

Chapter 2801

Jack was pleased with what he saw and yelled, "Come and get me, Zhang Jue. Quick!"

Then, Jack did not forget to shout across at Darryl, Sect Master Darby, if you can catch this group of people today, that will be your first credit."

Although Darryl seemed okay, Jack could tell his condition was not looking good. That is why Jack did not bother to seize Darryl immediately and instead, focused his attention on Zhang Jue and his people. He would deal with Darryl later.

Everyone behind Jack charged directly at Zhang Jue.

Among them, the Zaine brothers-Woody and Feud- went without hesitation toward Zhang Jue at the same time. They believed that Zhang Jue, like Darryl, was not only powerful but also cunning. They would be able to control the situation better as long as they caught Zhang Jue.

Zhang Jue sneered when he saw the approaching Zaine brothers as his eyes flashed with anger and cold arrogance. " Do you think you two can handle me?"

Buzz!

A terrifying breath came out from Zhang Jue, which stagnated the air in a short time.

The aura of a Level of Godly Realm cultivator was truly petrifying! Crack!

Accompanied by a crisp sound, Zhang Jue gripped the Sky Breaking Axe

tightly. All of a sudden,
the temperature of the
surrounding air
increased!

Many people who were
following the battle
below were excited!
They thought Zhang Jue
would be able to reverse
the situation once he
used the Sky Breaking
Axe.

The Zaine brothers
expression changed due to
shock. When Woody
calmed down, he
shouted, " Brother, use
the Double Kill
Formation!"

The two brothers quickly
separated in mid-air and
attacked Zhang Jue from
the left and right,
forming a forward and
backward flanking force.

This ... What is this
formation? ' Darryl, who
was thinking about a
solution down below, was
shocked when he saw the
figures of the two Zaine
brothers.

He clearly saw that even
though there were only
two of them brothers, the
formation technique they
used was extremely
mysterious, and they
were permeating a more
potent evil spirit than
before.

What shocked Darryl
even more was that there
was no record of such a
formation in the Bai Qi
Formations.

At that instance, Darryl
did not know that what
the Zaine brothers
displayed was the Demon
Double Kill Formation
imparted by King of the
Dead to them. It was
founded by King of the
Dead himself. For
thousands of years, it had

never appeared in The Nine Continent. Besides Darryl even the reincarnated Emperor Hou or Yang Jian would not be able to figure the technique out Zhang Jue was frightened the formation before him seemed to be displayed by only two people, but it was strange and mysterious. However, the appalled Zhang Jue did not panic He constantly waved the Sky Breaking Axe around and tried to break through the pressure. For a time, Zhang Jue was suppressed, but he was brave. The two Zaine brothers gave their best, yet they failed to subdue Zhang Jue. Jack's face, which was indifferent, suddenly became serious after watching the violent fight.

" Zhang Jue, stop struggling!" Jack roared, clutching a beheading saber as he soared into the sky and fought Zhang Jue alongside the Zaine brothers.

For a moment, the four figures constantly shuttled in mid-air. A terrifying breath of aura shocked the world, causing the onlookers below to shake.

Chapter 2802

Countless thoughts were going through Darryl's mind as he stared at the battle in mid-air.

Jack's group made a strange appearance and their strength had also improved tremendously since the last time Darryl had seen them. It was simply unbelievable. No matter what their

purpose was, Darryl knew that they would not spare anyone who fell into their hands. He had to do something

But Zhang Jue is not a good person either. He has been trying to kill me, so why would he help me?' he wondered. If Zhang Jue refused to help Darryl, it would be too late once Jack gains complete control of the situation

Darryl was flustered because he felt his internal energy in his energy field was showing signs of disorder under the strong poisonous attack. Soon, he would lose the ability to hold on ' F * ck, what the hell is this poison? Why is it so powerful? ' Darryl wondered.

He was supposed to be immune to many types of poison. He had no idea the highly poisonous Devil's Tear was not from The Nine Continents but from the Ghost World. Suddenly, Darryl's gaze landed on Chang Er, who was at the entrance of the Infinite Hall

Chang Er stood there quietly, looking charming as usual. Her beautiful face was calm as if everything that was going on had nothing to do with her. On top of that, Darryl felt that everyone present was tormented by the poison except Chang Er.

