

Chapter 2916

The Sect Master's palm slammed into Darryl's palm violently; her body convulsed, and she retreated a few steps backward.

The Sun Set Sect's Sect Master was weaker than Jackie, so she was not Darryl's match!

Then, before the Sect Master could react, Darryl cracked a smile and leaned forward. He raised his hand and quickly jabbed her acupoints; the Sect Master immediately froze.

Oh...

The Sect Master trembled in shock.

It looked like Darryl's strength had improved by folds since she last saw him three years ago; she could not defeat him!

Jackie was equally shocked!

Then, Darryl sneered and summoned the Heavenly Halberd to fight against Jackie!

Clang!

Jackie's longsword smashed onto the Heavenly Halberd and produced a deafening noise.

The impact struck her, and she almost lost her grip on her longsword.

'Darryl has gotten stronger. How can that be?'

Jackie was annoyed and shocked. She thought she could suppress Darryl by joining forces with her younger sister, but she did not expect Darryl to subdue her sister with only one move; even she was in grave danger.

Just as Jackie was deeply shocked, Darryl flipped his wrist and slammed into her!

The palm attack was too fast for Jackie to

dodge; she could only channel her internal energy to her palm to greet the attack.

Boom!

The two palms collided and produced a dull vibration. Jackie retreated several steps backward; her face had darkened!

Since he had taken the Ancient Goddess Nuwa's Chaotic Yin Yang Beads, Darryl's internal energy had become more robust and vigorous. Of course, Jackie would never be able to parry his palm attack!

"You—"

Jackie felt her chest tightened. She stabilized her form and looked at Darryl in shock and anger; she was completely perplexed!

'What? How is that possible!'

She could still fight Darryl for more than a dozen rounds a month ago. Darryl's

strength must have improved after that!

Jackie's expression amused Darryl. "So, are you convinced yet!"

He approached Jackie and jabbed her acupoints twice.

Jackie trembled; then, she could not move.

"Sister!"

The Sect Master was appalled. She shrieked and glared at Darryl at the same time.

She was terribly shocked. Even though she and Jackie were not biological sisters, they had grown up together; she knew Jackie's strength and capabilities. Only a handful of people within the Nine Mainland could defeat her, but she was so vulnerable before Darryl.

"Darryl, you b*stard!" The Sect Master bit her lips and yelled, "Relieve our acupoint!"

Now!"

"Relieve your acupoints?"

Darryl smiled and looked at her. "Sect Master, you are being unreasonable. You tried to kill me, yet I'm not allowed to resist?"

Then, Darryl turned his head and glanced at Jackie. He teased her. "Jackie, you knew that you were not my opponent, yet you brought the Sect Master here to die with you. Aren't you looking for trouble?"

He observed her before he tilted his head to admire the Sect Master's appearance.

The two women were beautiful in their own ways, especially the Sect Master. She was in a purple dress that highlighted her charming temperament. She looked absolutely amazing.

"You—"

Jackie was furious when she noticed Darryl'

s gaze; her voice trembled. "Shameless..."

The Sect Master was also furious; her murderous eyes were fixed on Darryl. If looks could kill, then Darryl would have died countless times.

Chapter 2917

'Haha...'

Darryl was amused when he saw the two sisters' expressions.

However, he decided to cut it off when he was reminded of his mission. He told the sisters, "I have something to do, so please stay here. I'll talk to you when I'm back from the Holy Saint Sect."

Darryl was about to go up the mountain.

What?

Suddenly, something caught Darryl's attention. His eyes landed on Jackie's waist.

The Seven Treasures Exquisite Pagoda?

Darryl had sensed the Seven Treasures Exquisite Pagoda's spiritual power

permeating from Jackie's waist. As the Seven Treasures Exquisite Pagoda's owner, Darryl trusted his judgment.

"You—"

Jackie was flustered when she noticed his gaze. "What do you want?"

Darryl grinned and slowly approached Jackie. "You stole my Seven Treasures Exquisite Pagoda three years ago. Shouldn't you return it to me now?"

Darryl was elated.

Initially, he had complained that Jackie's ambush was a waste of his time. He did not expect the pleasant surprise.

"The Seven Treasures Exquisite Pagoda is not with me. It was left behind at the Endless Sky Organization Altar when Zhang Jue schemed against me!" Jackie's eyes flickered, and she said as she bit her lips, "Go find Zhang Jue if you want it back!"

Jackie looked firm, but her heart was pounding.

Darryl was right; Jackie did have the Seven Treasures Exquisite Pagoda with her.

