

Chapter 3023

Everyone rose to an uproar when Zoey supported Darryl.

Was the Jade Sect Master confused? Darryl had only spoken nonsense without any concrete evidence; how could they trust him?

Weston was particularly restless; he quickly stood up to persuade Zoey. "Zoey, please don't believe him."

The other people echoed the same sentiment.

"That's right. There had been a rumor that Darryl had sullied Chang Er, but it hasn't been clarified yet. Who knows what he has up his sleeves right now."

"There are so many of us here. Even if there's a problem, we can solve it together."

Weston walked toward Zoey with a sincere expression. "Zoey, I think that Darryl just wants to slip away. He hasn't produced evidence to prove that the eight ladies are the real Nine Saint Oracles, and he had allowed them to leave. He must be making up a reason to flee"

While he spoke, Weston glanced at Darryl contemptuously.

Zoey was the goddess he admired. How could he let her go with Darryl?

Many of those people also nodded to Weston's statement.

"Yes, Darryl is giving us false warnings. He must be planning something!"

"We can't let him fool us!"

Darryl became angry.

'F*ck! I reminded all of you kindly, but you did not appreciate it. Forget it and do as you wish!'

Darryl shot Weston a cold look. "I have already made my message very clear. It's up to you whether you believe it or not, but when something bad happens, don't come to me crying and begging for me to save you."

'What?'

Everyone was taken aback by the stern warning, but it did not last long. They sneered at him after that.

Weston exclaimed, "Okay! Darryl, stop putting up a show. We are not fools!"

Darryl did not bother to pay attention to Weston. He turned and walked toward the nearby hillside, Zoey hesitated for a moment before she went with Darryl.

Zoey was a little skeptical, but in the end, she had chosen to believe in Darryl.

"Hold on!"

Quincy caught up with them hurriedly. There were no fluctuations of emotions on her beautiful face as she said to Darryl, "I will go with you too!"

Then, Quincy turned around and said to the others, "You guys rest here; I'll go watch over Darryl!"

Like Weston and everyone else, Quincy did not believe in Darryl either. She followed Darryl to prevent him from escaping.

Darryl chuckled inwardly.

He smiled and said nothing to Quincy, who had no faith in him.

A few minutes later, Darryl, Zoey, and Quincy arrived at the hillside. They saw a small cave that could accommodate the three of them.

Ah ha..

Darryl cracked a smile when he spotted the cave. He walked in first and said emotionally, "Such a nice and peaceful place"

Darryl was about to start his meditation as he sat cross-legged.

"Darryl!"

However, Quincy, who was standing at the cave entrance, said coldly, "Come out and rest at the entrance." She sounded cold and determined.

"Why?" Darryl frowned.

Quincy tilted her head and glanced at Zoey before she said, "Zoey and I are women. How can we share the cave with you? How would people in the cultivator's world see us if they heard about it?"

Zoey also looked shy.

D'mn it!

Darryl was upset. He had proposed to rest on the hillside and found the cave, but he was told to rest outside. What kind of logic was that?

"Oh, don't even think about running away!" Quincy warned Darryl coldly.

Chapter 3024

Darryl felt helpless. He nodded half-heartedly and walked out of the cave, sat down cross-legged, and started to meditate.

He was quite upset.

Quincy had called off their engagement and announced it to the world. Then, she began to doubt his every decision and action. Uh ...

Darryl could not be bothered about that. He closed his eyes and rested his mind.

Sometime later, the freezing temperature woke Darryl.

Inside the cave, Quincy had also begun to meditate and recuperate.

On the other hand, Zoey was curious. She continued to question Darryl, who was outside the cave. "Darryl, is the valley down there really dangerous?"

As the Jade Sect Master, Zoey knew a little bit about some strange skills and techniques, but she could not see any problems with those big trees.

"You have to trust me!" Darryl responded with a smile.

He chuckled inwardly.

Quincy sneered and said mockingly, "Alright, Darryl. You can stop fooling around. You deliberately misled everyone, what is your motive?"

Quincy still did not believe in Darryl, she thought that he was an alarmist.

"I –"

Darryl opened his mouth, but he did not know how to respond. He was speechless.

Whoa!

Suddenly, they heard chaos from the valley down below.

'Sure enough, I was right!'