' What happened? Was Chang Er not poisoned?' he wondered curiously as he approached Chang Er. Darryl knew that Chang Er's mind was being controlled by Zhang Jue, but as long as he could find a way to cure Chang Er's poison, he might be able to reverse the situation. Darryl did not know that Chang Er, who was

known as the Earthly Fairy, had more than her impeccable appearance. She also had a Mystical Wind and Cloud physique, which made her immune to 10,000 poisons, including the Devil's Tear from the King of the Dead. Soon, when he arrived next to Chang Er, he said, " Empress, do you remember me?"

However, Chang Er had no reaction and it was as if she had not heard Darryl at all; she did not even look at him. Chang Er naturally only obeyed Zhang Jue's commands. Darryl was anxious. All of a sudden, Zhang Jue, who was fighting in mid-air, saw what was changed and he shouted without hesitation, " Kill him!"

Upon the command Chang Er immediately locked her gaze on Darryl. Crack!

Suddenly, a sword appeared in Chang Er's hand along with a sharp sound. The surface of the sword was dazzling like the stars and moon; the blade was three feet and one inch long

It was Chang Er's personal weapon, the Star and Moon Sword! As soon as the sword was drawn, it gathered the spiritual energy of heaven and earth within the entire secret chamber! Damn it! It's the Star and Moon Sword! ' Darryl was startled when he felt Chang Er's aura and the terrifying power of her sword.

Chuck!

Then, Darryl quickly summoned the Heavenly Halberd and laid it across his chest to block Chang Er's blow!

Clang!

A loud noise was produced when the Star and Moon Sword and the Heavenly Halberd violently collided. Darryl was volleyed back several steps and he coughed out a mouthful of blood! Although Darryl's strength had reached the late stage of the Heaven Ascension level at that point in time, Chang Er who had been practicing in the Holy Saint Sect for the last three years, was not what she used to be. Also, the poison in Darryl's body was not helping him and he was quickly reduced to a weak opponent against Change Er.

Buzz!

Chang Er slowly raised her hand and a powerful wave of internal energy billowed out around the surrounding air.

" Star and Moon Transpose!" she said coldly as her eyes flashed with a murderous glint. She did not have the slightest shift in her emotions. After being put under Zhang Jue's control, Chang Er lost the ability to think. All she knew was that her master wanted her to kill the person right in front of her and she would do her best to complete the mission. The Star and Moon Transpose was one of Chang Er's secret techniques and it was infinitely powerful.

Chapter 2803

All of a sudden, the air suddenly split in front of Chang Er! Stars and moon-like sharp blades appeared around her!

Those extremely sharp
blades were all
transformed using her
internal energy
" Die!" Chang Er shouted
coldly.

Whoosh! Whoosh!
Countless sharp blades
pierced the air as fast as
lightning and arrived in
front of Darryl in the
blink of an eye!
Damn it! Chang Er's
secret technique so damn
powerful? ' Darryl
panicked and hastily
urged his internal energy
to form a protective
shield in front of him
Clang! Clang!

The next second, the
sharp blades hit the
protective shield,
producing clanging
sounds. Immediately
afterward, Darryl
groaned and was sent
flying to the front of the
Infinite Hall, smashing
into a pillar before he
finally landed with a loud
thud on the ground
Although the sharp blade
did not break the
protective shield, it was
too powerful, and the
shock injured Darryl.
Whoosh!

Chang Er was
expressionless as she
held the Star and Moon
Sword tightly and
charged forward.

Darryl struggled to stand
up, wiped the blood from
the corners of his mouth.
He tilted his head when he spotted a hidden door
behind the throne in the
Infinite Hall. He went
forth without further ado,
To be honest, Darryl did
not want to run away in
such an embarrassing
way, but he had no other
choice. He was affected by the poison and he could
not beat Chang Er.
Darryl disappeared

through the hidden door in the blink of an eye, and Chang Er went after him without hesitation.

After entering the hidden door, Darryl was stunned when he saw the scene inside.