When Zhang Jue plotted against her, she had to leave the Seven Treasures Exquisite Pagoda at the Endless Sky Organization. Zhang Jue had given the pagoda to Karen for safekeeping. Then, Jackie had regained control over the Endless Sky Organization half a day ago; she got the Seven Treasures Exquisite Pagoda back from Karen.

Jackie thought that no one would ever find out after she kept the Seven Treasures Exquisite Pagoda's aura hidden. She was astonished that Darryl could sense it nonetheless.

"No?" Darryl smiled while his eyes teased Jackie. "In that case, I'll have to search your body!"

"How dare you!" Jackie was startled. She protested!

She had kept the Seven Treasures Exquisite Pagoda close to her body. How could she let Darryl search her body?

However, Jackie's acupoint was sealed, and she could not resist at all. Jackie almost cried out when Darryl's hand got nearer to her.

"Stop it!"

At the same time, her sister was also embarrassed and furious. She began to scold Darryl.

'Darryl is absolutely lawless. He sullied my sister, and now he wants to search her body. How can Jackie face the world if everyone else found out about it?'

Darryl acted like he did not hear her; he approached Jackie and was ready to undo

her dress to search for his Seven Treasures Exquisite Pagoda.

"Darryl!"

Jackie was furious; she glared at Darryl. "If you dare to touch me, I will kill and pulverize you. Even if I can't kill you, I'll kill the rest of the Carter family. I heard that they had lost their internal energy, right? None of them can live!"

Jackie was forced to use the Carter family as a threat.

F*ck!

That got to Darryl; he was furious. 'Jackie is really mean. How dare she threaten me with the Carter family?'

Slap!

Darryl slapped Jackie without hesitation; she screamed in horror.

Soon, Jackie snapped back to her senses.

She looked at Darryl and yelled angrily, "Darryl, our feud will never be resolved. You'd better kill me today! Otherwise, I will make sure you die miserably!"

Jackie knew that if the ambush had failed, Darryl would never let her off that easily. She would choose death over being humiliated by Darryl at any time.

Darryl sneered and said, "You want to die? I won't let you. Three years ago, you took advantage of me when my internal energy was gone. You stole my Seven Treasures Exquisite Pagoda and left me dying, trapped in a cave. We haven't cleared that up yet."

Chapter 2918

Darryl was about to rip Jackie's dress off.

Pitter-patter...

Suddenly, they heard footsteps from the mountain ahead.

Darryl raised his gaze and frowned. It was a group of about seven to eight Holy Saint Sect's disciples. They marched in line and were approaching their location.

Jackie and the other Sect Master trembled; they had mixed feelings about what was about to happen.

'B*stard Darryl! Would he search my body in front of the Holy Saint Sect disciples?'

"Tsk, tsk, tsk!"

Darryl chuckled when he noticed the change in Jackie's expression and said

sarcastically, "Is the dignified goddess from the Yellow Sea Continent afraid now?"

"You—" Jackie bit her lips. She was embarrassed and angry. "Are you going to let me go?"

"Do you think it will happen?" Darryl said, "How could I let you go so easily when you willingly present yourself to me?" Then, Darryl walked forward and carried Jackie and Sect Master, one in each his arm, and dashed into the woods nearby.

The Holy Saint Sect disciples on patrol duty did not worry Darryl, but he decided to hide to be safe.

After all, he had to be on his guard if Jackie cried for help and attracted unnecessary attention.

Jackie and the Sect Master were trembling when Darryl wrapped his arms around them; they felt humiliated. However, they

were unable to struggle as their acupoints were sealed.

Darryl put Jackie and the Sect Master down when they arrived at a secluded hideout.

"Stay here. I'll come back once I'm done with my business!" Darryl said with a smile. He hid the two of them well and looked into the distance at the mountain.

Even though the Seven Treasures Exquisite Pagoda was important to Darryl, he was not worried. After all, he had subdued Jackie. There was no need for him to insist on getting his hands on the pagoda. The most important thing then was to explore the Holy Saint Sect and find clues of Lu Dongbin's whereabouts. He needed that to help Yvette, Dax and the rest recover their strength.

F*ck!

After threading his way through some

distance, Darryl frowned when he noticed that many disciples were there. 'Why are there so many of them on patrol duty?'

Darryl saw the disciples everywhere on the mountain road leading up to the altar. The road was heavily guarded.

After Alan became the Sect Master, he purged the Holy Saint Sect Altar of unsatisfactory members to secure his position as the new leader. At the same time, the situation in the Nine Mainland had been unstable, so Alan stepped up security to prevent other forces from invading the Holy Saint Sect.

