

Chapter 820

"Who's that? Who said that?"

"Who is it?"

Everyone glanced around. They were wondering who'd dare challenge the undefeated Hubert.

A man popped out from the crowd!

It was none other than Chuck!

How could Chuck give up on this match so easily?

He then stepped forward and walked into the ring!

The audience began discussing loudly!

But they were filled with contempt and mockery!

"F*ck! I was wondering who it was! Turns out it's that sneaky dog!"

"It's really him! God, is he kidding? He launched a sneak attack on the girl just now, and now he wants to pull the same old trick on Hubert? And he wants to defeat Hubert? There is not much between his ears, huh."

"He is definitely stupid for challenging Hubert!"

No one had expected Chuck to enter the ring!

"Does he have a death wish?"

Liliana was stunned!

She was already prepared to lose her reputation this time. Why did Chuck have to make things worse?

Was he tired of living? Was he seeking death?

Gaige was bewildered as well. "This dumba*s had finally outplayed his madness for victory now. With his level, how did he bring himself to go into the ring!"

"I think he is looking for death. It's fine actually, we don't need to be bothered if he wants to throw his life away!" Liliana said in a mocking tone.

"Hey, Tessa, wake up! That Chuck, who launched a sneak attack on you just now, is going to fight Hubert! He is not afraid of death!"

The unconscious Tessa began to stir. She mumbled, "Chuck is going to fight Hubert? Are you kidding me? Even a fool wouldn't do that. It's

suicide!"

"See for yourself!"

Tessa's pretty gaze fell upon Chuck who was walking up into the ring. She was stunned and said scornfully, "Dream on! That guy dares to sneak and attack Hubert? Hubert is way beyond my level, he would easily destroy that guy!"

All of a sudden, she felt invigorated.

Tessa had been furious at Chuck's sneak attack on her.

But this time, Hubert could avenge her!

She was ready to watch a thrilling show of Chuck's defeat!

The audience did not think highly of Chuck. They all thought that he was signing up for his own death!

Miss Scarlett, the host of this competition, also felt the same way!

She had readied herself to announce the results, but little did she expect Chuck would interrupt her halfway!

"This student is a combat expert as he has a steady step, and his breathing is well regulated. However, compared to a student like Hubert, there still exists a huge disparity in strength! Furthermore... his character is frowned upon. He launched a sneak attack in order to win, yet he still wants to repeat it?" Miss Scarlett commented.

She did not hold Chuck in high regard at all!

"Oh, you said you want to try?" Hubert shrugged his shoulders.

Hubert had watched how Chuck had launched a sneak attack on a girl earlier. Hence, Hubert felt that Chuck was a shameless man and an unworthy opponent.

"Yes, I do!" Chuck stepped forward.

"All right, I accept the challenge from all the new students, including you!" Hubert was not bothered. For him, it was only a matter of a single punch!

"Alright! Glad that you accept it! Let's get started!"

Chuck said.

"No problem, I'll allow you to make the first move!"

Chuck walked over as if he was unfazed!

He paced toward Hubert with an extreme calmness.

"Huh, I think, Hubert can defeat him with just one punch!"

"That goes without saying! The one who fought with Hubert just now was taken down with a single punch. I reckon that this guy who played foul wants to be knocked out by Hubert as well."

The freshmen had already predicted the result of the competition.

Obviously, Hubert would defeat Chuck with a single punch. He would get first place easily!

As for Chuck, he would be wiped out with a single punch and lose the competition!

Miss Scarlett was not in the mood to watch the competition. She was already ready to announce the result.

When faced with such a powerful opponent as Hubert, Chuck would not stand a chance.

Chuck closed in on Hubert, and the latter was just at arm's length now!

But he did not make a move!

Hubert smiled and said, "I don't know what you're trying to do, but it's very dangerous to come so close to me!"

Chuck mirrored his smile!

"Idiot, why isn't he taking any action?"

"Is he waiting for Hubert to make a move first? What's in his dumb*ss mind?"

The audience was in a state of chaos.

Hubert frowned and said, "Forget it. Don't waste my time. Goodbye!"

Was he trying to knock Chuck out with his fist?!

Bam!