There was a long, secret passage that was leading all the way to the mountain at the back of the Royal City. When the palace was built, the passage was intended as a way to escape from possible accidents

The next second, Darryl recovered from his shock.

He dived into the depths of the secret passage when he noticed that Chang Er was close behind him

After running a few steps he saw a dark shadow in front of him. Darryl could not dodge away fast enough and slammed into the shadow, falling embarrassingly

The dark shadow was also hit hard and fell to the ground cursing, " Ouch, shit! Are you blind?"

Then, he looked toward Darryl.

Darryl raised his eyes and looked at the other party.

' Um? Zhu Bajie?' He was surprised and delighted to see a familiar face.

The man in front of him was Zhu Bajie but without the usual suave appearance. Instead, Zhu Bajie looked rather ragged, dirty and horrible.

Zhu Bajie was also taken aback as he laughed. "F*ck! It's you, Brother Darryl!"

" Brother Zhu, what are you doing here?" Darryl asked curiously.

Zhu Bajie scratched his head awkwardly. " Don't even bring that up! It's the bastard, Zhang Jue ..."
After he was caught by Zhang Jue, Zhu Bajie was

detained until the Supreme Conference was about to begin. Then, he was transferred to the prison in North Moana Palace.

Half an hour ago, Zhu Bajie escaped quietly without being noticed. He was confined in the North Moana Palace for thousands of years so he was very familiar with the palace. He quickly found the secret passage. It did not take long before he went into the secret passage and bumped into Darryl!

Rustle.

While the two men talked, they heard the sounds of footsteps coming from behind Darryl and then a slender figure appeared in their line of sight. It was Chang Er, who was chasing after him.

" Huh? Chang Er?" Zhu Bajie's body went stiff and became captivated right away.

Chang Er also saw Zhu Bajie, but there was not the slightest fluctuation of emotion on her face and she quickly locked her gaze on Darryl! It was over for Darryl. Chang Er caught up to him so quickly!

Chapter 2804

Darryl was very anxious and was about to warn Zhu Bajie to be extra vigilant as well.

" Empress Chang Er!" However, before Darryl could speak, Zhu Bajie was already on his feet and was walking closer to Chang Er.

" Empress Chang Er, it's been so long since we last met and you are still so charming," Zhu Bajie said, smiling. Zhu Bajie was checking out Chang Er, completely enjoying the moment! He also noticed something was wrong with her, but he was lustful and just had to flirt with Chang Er when he saw her beautiful face.

Darryl was sweating profusely for Zhu Bajie and at the same time, he was feeling helpless. Zhu Bajie really dared to flirt with Chang Er at such a dangerous moment.

However, Chang Er's pretty face maintained its grave expression and she stabbed her sword at Darryl without hesitation, Chang Er moved fast. In a flash of light, the sword arrived in front of Darryl.

Zhu Bajie was shocked at the sight of the swift action. ' What's going on? Doesn't Darryl and Chang Er have a good relationship? Back then, Darryl helped Chang Er avoid Yang Jian's pursuit, and later on, he escorted her to the Holy Saint Sect. Why is she treating him like an enemy? She attacked him without any qualms!

Darryl was also terribly shocked and quickly retreated backward.

The Star and Moon Sword made a hole in Darryl's shoulder even though he responded very quickly to the attack. Blood was dripping from his injured shoulder.

Zhu Bajie yelled, " Brother Darryl, what's going on? I heard before that you

went to the Holy Saint
Sect to take Chang Er
away forcibly and that
you sullied her. Is it true?"
Although Zhang Jue
imprisoned him during
that period of time, he
managed to get a lot of
news from the prison
guards with his crafty
mind
Zhu Bajie thought that
Darryl must have sullied
Chang Er and that
explained Chang Er's
violent behavior
Darryl's face flushed in
embarrassment
Then, he asked
helplessly, " Brother Zhu,
do you believe in gossip?
That was Zhang Jue
deliberately slandering me ... "
Darryl explained the
situation to Zhu Bajie
while trying to avoid
Chang Er's incessant
attacks. However, the
secret passage was too
narrow and there was not
much room to move
around at all. At the same
time, he felt that the
poison he had inhaled
was spreading fast in his
body, and he was about to
crumble due to his
deteriorating physical
ability
Under such
circumstances, Darryl
became slower and
slower. He began to
fumble when faced with
Chang Er's attack.
Zhu Bajie scratched his
head and smiled
embarrassingly. " I
misunderstood you. I
knew that you weren't
that kind of person. But
why would Chang Er kill
you?"