'They would discover me easily if I walked up the road in plain sight.' Darryl muttered to himself; he took a deep breath. He decided to sneak up the mountain through the back route.

It was a good thing he used to be a Holy Saint Sect disciple, so he knew a little

about the surroundings around the altar. He knew that there was a hidden path at the back of the mountain. The trail was steep; one might fall to one's death if not careful, but it was not a challenge for Darryl.

When Darryl finally reached the back of the mountain, he took a deep breath. At the same time, he spotted an unaccompanied disciple in front of him.

'A lone ranger? Excellent!'

Darryl was thinking about reaching out to someone to ask something, so he went over without hesitation when he saw the lone disciple.

Jab!

Darryl got closer and sealed the disciple's acupoints at lightning speed. The disciple trembled, and soon, he froze.

"You—" The disciple was so panicked that his voice trembled when he saw Darryl. "

Who are you?"

"Don't panic!" Darryl smiled and said calmly, "I will not hurt you. I just need to ask you a few questions."

The nervous disciple relaxed slightly and nodded.

"Do you know the former Sect Master, Lu Dongbin? Where is he now?" Darryl asked straightforwardly.

Oh...

The disciple was stunned; he struggled with the hard question. "Your Excellency, I don't know about that. I've just joined the Holy Sect for a few days, and I still don't know much about the situation here.

Please let me go!"

Chapter 2919

Darryl felt helpless.

'F*ck! I finally caught hold of one disciple, but he is new?'

Darryl smiled after he saw the disciple's clothes. "I'm terribly sorry for this!" Then, he knocked the back of the disciple's head with a palm attack.

The disciple had no time to react before his vision went dark, and he fainted.

Darryl dragged the disciple to a secluded place, took his shirt clothes off, and put it on himself. Then, he took the disciple's waist badge.

He examined the disciple's appearance and disguised himself as the other man.

Darryl decided to disguise himself as the

new disciple instead of moving around without a plan. He hoped that the attire would help to conceal his identity should he encounter any trouble.

After he was dressed, Darryl slowly crept into the forbidden area at the back of the mountain.

Before he escaped from the Holy Saint Sect, Alan's disciple, Tina, once said that Lu Dongbin was trapped in the Illusion Virtual World. Even though Darryl did not know what that was, he guessed that the entrance must be somewhere in the forbidden area at the back of the mountain.

Darryl had no idea that the entrance to the Illusion Virtual World was the Holy Saint Sect's treasure—the Universe Calabash!

After he made up his mind, Darryl took advantage of the dark surroundings and carefully investigated the forbidden area.

Darryl encountered a group of disciples on

patrol, but no one suspected anything due to his attire.

Oh, f*ck!

After more than an hour, Darryl grew a little anxious. He had combed the Holy Saint Sect's forbidden area twice, yet he did not find any special entrance.

What?

Darryl felt dejected. Then, he frowned when he saw a yard in front of him; the light was on.

He realized that the yard was where Chang Er had lived and done her cultivation. The yard was left vacant when Chang Er was taken away from an imposter Darryl. However, it looked like someone was there; Darryl was curious about it.

Darryl was suspicious, so he snuck in slowly, making sure that his steps were light.

Gasp!

Darryl was stunned when he saw the scene in the yard.

It was her!

A candle was lit next to the bed with an organza curtain.

A yellow-clad slender figure sat on the bed. She had delicate features, but she looked proud and arrogant.

It was Tina, Alan's most senior disciple.

After Alan became the Holy Saint Sect Master, Tina's status rose because she was his most loved disciple. Thanks to Alan's favor, Tina even got to occupy Chang Er's room.

Tina was meditating and cultivating; she did not even notice Darryl's presence.

'Gosh! Tina is so pampered and arrogant.'

She got Chang Er's room just because she's Alan's favorite disciple.'

Darryl muttered as he observed her. He had so many comments in his mind.

'Although Tina was annoying, she was the best-looking woman among the Holy Saint Sect's female disciples.'

The candle on the organza curtain reflected Tina's charming curves. Any man would not be able to tear their attention away from that sight.

Darryl snapped back into his senses after he stared at her for a while.

'I'm here to investigate Lu Dongbin's whereabouts; why am I here looking at Tina?'

Darryl thought about that; he was about to leave the room.

Pop!

As soon as he turned around, Darryl accidentally knocked the shelf behind him, and that made some noise.

Chapter 2920

"Who's there?"

Tina opened her eyes when she heard the noise; she shrieked. Then, her gaze was locked onto Darryl.

Oh, no!