Unexpectedly, Chuck did not dodge, nor did he move. Instead, he took in Hubert's punch!

"We're right, aren't we? He's knocked out by a single punch!"

"This is simply a waste of our time!"

However...

Chuck suddenly retreated!

To everyone's surprise, he did not look like he was in a miserable state, and there was no blood sputtering from his mouth.

He moved ten meters away, then he straightened his body and stood still!

Step by step, he began to walk toward Hubert!

The audience burst into an uproar!

"What? Shouldn't he have passed out after receiving a punch from Hubert? How can he still walk? Did I imagine that?"

"No, you're not. I did not expect his endurance to be this good. But, still, he is a foolish man. Why would he just allow Hubert to punch him like that? And now he is walking toward Hubert again to receive another punch? What is he, if not a fool!"

No one could read Chuck's intention!

After their initial surprise, they were brimming with contempt.

Miss Scarlett looked up and caught a glimpse of Chuck. She was slightly stunned. "The force of Hubert's punch weighs at least 500 pounds. How... how could that guy take it all in? What does he plan to do now?"

Miss Scarlett could not wrap her head around this.

"Gaige, what is he planning to do?" Liliana was anxious. She was utterly surprised to see Chuck still fine after the punch!

Other freshmen could certainly not be alright, for they would be completely knocked out after the punch!

However, Chuck had taken Hubert's punch without even trying to defend himself. Had Chuck lost his mind?!

"Who knows? I did not expect this kid to be quite strong. But it's a pity. If only by strength alone, it is impossible for him to defeat Hubert! After all, Hubert is still behaving rationally," Gaige said.

He could only ridicule Chuck's behavior.

"Oh, you can still stand after receiving my punch? Not bad!" Hubert shrugged his shoulders and gave Chuck a surprised look.

"I want to fight you fairly!" Chuck said in a calm voice.

"Oh, what do you mean?" Hubert narrowed his eyes!

"You fought a few people just now and depleted a bit of your strength. Now that I've received one of your punch, it means our strength is balanced. Therefore, when I win, it will be fair. Now we can officially commence our combat!" Chuck's eyes sparkled.

As it was not easy to meet a worthy opponent, Chuck decided he should show some respect to Hubert!

Chapter 821

"What did that sneaky dog of a man say? He wants to fight fairly? He has the nerve to say that! If he wanted to fight fairly, why did he creep up on an attack on the girl just now?"

"Yes! That's so shocking!"

The audience was abuzz with excitement!

Everyone thought very lowly of Chuck!

Chuck's words were like a joke to them, making them laugh with ridicule!

In their eyes, Chuck was like a clown!

"Oh my goodness, he is really stupid. He was punched by Hubert for nothing, and what did he say? He wants to fight fair?" Gaige derided him.

Liliana rolled her eyes!

Fairness?

Such fairness would allow Hubert to knock Chuck out in the next second!

"Oh, you want to fight fair?"

Miss Scarlett was stunned. She put down the announcement card in her hand, looked up and continued to watch the scene!

Hubert frowned and said, "Do I look like I need you to take this punch?"

Bam!

Hubert punched Chuck once again!

This was the power of Hubert's punch!

Chuck's gaze was still very determined!

He accepted the punch again!

Baam!

Like two bullets, the fists of the two men collided head-on!

Neither of them showed weakness!

Hubert's eyes narrowed, and he said, "I can't believe you're actually good in combat!"

Whoosh!

Hubert gave Chuck a ferocious smile before he lifted his leg to kick him!

Again and again, Chuck defended himself!

Such a moment was unexpected, and everyone was caught by surprise! Hubert had punched Chuck for at least seven times!

And Chuck was still standing?!

He had not yet lost?

"That's impossible! My eyes must be playing tricks on me! He has fought with Hubert and is still unscathed?"

"It's unbelievable! I thought Hubert would send him flying with just two punches. How many punches has Hubert thrown until now? Are they evenly matched?"

"Absolutely! I did not expect that there is an expert hidden among us freshmen!"

Ripples of commotion spread through the audience!

They fell into a state of bewilderment.

Hubert's fist was as hard as steel!

But... Chuck's fist was also as hard as steel!

As the two strong men battled, it was hard to tell who was winning!