" Zhang Jue is controlling
her!" Darryl replied
quickly.

' What?' Zhu Bajie was

shocked to hear that.
After carefully observing
Chang Er, he found that
there was indeed
something very wrong
with her. Her pretty face
was cold and there was no
sign of emotion.
In shock, Zhu Bajie was
about to step forward to
Scanned by TapScanner
stop Chang Wx, but his
internal energy was still
recovering from being
detained for too long, He
was unable to get near to
her, who was in full force
and wielding the Star and
Moon Sword
Zhu Bajie was extremely
anxious when he saw that
Darryl was becoming
more and more
miserable, he was about to die under Chang Er's
sword

The next second, Zhu
Bajie thought of an idea
" Who in The Nine
Continent knows the
situation of the world? All
good and evil aside, you'll
be missed dearly," he
shouted.

Zhu Bajie's heart was
pounding hard when he
said that. He kept his
gaze on Chang Er's face,
not wanting to miss any
change of expression
At the same time, Zhu
Bajie was also praying
At the same time, Zhu
Bajie was also praying
hard in his heart for his
idea to work.

Chapter 2805

The poem startled Chang
Er and she stood rooted
to the spot all of a sudden
with a puzzled look on
her beautiful face. Then,
she frowned as if she
remembered something.
Darryl was stupefied.
What's going on? Why

did Chang Er stop moving
after Zhu Bajie recited a
poem?

He had no idea that Zhu
Bajie was reading a poem
written by Emperor Hou Yi for Chang Er. When Hou
Yi first became the
emperor, he felt inspired
one day and made a poem
for Chang Er to confess
his love for her before the
civil and military
officials, Zhu Bajie had
been there at the time.
Although the lustful Zhu
Bajie had always coveted
Chang Er's stunning
beauty, he knew that
Chang Er had a deep
affection for Emperor
Hou Yi. Even if she was
under control, Emperor
Hou Yi's poems would
strike a chord in her heart
and awaken her true
inner feelings.
Zhang Jue performed the
Soul Extraction
Technique on Chang Er
and although she
managed to recall her
memory, she had not yet
fully awakened from the
spell.

A few seconds later
Chang Er's beautiful body
began to shiver suddenly
and she looked like she
was in a lot of pain
When Zhu Bajie spotted
the moment and yelled,
Quickly it's time! Brother
Darryl, subdue her!
Darryl looked awkward. "
how do I subdue her?"
Zhang Jue was
controlling Chang Er
Darryl had no clue what
method Zhang Jue was
he do if he tried to seal
her acupoints and end up
exacerbating Chang Er's
condition
However, as Chang Er's
shivering worsened,
Darryl impulsively rushed
over to her side, gritted

his teeth and hugged
Chang Er in his arms.
Gasp!
Darryl felt a pleasant
aroma reach his nostrils; it was so fragrant!
"Who told you to hug her?" Zhu Bajie stomped his
feet anxiously.
Chang Er was the perfect
goddess of his dreams, so
how could Zhua Bajie be
able to stand seeing
Darryl hugging her?
Darryl was very helpless,
I haven't figured out her
condition yet. There's no
other way than holding
her tight now. "
" Let me see ..." Zhu Bajie
muttered and walked across.

Zhu Bajie frowned when he saw Chang Er's face up
close. " Oh f * ck, this
seems to be a vicious way
of controlling someone!"
Zhang Jue's Soul
Extraction Technique had
never been exposed to the
world before, so Zhu Bajie
could not figure out what
technique was used on
Chang Er. Then again, it
was not difficult for him to realize that Chang Er's
mind was completely
under control.

