

Chapter 817

"Alright, let me explain how the competition will go about today! It's very simple. This time, I've decided not to waste anyone's time. First, we will have one-on-one combats to eliminate half of the participants. After that, anyone is free to challenge anyone in the ring, and the last person who can remain undefeated will be the champion! Do you understand?"

Miss Scarlett's cold voice echoed!

The freshmen got excited!

Actually, many freshmen did not want to participate in the competition because they were aware of their own abilities!

With powerful people like Hubert around, how could they possibly win?

If that was the case, why would they want to get beaten up?

"You just changed the rules!" Liliana frowned.

She was already annoyed to see Miss Scarlett in the first place, but she did not expect that Miss Scarlett would change the rules.

Initially, she thought that her students would be able make it into the top 30 but the rules had changed this time!

At the same time, Gaige eyes burned with extreme passion!

Miss Scarlett was stunning that day. She was wearing his favorite skinny jeans, revealing her perfect slender legs.

She was perfect!

Liliana was speechless, "Gaige, how can she do this? Gaige! She just changed the rules! Hey! Are you listening?!"

"She's the host of this competition so she has the right to change the rules! Well, I think the competition will be much more interesting this way!"

"You're totally blinded by her beauty!" Liliana shouted in anger.

'Why did I have such a brother?'

However, that way, only the first place would be determined.

Liliana would not have to worry about her students embarrassing herself in the competition anymore!

In fact, Liliana was not interested in the competition because she knew that it would not be easy for her students to even win the first round.

What else could she hope for?

There was no other hope in winning the competition!

"Now, we will draw lots and all ten groups will compete at the same time! Whoever's name that I have called out, please come forward. We will be eliminating half of you first!"

Miss Scarlett began to host the competition!

Everyone held their breaths!

"Hilda Yalopp versus Forrest Cannon! Whoever's name I called out, please come forward!" Miss Scarlett said coldly.

Then, twenty people began to compete in a huge ring.

Chuck watched with interest.

Hubert, who was worthy to be his opponent, was not on the list for the first round.

The abilities of the participants in the first round were average, at least to a combat expert like Chuck, they were really poor!

Combat required skills and speed. Therefore, in the first round, almost all the ten teams finished their fight within ten seconds!

Ten people advanced to the next round!

The other ten people were eliminated, therefore they could not participate in the second round elimination competition.

"Alright, winners. Please stand on the left, and the others can exit the ring! We will commence the second round now! Hubert Mate versus Lowen Zeager!" Miss Scarlett continued.

"Ah, Hubert is next!"

The crowd went wild.

Hubert went up the ring!

Lowen had a depressed look on his face. He knew that there was no way he could win against a strong opponent like Hubert.

Why was he so unlucky?

"Tessa Lowe versus Chuck Cannon!"

Tessa was stunned while Chuck shrugged his shoulders.

'This will be a piece of cake!' Tessa thought.

"Chuck, I'm sorry but it will be a bad day for you!" Tessa said with a sweet smile.

"We'll see," Chuck shrugged his shoulders and walked up to the ring. 

"Tessa, you must defeat him!"

"I will!" Tessa said as she went into the ring.

"Chuck is no match for Tessa!" Liliana analyzed. In her analysis, Chuck was an opportunistic person.

But Tessa was very capable!

It would be easy for her to defeat Chuck!

Liliana was delighted. At the very least, one of her students would still be able to advance to the second round!

It seemed like things would not turn out too embarrassing!

She was absolutely optimistic about Tessa!

"Alright, you may start now!" Miss Scarlett ordered.

"Chuck, just admit defeat!" Tessa said coldly.

"Just bring it on!" Chuck shrugged and waved to Tessa.

He did not want to attack her but it would be a complete waste of time. Hence, Chuck decided that he would make it seem like he had defeated her inadvertently.

"Huh, you're asking for it, Chuck. Don't blame me for being mean!" Tessa was furious. She swung her long legs and attacked him!

"Ah! What?! What happened?"

At that instant,

the audience burst into an uproar!

Hubert was expressionless but Lowen, who fought with Hubert, was already lying on the ground!

It was just a second ago that Miss Scarlett had announced the commencement of the competition!

But Hubert had already knocked Lowen down!

This was terrifying!

"Oh my goodness, he's so swift! Who can defeat him? Hubert will win first place for sure!"

The spectators were excited!

As for Liliana and Gaige, they were stunned!

With Hubert's speed, they were probably not a match for him too!

His capabilities had surpassed many of the coaches!

Even Miss Scarlett's was impressed. She said, "Not bad. He's strong,

fast and extremely skilled too. There should be no other opponents for him here. If he's given enough time, I'm sure that his combat abilities will be limitless! But is he a combat genius?"

Miss Scarlett was a little hesitant!

"That's amazing!" Tessa's jaw almost dropped, "Was he the person who saved me yesterday?" Tessa pondered.

Chapter 818

Chuck narrowed his eyes!

Hubert was indeed the strongest opponent in the competition!

However, he would only know who was the strongest after they had fought each other!