Who would have expected this?

None amongst the crowd!

Chuck was able to hold on for such a long time. Whether it was during the first round of elimination, or during Hubert's one-on-three combat, Hubert's method of defeating his opponent remained the same!

Which was to knock them out with one single punch!

However, at this moment...

Not only was Chuck still alive and well, but he also confronted Hubert head-on!

"Tessa, did you see that? That Chuck turned out to be so powerful!"

Tessa had also witnessed that Chuck had not been knocked out with three of Hubert's punches. Gradually, she fell into shock!

How long could Chuck last?

This question was not only roaming in Tessa's mind, but also in many others!

"His attack, speed, and strength is on par with Hubert?!" Miss

Scarlett was completely bewildered!

BOOM!

Their punches collided like a bulldozer!

It was a fierce competition between Chuck and Hubert!

Hubert's expression began to turn sour. He had exhausted most of his strength, but to his dismay, Chuck was unaffected by it.

It was a situation he had never encountered before.

Hubert was considering what to do next...

Chuck had appeared out of nowhere and wanted to compete for the first place against him?!

But Huber was determined to win!

A flurry of thoughts began to play out in his mind. "No way! I can't let this guy appear out of nowhere and seize first place!"

"The championship belongs to me!"

"No one can take it away from me!"

Hubert's eyes were filled with madness!

Slap!

Hubert rushed over like a beast, using the speed that he was so proud of. If he took the initiative to attack first, no one could stand a chance to defend themselves, not even Chuck!

He raised his muscular leg and kicked Chuck with a strength that could even break a tree. Chuck would definitely suffer a grave injury!

It was a payback for the humiliation just now!

Yes, it was a humiliation for Hubert that he did not knock out his opponent within a minute!

He was going to make Chuck pay for the humiliation earlier!

Chuck narrowed his eyes!

Bang!

This kick sent Chuck rearing back seven meters away!

Hubert was ferocious. Fighting was his forte, and he had never met a rival who chose to fight bare-handed with him. It was a satisfying combat!

Hubert's ferocious smile reminded the audience that he was the champion.

It mattered not that Chuck took up the challenge, for he was merely his

defeated opponent!

"Finally! He has been holding out for such a long time, but I'm sure Chuck will not be able to get up after Hubert's determining kick now!"

"I second that. Ah! This is impossible. Chuck can still stand?"

The audience was in a turbulent state!

Whoosh!

Hubert lifted his leg and kicked Chuck again. His kick was still as quick and fierce as before, his power unrelenting!

"That's more like it!"

Chuck leapt to his feet, jumped, and appeared in front of Hubert at an incredible speed!

Hubert let out a sadistic smile. Chuck was so close to him, this was a chance to kick him to death!

It was a terrifying kick that could break his opponent's ribs!

However...

Chuck had managed to dodge the attack!

Hubert was furious, and attempted to kick Chuck again!

In the end, Chuck still managed to dodge!

Hubert sensed that something was off. This was his strongest attack, and no one had been worthy for him to use it before!

Now that he had used it, it was useless against Chuck!

Like a savage, Hubert thought, "This won't do! If it goes on like this, Chuck may gain the upper hand!"

If that was the case, then Chuck could defeat him!

He must never allow such a mortifying incident to befall him!

All of a sudden!

Hubert drew a sharp dagger from his waist!

It was a weapon that only mercenaries would use!

Swoosh!

The dagger stabbed onto Chuck's shoulder!

Chuck frowned, and a look of disappointment appeared on his face!

He and Hubert had fought in a fair and just manner, but Hubert launched a sneak attack on him?

"You're wearing such an outfit? But no matter, it's useless against me.

A soldier needs to have many strategies to defeat his opponent. Do you understand? Learn well from me!"

Bam!

Hubert's swift and fierce kick landed heavily on Chuck's chest!

Smash!

Chuck was sent flying eight meters away, landing on the ground once again!

He did not move at all!

And the entire place fell silent!

No one had expected that Hubert, who was so powerful, would execute a sneak attack on Chuck.

What?

The crowd was so shocked that their minds went blank!

Miss Scarlett frowned and said, "How could a student like Hubert do this?"