Is there a solution
sweating profusely as he
held Chang
As soon as he finished
Speaking Damil sensei a
murderous intent in his
arms. He tilted his head
to look and met Chang
" Oh, Empress. Are you
awake?" Darryl was very
pleased and at the same
time, he let go of his hand

Slap!

Chang Er raised her hand
and slapped Darryl
straight across the face,
" Darryl, you..you are so
bold!" Chang Er yelled in
anger as her beautiful
face flushed
At the same time, she

also glanced at Zhu Bajie,
who was very puzzled.
How could she, the
Earthly Fairy, be held in
Darryl's arms?
Wh- why is Zhu Bajie
here too? ' she wondered.

Chang Er was sobering up, but she could not
remember what had
happened before. She
only remembered
catching the fake Darryl,
meeting Zhang Jue and
then, nothing else.
Darryl covered his face
helplessly. What the hell is going on? I was forced to hug Chang Er, but
I was
slapped in the face.
Darryl smiled bitterly and
explained, " Empress, you
were under Zhang Jue's
control and you were
chasing me down with
your sword just now. I
would have been stabbed
to death by you had I not
hugged you tight. "
With that, Darryl could
not help but ask, " What
did Zhang Jue do to you?"

Chapter 2806

Darryl was eager to find
out about the situation.
Darryl was eager to figure
out what was going on. If
he found out what spell
Zhang Jue used on Chang Er.

Zhang Jue?' Chang Er's
eyebrows furrowed
suddenly becoming
confused.
Chang Er was in a master
servant relationship with
Zhang Jue ever since he
performed the Soul
Extraction Technique on
her. In that context,
Chang Er became
flustered again when
Zhang Jue's name was
mentioned. At the same
time, the power of the
Soul Extraction
Technique recurred.

Buzz

Soon, Chang Er let out a pained moan and trembled as her gaze turned cold and hollow once again.

Darryl was startled and furious at the same time.

What the heck did Zhang Jue use on Chang Er? It's so evil that his name can't be mentioned in front of her! The mention of Zhang Jue's name makes her lose her mind again.

Bang!

Zhu Bajie frowned as he dashed forward and raised his hand to seal Chang Er's acupoints. Chang Er convulsed before her eyes shut and she fainted.

Darryl was stunned and said in horror, " Brother Zhu! Aren't you afraid something will happen to her if you tap her acupoints--"

Zhu Ba je interrupted before Darryl could finish his sentence. " Brother Darryl, her mind is being controlled, sealing her acupoints will not cause any harm to her life He closely observed Chang Er and said solemnly, " If you want Chang Er to be completely fine, you'll have to go to Divine Farmer

Divine Farmer? ' Darryl smiled bitterly
smiled bitterly.
After the end of the war between The Nine Continent and the Raksasa Tribe three years ago, Divine Farmer and Zhurong left the Carter family to find a place to retire from worldly

matters and no one knew
where they were
Darryl mumbled
helplessly, " Who knows
where Divine Farmer is
II
now ...
" Mount Buzhou!

Although Yang Jian
destroyed the place
where Divine Farmer
lived in seclusion, I
believe that he would
return to Mount Buzhou if he were to look for a
new home, " Zhu Bajie
said without another
thought
Darryl nodded, but then he recalled something and
said bitterly, " Mount
Buzhou is huge. I'm
afraid it will be difficult to find Divine Farmer. "

With that, Darryl made a
decision and said to Zhu
Bajie, " Brother Zhu, why
don't you take Chang Er
o Divine Farmer? I can't
leave here for the time
being."

Then, he glanced in the
direction he came. He
wondered how things
were going in the Infinite
Hall.

Although Darryl did not
care much for Zhang Jue,
he was worried for Quincy, Parker and the others who were trapped. He
could not watch them fall into Jack's hands.

" Okay!" Zhu Bajie nodded
in agreement

He did not know what
was going on out there,
but he knew Darryl must
have had his reasons to
stay

The next second, Zhu
Bajie wasted no time and
picked up Chang Er and
Scanned by TapScanner
walked toward the end of
the secret passage

Darryl took a deep breath
as he watched Zhu Bajie
walking away. Then, he
sat cross-legged on the
ground to begin getting
rid of the poison in his

body

At the same time, a fierce battle was taking place in the Infinite Hall

Jack, the Zaine brothers and hundreds of Jack's followers surrounded Zhang Jue in mid-air as their aura distorted the sky above them.