To be honest, Chuck was excited when he encountered such a combat expert.

Because at this stage, although Chuck was not an expert like his mother, it was still not easy for him to meet a worthy opponent!

However, he had finally met one. Hubert was a worthy opponent!

While everyone watched Hubert, Chuck strode toward Tessa.

Tessa was still in shock.

"Hey!" Chuck called her.

Tessa turned around in confusion and shouted, "Ah! How can you sneak up on me? I'm going to kill you!!"

Chuck was speechless. Why did she blame him when she was the one standing there like a fool?

Moreover, Chuck was only standing in front of her. He did not even attack her!

How could this be considered as an ambush?

Tessa kicked him!

Chuck shrugged his shoulders. His hands and feet did not move, only his shoulders were moving.

Boom!

Tessa was knocked into the air by Chuck's shoulder, and she fainted on the ground.

However, the spectators were not shocked.

There was an uproar instead!

There was also voices of dissatisfaction!

And mocking voices!

"What is he doing? How can he sneak up on a girl like that?"

"That girl was looking at Hubert just now, and he took the opportunity to launch a sneak attack on her. How could he!"

"He's too shameless!"

"How could he treat a woman like this. He sneaked an attack at her and even made her faint. Alas, how can there be such a person among the freshmen this year?"

"Hubert knocked out his opponent in seconds, but he did it justly and fairly. But for this guy, he launched a sneak attack! Alas, he really brings shame to us men!"

Everyone there despised Chuck!

They felt that Chuck had won the battle by a foul play. Although he'd knocked out his opponent in seconds like Hubert, he was still incomparable to him!

Chuck had hit rock bottom!

Voices of condemnation multiplied.

"Sh*t! What's wrong with Chuck? A sneak attack? On a woman? Is he still a man?" 

"He isn't a man at all. He didn't even save Coach from the bears yesterday! To me, he's not a man anymore. What's there to be surprised about him doing such disagreeable act to Tessa?" 

"Ah, I feel sorry for Tessa. She could have defeated Chuck, but he took advantage of her and defeated her instead! I really can't accept this!"

Several girls were repulsed by Chuck's actions.

Liliana was furious as she mentally reproached him, "Chuck Cannon, you're an animal!"

Gaige couldn't be bothered to look at Chuck, the useless garbage!

Hubert glanced at Chuck and went to the waiting area with a sarcastic smile on his face!

Miss Scarlett looked at Chuck and said, "Silence please! You're Chuck Cannon, aren't you?"

"Yes, I am!"

"You should learn proper martial arts skills instead of learning how to play petty tricks! I hope you won't do this ever again! It's unfair to the girl!" Miss Scarlett said coldly.

"It wasn't a sneak attack. She attacked me just now, so I..." Chuck was at a loss for words.

He was being criticized for no reason at all!

"Shut up! Do you think we're blind?" The crowd was raging!

"Enough! You win this round. But next round, if you continue to resort to such a tactic, I will terminate your qualification immediately!" Miss Scarlett said mercilessly.

"Alright, got it." Chuck had lost the strength to defend himself.

And like that, Tessa was carried down the ring.

Chuck could not believe that Tessa could not even withstand a blow.

He did not even exert much strength, but she was already knocked out into the air.

Chuck walked to the winners area.

"Stay away from me! I'm ashamed to have a classmate like you! A sneak attack? How desperate are you to win?"

"I'm telling you, it's useless to pull any tricks in front of Hubert. Everything will be in vain when you go against him!"

The winners from the earlier rounds despised Chuck.

Chuck did not care about them. He did not mind getting scolded!

The second round ended!

The subsequent rounds had come to an end as well.

Only half of the participants were left!

Liliana was speechless. Out of her five students, Chuck was the only one who had made it into the next stage of the competition, while the rest were eliminated.

There was even less hope for her!

"Alright, we've already chosen half of you so it's going to be much simpler now. Those who think that you are strong enough can get on the ring first and anyone who has just won can challenge him! The last person to remain in the ring will be the winner of this competition!" Miss Scarlett announced loudly.

"Ah, I'm already satisfied that I wasn't eliminated in the first round. I'm not going to fight anymore because the winner is definitely going to be Hubert!"

"I'm not going to fight either!"

"Hubert, why don't you just go up there? You will surely emerge as the winner!"

Discussion was heating up amongst the crowd.

Hubert took off his sunglasses and went up to the ring arrogantly!

"Is there anyone who wants to challenge me? I'll wait for you in the

ring!" Hubert said.

No one dared to walk forward!

Miss Scarlett was shocked. If that was the case, then there was no doubt that the first place would belong to Hubert!

She did not expect that such a situation would happen. How could there not be a challenger at all?

Hubert had won this competition too easily!

"Humph, if no one dares to fight you, I will!" A man entered the ring!

Chapter 819

The man who went into the ring was tall and sturdy!

His muscular body was a clear indication of his formidable strength!

Maybe he possessed the ability to fight Hubert!

"Is that Kris Evans? He also knocked out his opponent in a few seconds just now, right?"