"Chuck was ambushed! And it was Hubert who did it!" Tessa muttered, unable to believe what she saw.

"Why would someone like Hubert sneak up on an attack?"

"Ah, Hubert launched a sneak attack! I did not see that coming! He could have continued to fight. I did not expect that!"

"That's right! We have misunderstood Chuck! With his ability, there is no need for him to launch an ambush during the selection just now!"

"Yeah! We made a mistake. It seems that Hubert is the sneaky one!"

"So what if it was a sneak attack? Chuck can't get up anyway. The champion of this year's freshmen competition is still Hubert!"

The audience was in excited discussion.

Tessa was stunned. "Indeed. With Chuck's ability, there is no need for him to use a sneak attack on me!"

Tessa suddenly remembered that Chuck had appeared out of nowhere in front of her, but he had not attacked her. On the contrary, he'd waited for her to attack first before he made the move...

Furthermore, Tessa now looked at Chuck as he fought eagerly. The familiar feeling in her heart emerged again!

The audience felt sorry for Chuck for the first time, but it was useless. Hubert's stab and kick were so strong that Chuck had been sent flying, and now he could not get up.

There was no doubt that Hubert was the winner of this freshman contest!

Chapter 822

When everyone was pitying Chuck, Hubert remained unmoved. He smiled and kept his dagger away!

He did not even bother to throw a glance in Chuck's direction!

But what was the point of looking at Chuck?

That kick was the strongest attack from Hubert, hence he was confident that Chuck's ribs would be all snapped!

So, Chuck was probably gravely injured, and would never stand up again!

"Is there anyone else who still wants to challenge me?" Hubert asked proudly.

No one answered!

Hubert smiled and said, "Miss Scarlett, please announce it!"

Miss Scarlett frowned. "Sure! The first place of this year's freshman competition is Hu..."

Hubert was really relieved now!

Of course no one else could threaten his position as the winner of the competition!

"Look inside the ruins, something is moving!"

Someone suddenly screamed!

The shout was loud and clear, as though he had seen something incredible!

Everyone's turned their eyes to look at the ruins!

From the ruins, they saw...

A person standing up from the ground!

Like a majestic statue!

"He was kicked so badly by Hubert, and he could still stand up?"

"It's incredible!"

All of a sudden, the audience lapsed into a shock!

"Is he all right?"

While Tessa was shocked, the other girls also fell into a state of horror!

Although Chuck was the object of Hubert's mighty kick, these girls

were extremely shocked by that extraordinary strength! But alas, after Hubert's kick, Chuck could still stand up?

"Could... could it be that... Chuck was the person who had saved me?" Tessa thought about it again.

Chuck was so powerful that he could fight Hubert head-on, and he could even get up after being kicked by Hubert. This clearly displayed Chuck's strength!

"Did he risk his life to lure that bear away?"

"Why would he do this?"

"Does he like me?"

Tessa's mind was in a mess...

"Geez, we've told you it's not Chuck. However, I'm now looking at Chuck in a different light!"

The girls continued to deny that possibility...

"This freshman is quite remarkable. He is able to stand up again!"

Miss Scarlett was shocked again.

"We were fighting justly and fairly, still you attacked me in a furtive manner? Well, I was wrong! I should not have considered you as my opponent!" Chuck said as he came out of the ruins.

He wiped away the blood from the corner of his mouth!

This blood was proof of Hubert's sneak attack just now!

Hubert widened his eyes, a sense of shocking horror overwhelming him.

"How could you still stand up?" Hubert was greatly aware of how powerful his kick was!

Even a giant tree could be smashed by his kick, but Chuck managed to withstand it?

"You will see more from me!"

Chuck advanced towards Hubert... Step by step!

With a formidable aura!

Hubert then sneered, "So what if you can still stand up? I've seriously injured you with that kick just now. Now you're just pretending to be tough. Well, if you want to die, why don't I fulfill your wish!"

Whoosh!

Hubert delivered a punch at Chuck!

It was at an incredible speed!

The audience was brimming with fear!

It was giddy fast! Hubert was genuinely serious now!

Would Chuck, who was seriously injured, be able to bear it?

He might not!