Zhang Jue began to look really weak, but he maintained a proud front.

Roar!

Zhang Jue wielded the Sky Breaking Axe that produced the roaring sounds of a dragon. A streak of golden light with amazing power tore through the sky!

However, he was shocked to find that many of Jack's followers who the Sky Breaking Axe cut did not shed a drop of blood. It was a very strange phenomenon

Zhang Jue still had no idea that the people who pledged allegiance to the King of the Dead were no longer humans.

Buzz!

Chapter 2807

Jack raised his hand and worked together with Scanned by TapScanner Woody and the others to condense a terrifying force, forming a black tornado that spun toward Zhang Jue!

Zhang Jue was nearly exhausted at that point; he dared not put on a fight and merely resorted to using his Sky Breaking Axe to resist the blow!

Boom!

There was a thunderous noise as Zhang Jue

groaned while being
thrown over a hundred
feet back in the air. He
looked extremely pale.

Jack was pleased by the
sight of Zhang Jue
suffering from the blow. He threw his head back and
laughed, seemingly very
proud of his work. Then, he took out a green paper
with fulu incantations
and threw it at him!

Fizz!

The paper flew and turned into a green streak
of flame that burned a
mark on Zhang Jue's
back! Zhang Jue sucked in
a sharp breath due to the
shooting pain. He was
enraged. He held onto the
Sky Breaking Axe and
swung it around a few
times.

Buzz!

Those few movements
almost drained his
internal energy, and its
terrifying power scared
Jack and his followers
They quickly evaded it.

Taking advantage of the
opportunity, Zhang Jue
did not hesitate to flee. He rushed out of the palace
and ran into the distance.

In a blink of an eye, he
had disappeared from
everyone's sight.

Zhang Jue was not stupid.
He knew death was
waiting for him if he
continued fighting
Staying alive was the
most important thing to
him.

Jack turned gloomy when
he saw Zhang Jue had
managed to get away.

"Chase after him!"

Woody roared.

He was about to chase
after Zhang Jue, but Jack
stopped him.

There's no need to chase

after him. I put a Blood Spirit Stamp on him earlier; he won't be able to get away from us no matter how far he runs! Jack said coldly with a confident, wicked smile.

The next second, Jack looked at everyone. "Quick! Tie all these people up!" Upon his command, his followers stepped forward and tied everyone up. Jack looked around and suddenly realized that Darryl and Chang Er were nowhere to be found. Search for them! Search around carefully! " Jack yelled, furious.

Darryl was more of a threat compared to Zhang Jue. Moreover, Chang Er was also missing and that was no small matter.

" Yes!" his followers responded and proceeded to search the palace thoroughly. After a long search, they could not find a trace of Darryl or Chang Er anywhere, which annoyed Jack.

Time was running out and Jack had to go back to the King of the Dead. He waved his hand, " Take these people away first!" After that, he led his followers and escorted Quincy and people from the major sects away from the palace. Meanwhile, at the residence of the Raksasa Tribe, Natalie was sitting on her throne in the hall with her eyebrows furrowed

Below her throne, the Twelve Gods, as well as

many other warriors
were silent.

A day ago, Jack and his
followers betrayed the
Raksasa Tribe, Natalie
immediately sent
someone to report it to
The Nine Continent, but
she had not heard any
news since then, which
Irritated her.

A warrior walked in
quickly from the outside
with a conflicted
expression

" Your Majesty, there is a
woman from The Nine
Continent who asks to see
the Queen. She claims to be
Darryl's younger sister!
" he said.

" Please, let her in! "
Natalie quickly replied as
her eyes flashed
The warrior hurried out,
and soon, a slim figure
stepped into the hall. It
was Sara!