"No wonder he dared to enter the ring! He must be unwilling to give up. By his looks, he must want to fight with Hubert!"

"Then we are very lucky to witness their combat!"

Excitement was written all over their faces!

Kris entered the ring boldly!

"Hubert, I know you're strong, but I will not lose to you without a fight! So, I'm going to fight you!" Kris said.

He had reached another level!

He needed a worthy opponent!

Regardless of whether he won or lost, he could improve his strength using this round of combat!

This was the most direct method for anyone desperately needing to raise their ability to the next level!

He did not want to pass on this good opportunity!

"It's up to you! But you are no match for me!" Hubert said frankly.

"We'll see! Take this!" Kris's strength was as great as a bull as he charged forward and attacked Hubert ferociously!

He was skilled at using his bodily strength to throw an attack.

He knew that he was extremely strong, and if he put this strength to good use, he might stand a chance to win!

"You're as strong as an ox, which is quite a rare sight. But you're just like a cow! How can you fight with others? Combat requires strength and skill coordination!" Hubert commented, seemingly disappointed.

He thought that he had finally met an opponent which he could deem worthy!

But...

In the end, no sooner had Kris attacked him, Hubert felt

disappointment washing over him!

Kris's skills were poor!

And alas, Hubert would not sit there and not fight back. Hence, he would not be defeated!

Bam!

Hubert clenched his fist and threw it at Kris!

It hit Kris's face!

It was one h*ll of a punch.

Argh!

Kris uttered a miserable cry before he was sent flying to the ground!

He fell unconscious!

It happened in just a second!

Again!

Everyone present was astonished!

Kris had to admit defeat!

"This freshman's skills are top notch! Gaige, could it be him?" Liliana also suspected so.

With Hubert's level of strength, although Liliana was a coach, she would not be able to defeat him.

Gaige's face darkened.

"Perhaps it's him who knocked me out. If I were hit by him just now, I might not be able to take it! He has mastered the skill to be able to knock out his opponent in a single punch! D*mn it!" Gaige commented with envy.

"He is not bad, not bad at all! No one can defeat him now!" Miss Scarlett began praising fervently.

She thought that Hubert might have to deal at least three punches to knock Kris out. However, only a single punch had suffices!

She was impressed!

It was not easy!

"He's in a league of his own. Among the freshmen, no one can measure up to Hubert. It's a pity that Kris could not hold out against his punch. Perhaps Hubert is a combat genius?"

"Of course he is! I think, even my coach could not bring him down!"

"His strength is shocking!"

The audience burst into an uproar, followed by gasps of surprise and excitement!

"I can give you all a chance. Three of you can come into the ring at the same time and fight me!"

Hubert suddenly uttered this.

Everyone was bemused!

Three people against Hubert alone?

He was putting himself at a disadvantage!

"What the f*ck! I'll go! There is no way that three fighters can't win against him!"

"After we defeat him, three of us could fight each other. It gives us a better chance at this! I'll fight him as well!"

In an instant, three men rushed into the ring!

"Hubert, you suggested this, so don't blame us for defeating you! Let's go!"

The three of them stepped forward!

Then, they surrounded Hubert!

The crowd clamored!

Would Hubert win?

"This particular student is quite interesting! Does he want to show off his strength?" Miss Scarlett's beautiful gaze swept over the scene, and she was extremely intrigued.

"Argh!"

"Ahhh!"

"Ouch!"

After these three cries of pain...

A deadly silence settled over the place.

The three men were knocked out far away, and they were completely immobilized.

Incredibly, Hubert defeated three people in an instant!

He must be a demon!

Everyone was in shock!

Who would have thought that the three people, who had brimmed with confidence, would be instantly knocked out by Hubert as soon as they stepped into the ring?

"He's really impressive!" Miss Scarlett felt very satisfied.

She had not seen such a powerful student for a long time.

"Is there anyone else? I can continue to accept your challenge!" Hubert smiled!

He felt that the previous combats were merely just warm-up, and his hunger for combat was yet to be satiated.

"It doesn't matter. If three people can't defeat me, then I welcome five, seven or even ten people into the ring. As long as you dare to come up, I won't mind! Come on up!"

Hubert was so confident, who would dare take up the challenge?

If he could knock out three people with a single punch, so what about ten people?

He could have won against them in a good three to four seconds!

Even if there were 20 people, it would not be easy for them to defeat Hubert. They would be like tiny ants fighting a tiger!

The disparity in strength was immense.

"This is it? Even if I take ten people at once, none of you would try?! Well then, what about 20 people? I'm all right with it!" Hubert shrugged conceitedly.

"No one? Then you lot can't blame me for taking the first place!" Hubert smiled!

He began to relax, but felt rather dispirited. He did not even warm-up enough during this freshmen competition!

It was so easy for him to win, and there was no challenge for him at all. What a bland competition!

"Since there is no one else, then the winner of the competition is..."

"Let me try!"

Just when everyone was silent, a faint voice suddenly sounded from the crowd!