"Alas, I did not expect that Chuck would be ambushed sneakily by Hubert!"

"It's useless even though he can stand up. Chuck will not be able to take in Hubert's punch any longer!"

All the freshmen were underestimating Chuck!

It would be in vain even though he could stand up!

It would be to his advantage if he had continued lying on the ground, for he would not sustain any more serious injuries!

However!!

Slap!

A wide palm was thrown at Hubert at an incredible angle, avoiding his fist!

Hubert gaped. He felt that his head was so heavy that he almost toppled to the ground.

Spurt!

Hubert spat out a mouthful of blood and his face went numb!

He was extremely taken aback. How could he receive a slap?

And defeated in a second?

It was out of the question. How could Chuck be stronger than him? He was the strongest freshman here!

"Your speed and strength are quite all right, but I have seen through your moves. When you fight with ordinary people, you can send them flying with a single punch, knocking them out instantly, but there are too many flaws. Which is why when you face me... your attacks are useless!"

Chuck spoke without any expression on his face. He ambled to Hubert's side, seemingly very indifferent!

Hubert seemed to catch sight of Chuck's illusion walking toward him, which was unbelievable!

"Ahh!"

Hubert roared in anger. He was the champion! So, how could he be defeated? And how could he get slapped by Chuck?

It was impossible!

Hubert threw a punch on Chuck with a terrifying and fatal power!

Hubert wanted Chuck to pay the price. How dare he slap him in the face?!

Boom!

Chuck raised his fist and the two punches collided!

Hubert was in excruciating pain. He felt as though his fist had hit a steel plate!

Still, Chuck's face was expressionless, as if he was a statue, carved from marble!

Hubert was completely stunned.

He knew that his fist could easily smash a rock, but Chuck had blocked the punch so easily... How was it possible?

In an instant, everything was overturned by this punch!

All members of the audience were shocked!

It was unbelievable!

Chuck rose to his feet. Not only was he undefeated by Hubert's punch, but he also managed to slap Hubert back! He was on par with Hubert!

Was this an illusion?

No one knew!

It was just a scene too shocking to behold!

"You don't deserve to be my opponent!"

Chuck walked over to Hubert. But Hubert gritted his teeth, and rushed over at Chuck like a gust of wind. He exclaimed, "Go to hell!"

Hubert waved his fists and launched them at Chuck without any warning!

The terrifying scene was enough to shock countless people. This was his ultimate move by launching 5 punches per second! He was going to erase the humiliation he had just suffered!

Slap!

All of a sudden, Chuck raised his hand!

The sound of flesh being slammed could be heard...

Hubert's head was in extreme pain, and he staggered to a side. He

threw up a mouthful of blood, and his ferocious face was now filled with horror!

"What's... wrong with me?!"

Slap!

Chuck lifted his massive hand and slammed it at Hubert again!

Hubert fell to the ground with a groan, and blood spurted from his mouth again.

"Get up!" Chuck said coldly.

Instinctively, Hubert got up, but he was still shocked. "How is this possible?"

"You're infuriating me!"

Chuck swung his large hand again, and another slap landed on Hubert's face!

Slap!

Hubert let out a shout, fell to the ground, and groaned in agony!

He felt dizzy and could not get up at all!

Chuck walked over to him...

Hubert was frightened as he shouted, "Stop it. I admit defeat!"

Yes, Chuck's terrifying strength had shocked him. If Hubert continued to fight like this, he would suffer serious injuries!

"What did Hubert say? He admitted defeat?"

"Holy cow! Hubert is scared of Chuck?"

Once again, gasps of surprise could be heard!

Hubert had been the number one just now, but now he had lost his dignity and was begging for mercy, admitting defeat!

This was all because of Chuck!

"Do you think by admitting defeat, you can make up for the sneak attack you made on me just now? It's not that easy!" Chuck moved!

He kicked Hubert with his foot!

Hubert tried to stand up...

And tried to dodge...

However, it was too late!

Slam!

Hubert flew 10 meters away and landed in the ruins!

One second passed, then two seconds passed... Then, 10 seconds passed...

One minute later...

Hubert did not get up, nor did he move!

Only then did all the freshmen realise that Hubert had lost, and Chuck... had won!