Darryl was startled. He quickly stopped in his tracks and met Tina's gaze. He thought he would have no choice but fight Tina after he was discovered.

"Are you new?"

Just as Darryl was about to fire an attack, Tina asked coldly with a trace of contempt in her tone, "Do you know when you are right now? How dare you walk around so freely!"

Tina did not even notice that the guy was

Darryl in disguise.

Darryl sighed in relief and said, "Senior Sister, please don't be angry. I didn't mean it."

Darryl chuckled inwardly.

He thought he could find an excuse to leave since Tina did not even notice his disguise.

Tina furrowed her eyebrows; she was very unhappy to be disturbed during her meditation.

"You—"

Tina was too lazy to carry on with the nonsense; she was about to tell Darryl to get out when she heard footsteps outside the door.

Soon, several voices spoke respectfully. "Senior Sister? Are you asleep?"

'Damn it! Why is someone here at this time?'

Darryl was stupefied.

Tina was annoyed, and she replied rudely, "It's so late already. What's the matter?"

"We have something to ask you. I hope you can let us in, Senior Sister."

"Yes, please let us in..." several people said from outside the door.

Tina frowned and replied, "Come in, then."

Three disciples pushed their ways into the room, each of them had a smile on their face. They were extremely respectful to Tina.

Those three disciples had just joined the Holy Saint Sect. The taller one was Sabastian Hubert, the one with smaller eyes was called Wacker Lonsdale, and the remaining one was George Lingard.

"Hello, Senior Sister!" The three of them

chanted in unison. Then, their eyes fell on Darryl in astonishment. They glared at Darryl with contempt.

Then, the three of them mocked Darryl.

"Yo, Joson!"

"Look at you! Are you here to seek favor from Senior Sister?"

"Haha..."

Joson Collingwood was the name of the disciple that Darryl had knocked unconscious. Due to Darryl's attire and the dimmed lights, the three men thought that Darryl was Joson.

They were all new in the sect. Joson was an introvert, and he was constantly bullied by his peers, especially Sebastian's group. They would mock and ridicule Joson whenever they had a chance.

F*ck!

Darryl was amused that the three men, like Tina, did not notice his disguise.

"Shut up!" Tina was upset when she heard that. Then, she snorted as she looked at the group. "Why the hell are you guys looking for me?"

The three men stopped joking.

Sabastian took a step forward and said, "Senior Sister, we've just arrived at the Holy Sect, and we don't know anything. Please take care of us in the future!"

"We come bearing gifts, Senior Sister."

Wacker and George, who were next to Sebastian, quickly nodded in agreement.

The three of them were smart. They knew that Tina was the Sect Master's favorite disciple, so they tried to get close to her.

'Gifts?'

Chapter 2921

Tina's expression relaxed when she heard that.

Everyone from the Holy Saint Sect had been respectful to Tina after her master became the Sect Master. The newcomers tried hard to curry favor with her, and she seemed to be enjoying the attention.

Darryl chuckled.

He thought the three were there for something more important; it looked like they were there for gifts.

"Joson, why did you laugh?" Sabastian was unhappy; he yelled, "Do you think it's funny that we are giving gifts to Senior Sister?"

George stepped forward and asked Tina politely, "Senior Sister, is Joson also here to give you gifts?"

George looked at Joson with disdain.

Tina glanced at Darryl and said faintly, "I was cultivating when he sneaked into my room. I was about to interrogate him when you guys came along!"

Oh!

The three got excited after they heard that; they began to attack Darryl.

"Joson, you are too bold! How dare you break into Senior Sister's room so late at night?"

"You must be plotting something evil!"

Darryl was offended by the remarks. 'F*ck! These three guys are sick! I don't have any feud with them, yet they keep going against me.'

Aside from annoyance, he was also a little anxious. He did not want to waste his time

in Tina's room when he had not found Lu Dongbin yet.

'Judging from the situation, Tina would definitely not let me leave so easily.'

Darryl thought about it before he said indifferently, "I'm here to see Senior Sister and ask for some training."

The three men sneered at Darryl.

Tina said, "Okay, stop arguing! What gifts did you bring me?"

"Senior Sister!"

Sabastian approached Tina with a smile and showed her an exquisite wooden box. "We've risked our lives to collect this gift on a cliff during the day. We hope that you will accept it and take care of us in the future!"

They had brought her a gift!

Darryl frowned at the sight of the wooden

box.

Tina took the wooden box gladly and said, "It looks like the three of you have good intentions. We are Holy Saint Sect disciples. Naturally, we must help each other. As your senior sister, I should take care of you!"

