, Ewan pretended to be excited as he picked up the jewelry and stuffed them in his pocket continuously.

"Ewan!" Rachel furrowed her brows, seeing him not being ambitious. "What are you doing? What is the point in taking all this treasure?"

Rachel went to the ancient tomb with Ewan to look for the Blood Battle Eight Directions Scripture, not for jewelry. Besides, the Carter family was never short of money; Rachel did not want the

Feeling Rachel's dissatisfaction, Ewan smiled bitterly and said softly, trying to remain quiet, "Rachel, do I look like a greedy person? I'm just putting on a show for them. How else am I going to get them to put down their guard? I'll find an opportunity later for us to snatch the Blood Battle Eight Directions Scripture and run away. With your father being Darryl's godfather, I don't believe Darryl will kill you."

Rachel understood instantly and nodded in agreement. "Ewan, you're a genius!"

As she spoke, Rachel followed his lead and picked up the treasure immediately. She chatted happily with Ewan as they packed the jewels.

"Ewan, we must fill up more of this!"

"Yes! Look, this jade and gemstone hairpin really matches you!"

"Of course, I'm so beautiful."

Darryl ignored them as he saw the both of

Darryl ignored them as he saw the both of them happily picking up the jewelry. He was focused on observing the protective shield.

## Chapter 1308

Darryl just observed for a few minutes before he took a deep breath and said, "Debra, later you're going to stand on the right of the jade altar. We're going to activate our internal energy together to destroy the protective shield in front of us."

He figured out the solution. The protective shield in front of him was, in fact, the Yin Yang Reverse Murderous Formation. The Bai Qi Formations had clearly recorded the high-level formation. It was formed from pure yang energy and pure yin energy. The formation took at least three years to set up, and once it is set up, a protective shield is formed. Anyone who touches the protective layer would be bounced away.

The formation could not be broken by a single person alone. It required a man and a woman to break it. The man represented the yang energy, and the woman represented yin energy. The man would break the yang and the woman the

woman replied. The man would break the yang and the woman the yin energy in order to break the formation.

“Okay!” Debra nodded before she went to the right of the jade altar immediately without hesitation.

Zhu Bajie could not hide how impressed he was by Darryl as he laughed loudly, “You’re amazing, Brother Darryl! You’re so powerful that you can break this formation.”

Zhu Bajie had never felt impressed by anyone. Darryl was the only exception.

Zhu Bajie was already very surprised when Darryl had led everyone past the Nine Star Flame Formation earlier.

Now that he saw Darryl had figured out the way to break the protective shield, Zhu Bajie was completely impressed!

Darryl felt embarrassed when he heard the compliments. He scratched his head and said to Zhu Bajie with a smile, “Ha-ha...This is nothing, Brother Zhu. I just have a little knowledge of formations. We’ll require your help to guard the palace

have a little... formations. we  
ll require your help to guard the palace  
entrance. You must stop anyone that tries  
to come closer!"

He needed all his concentration on his  
energy in order to break the Yin Yang  
Reverse Murderous Formation. That's  
why he needed the others to help. Darryl  
and Debra might sustain internal injuries  
if they were to be interrupted as they were  
trying to break the formation.

Zhu Bajie patted his own chest and  
smiled. Don't worry, Brother Darryl! No  
one can come in with me around!"

With that, Zhu Bajie walked straight  
towards the entrance of the palace.

The next second, Darryl nodded to Debra.  
"Debra, let's get started!"

Darryl activated his pure internal energy  
to break the formation together with  
Debra.

"Rachel! When Darryl breaks the  
formation, we must find an opportunity  
to take away the Blood Battle Eight  
Directions!" Ewan said softly as he saw  
what Darryl and Debra were doing.

Directions! ...y as he saw what Darryl and Debra were doing.

Ewan became excited when he thought that being able to achieve something big, he would be famous around the world.

“Got it,” Rachel nodded as she bit her lips and looked determined. She stared closely at Darryl.

For the past few years, whenever she returned home, her father would not acknowledge her. All of that was because of Darryl! She had been holding that grudge for so long, and now she finally had the opportunity to turn a new leaf. She was definitely not missing this chance.

Minutes had passed as the aura from the formation started to disperse, and Darryl and Debra finally destroyed the protective shield covering the altar.

At that moment, Darryl and Debra looked at each other; both of them were extremely emotional. Next, they both leaped and jumped onto the jade altar.

“Ha-ha!” Zhu Bajie laughed loudly and quickly flew up the jade altar. “Brother

"Ha-ha!" Z... loudly and quickly flew up the jade altar. "Brother Darryl, you're so powerful. You broke the protective shield so quickly!"

He leaned closer to the crystal coffin on the right and looked closely at Diaochan with a smile on his face. "Beautiful, so beautiful. She's the most beautiful creature in the world."

Debra was not sure whether she should cry or laugh when she heard those words. When she first met Zhu Bajie, Debra felt really uncomfortable with him, but after she got to know him more and knew his character, she felt more at ease.

However, Debra still felt frustrated when she heard his remarks about Diaochan.

Zhu Bajie was good at everything apart from his crudeness.

Sigh!

Darryl took a deep breath and could not help looking at Diaochan. He was amazed when he saw her from afar and was now even more amazed as he saw her up close.

It was undeniable that Diaochan was one of the most beautiful women in the world.

Darryl took a deep breath and could not help looking at Diaochan. He was amazed when he saw her from afar and was now even more amazed as he saw her up close.

It was undeniable that Diaochan was one of the most beautiful women in the world. Her perfect body and exquisite facial features were flawless. The only word that could adequately describe her was beautiful. No other words could do justice to her beauty.