A few days ago, Sara and
Darryl went to the Holy
Saint Sect together
Darryl asked her to wait
for him at the foot of the
mountain and Sara ended
up waiting for most of the
day with no sign of Darryl
returning. She heard
sounds of a battle coming
from the mountain gate of the Holy Saint Sect and
then, the entire Holy
Saint Sect Mountain Gate
was put under strict
guard and restrictions.

Sara's limited strength
did not allow her to force
her way up the mountain,
so she went off to inquire
about the news secretly. As a result, she heard that
Darryl had snatched
Chang Er and set off to
the North Moana Palacet
o kick up a fuss.
Although she was
Darryl's godsister, she
knew Darryl very well; He
was not someone who

would commit such
ridiculous acts.

However, Darryl
disappeared and Sarawias
not able to find him. Even
worse, The Nine
Continent had
condemned Darryl and
the Elysium Gate Sect he
founded in desperation
Sara went to the Raksasa
Tribe to ask for help.

Chapter 2808

" So, it turned out to be
Miss Carter" Natalie
smiled faintly when she
saw Sara, " Why did you
suddenly make a trip to
the Raksasa Tribe? "
Sara bit her lips
anxiously." Your Majesty,
I ... My eldest brother was
framed and I'm here to
ask for help! "
Then she explained in
detail what happened the
past few days.
Upon learning of the
events, Natalie was
shocked and sprang to
her feet. Her beautiful
face looked horrified and
furious." Zhang Jue wants
to dominate The Nine
Continent and frame
Darryl? "
Sara nodded; she
resented what Zhang Jue
had done.
Natalie pondered for a
moment and then looked
around." Dear warriors, it
is all thanks to Darryl
that the Raksasa Tribe
has what we do today.
Now that he is in trouble,
we can't just ignore it.
Send the troops
immediately to The Nine
Continent and annihilate
the Endless Sky
Organization! "

Everyone in the hall
looked at each other

awkwardly

The next second, one of the Twelve Gods stepped out and reported, "Your Majesty, Zhang Jue framing Darryl is a matter for The Nine Continent. Isn't it strange for us to intervene in what's happening there? I'm afraid that it's going to be difficult to explain our actions. Moreover, we are still recovering from our fight with Jack! " Natalie stared at him with a cold look. "What? How dare you disobey my orders? "

Natalie took a deep breath and said coldly, "Do you think I don't know what you just said? Let's not forget that Darryl is a friend of the Raksasa Tribe. To help him is to help ourselves. Zhang Jue is ambitious and once he gains control over the Nine Continent, his next target will be us. " As the Raksasa Queen, Natalie had grown more and more mature in recent years. However, little did she know that Zhang Jue had been chased away from the North Moana Palace. Cold sweat was beading on that particular member of the Twelve Gods and he quickly replied servilely, "Yes ... I will summon all the warriors at once! "

Then, he walked out of the hall quickly.

...

Meanwhile, Darryl was sat cross-legged in the secret passage at the North Moana Palace. He was quietly cultivating and recovering.

The passage was well hidden, so it was difficult for an ordinary person to find it. Jack's followers

searched the palace high and low and they did not find it Darryl recovered quickly when he was able to cultivate in peace with no interruptions.

After some time, Darryl slowly opened his eyes, He felt the poison had been completely expelled from his body and his internal energy was also restored, However, Darryl did not feel the slightest bit excited. Instead, he was furious

'Damn you, Jack! What kind of poison did he use that has such a powerful impact even on my body that is immune to almost all kinds of poison? No way, I better go check out what's going on now!' he thought and returned to where he came from using the same way through the secret passage. Soon after returning to the Infinite Hall, Darryl frowned. He was very annoyed when he saw the scene in front of him!

Blood stained the square outside the Infinite Hall; it was a mess, but there was no one in sight!

The battle was over. Jack and his people had gone and taken Quincy and the others from all the major sects!

Darryl took a deep breath and frowned. 'What the hell is Jack doing arresting people from the major sects in The Nine Continent? Does the Raksasa Tribe still want to conquer The Nine Continent?

Whoosh!

Just as Darryl was ruminating about the situation, a murderous aura burst out from behind the pillar and then, a figure quickly charged at Darryl. 'There's someone here?' Darryl reacted quickly. He looked around and was stunned.