Tina might have looked calm, but she was elated!

She did not expect that Sabastian and the other newcomers would be so good at managing relationships.

Sabastian knew that they had brought the right gift when he saw Tina's expression; he quickly said, "Senior Sister, I think you'll like this gift. Take a look!"

Mmm!

Tina smiled faintly and opened the gift box.

She trembled when she saw the gift inside.

She was stunned and inexplicably excited.

There was a stalk of spiritual herb inside the box—it was green and dazzling with a colorful glow around it. At first glance, it looked like an exceptional spiritual herb.

Tina picked it up; she could sense strange spiritual energy moving in it.

What?

Darryl's eyes fell on the spiritual herb; he frowned.

'That's a Seven Spirit Herb.'

The Seven Spirit Herb was an extremely rare herb that was recorded in the Infinite Elixir Manual. No one had expected those three men would be so lucky to get their hands on it.

However, the spiritual herb was quite different from the Seven Spirit Herb described in the Infinite Elixir Manual.

"What kind of a spiritual herb is that?" Tina asked with joy.

Even though Tina was Alan's favorite disciple, she had almost no knowledge of alchemy, and she could not tell what kind of a spiritual herb that was. However, she knew that the spiritual power within the herb was very precious.

Sabastian smiled proudly and said, "Senior Sister, that is the Seven Spirit Herb. In ancient books, it is described as precious fairy grass. It is great for beauty and muscle relaxation; it has about seven benefits. It's amazing!"

Chapter 2922

'What? It has so many benefits?'

Tina was delighted to learn the herb's benefits. She loved the Seven Spirit Herb so much that she held it tightly!

The three disciples looked at each other; they were pleased with their choice of gift for Tina!

Haha...

They were happy to have secured Tina's favor with the gift; they thought she would definitely take care of them in the future. They could progress even further in the Holy Saint Sect if their senior sister protected them!

Tina smiled; she was extremely excited.

"Senior Sister!"

George, who stood by the side, smiled and said, "I heard that the best time to consume the Seven Spirit Herb is within twelve hours after plucking it. You should take it now!"

"Yeah, we want to see the effect!"

"Senior Sister, you are already so beautiful. After taking that Seven Spirit Herb, you'll be even more gorgeous!"

Sabastian and Wacker immediately agreed.

Tina smiled after she heard that. She could not conceal her excitement, and she was about to consume the Seven Spirit Herb.

"Hold on."

Suddenly, the quiet Darryl had spoken!

All eyes were on him.

"What?" Tina frowned.

The three men shot hostile looks at Darryl.

F*ck! That kid must have been unhappy when he saw the gift we gave to Senior Sister, and he's trying to create trouble!

Fuh!

Darryl took a deep breath and said, "There is a problem with that Seven Spirit Herb. I advise you not to take it."

He sounded indifferent but unquestionable.

There was bad blood between Darryl and Tina, and he would never want to be nosy. However, he noticed that the Seven Spirit Herb was different from the record on Infinite Elixir Manual. So, he decided to advise her against it.

'What did he say?'

Sabastian and his friends were annoyed.

The next second, Sabastian took a step forward and pointed at Darryl's nose. He shouted, "Joson, are you crazy? We

collected that Seven Spirit Herb on the cliff during the daytime. What was wrong with it?"

George and Wacker also voiced their disagreement.

"That kid is just jealous after he saw our gift to Senior Sister!"

"That idiot needs a scolding."

'The three idiots!'

Darryl chuckled and spoke to Sabastian, "You're right, that is Seven Spirit Herb, but there is a strict time for consuming that top-quality herb. Even the time to pick it is very particular!

"The Seven Spirit Herb can absorb the essence of heaven and earth, its leaves are dark green when it matures, and that indicates the best time for picking it. The stalk you picked has emerald green leaves, which means you've picked it too early.

"The effect of taking that herb when it has matured is quite different than when it has not."

Darryl's expression remained indifferent after the lengthy explanation.

He had not seen the problem at the beginning. He only realized it after some careful consideration.

Err...

Tina, Sabastian, and the others were stunned. They looked at Darryl in a conflicted emotion; they were at a loss for words to refute his statement.

'Is he telling the truth?'

'Is he talking gibberish?'

"Haha!"

Sabastian was the first to react. He sneered at Darryl; disbelief laced his tone

as he said, "So you meant to say that we picked the Seven Spirit Herb prematurely, and therefore, it's not effective?"

Sabastian shot Darryl a contemptuous glance. He believed that Darryl was jealous, and that was why he was spouting nonsense.