Darryl quickly stood up and looked in the direction of the valley; he was stunned.

Quincy and Zoey also hurriedly walked out of the cave. Their bodies trembled when they saw what had happened.

A patch of black mist rose from the valley. Many black shadows shuttled around in the fog, and the sect masters were lighting those black shadows fiercely.

Uh...

Quincy trembled; she was shocked.

Darryl was right. The valley was not safe.

'What are those shadows, and where did they come from?'

"Hurry up and help them!" Darryl took the lead; he quickly rushed toward the valley.

Quincy and Zoey looked at each other and hurried after Darryl!

Hiss!

They were shocked when they arrived at the valley and saw the situation in front of them.

The dark shadows in the thick black mist were evil beasts. Their bodies were pitch black, and they looked like wolves and dogs. However, they had three eyes, and each of them glowed in the light of evil spirits. They were as fast as lightning.

There were hundreds of those ferocious beasts, and they constantly attacked Weston and the others.

Weston and the others had panicked. They tried to work together and help each other. However, many others were injured screams and shouts were everywhere it had been a quiet valley, but it had turned into hell.

Was that a Hell Hound?

Finally, Darryl reacted. He was shocked

Darryl did not know about the Hell Hound until when he was in the stone ruin. Yennie told him that they were in an independent space inside the King of Death's Cauldron, and there were many evil spirits around them, including the Hell Hound.

After Darryl learned of Hell Hound, he did not take it seriously. He did not expect that he would bump into one so soon.

After that, Darryl looked at the giant trees around him. Even though the black mist blocked his view, Darryl could vaguely see openings on the top tree branches. It was obvious that the Hell Hounds had escaped from the trunk through the top portal.

Quincy and Zoey, who were next to Darryl also panicked. They did not know what to do.

" Darryl!"

Quincy was a little anxious, and she said, "What should we do? We need to get in and help them!"

She was about to dash into the chaos.

Darryl stopped her hurriedly with a serious expression. " Don't go in Those are Hell Hounds, and they are very evil!"

Chapter 25

Hell Hounds?

Quincy's heart skipped a beat. Her legs weakened, and she dared not act rashly.

Darryl took a Deep breath and yelled at the people who were trapped in the valley. "Find a way to get out of there!"

He noticed that the area surrounded by those big trees was range of those Hell Hounds. They would be safe if they were out that zone.

Many people were shocked and ashamed when they Heard Darryl's voice again.

Darryl was right; there was a problema with the valley.

However, they laughed and brushed him off like he was a lunatic.

They knew they should cooperate in trying to get out of the area, but there were too many Hell Hounds there – hundred of them.

"What do we do?"

"Are we going to die here!"

"I don't want to die!"

Many of them became desperate.

Quincy frowned and stomped anxiously. "Darryl, think of something!"

"You are the dignified South Cloud World's eldest princess!" Darryl smiled and said, "Furthermore, you were the one who found that place, so you should find everybody a solution."

Quincy was too full of herself, and Darryl had to teach her a lesson.

He also frowned. He was racking his brain for countermeasures.

"You –" Quincy growled at him.

Why was Darryl contemplating when the situation was so bad?

Quincy was about to protest. Then, she saw Darryl gathering his internal energy, and with a wave of his hand, the White Lily Cold Flame emerged to forma ring of protective shiell all over his body.

Whoosh!

Darryl will straight into the black mist.

He wanted to rescue the people in there one by one. Darryl had not figured out a way to deal with the Hell Hounds, but he knew that his White Lily Cold Flame was the world's best enchanted flame, so he thought it might be able to keep the Hell Hounds away.

Darryl had taken a risk: he could not just watch those people die!

Woof!

When Darryl jumped in, many Hell Hounds immediately surrounded him. Their three eyes shone with blood-red evil lights as they howled and charged toward Darryl.

However, the Hell Hounds quickly dispersed when they sensed the protective shield formed by the White Lily Cold Flame in Darryl's body. Those Hell Hounds had sensed the danger and went away quickly.

Darryl chuckled inwardly.

He smiled; he was grateful.

'So the method really works!'

Darryl grabbed two people with one hand, dashed out of the black mist, and then returned to rescue the others.

Darryl had rescued more than half of the people trapped in the valley in less than a minute.

Finally, Weston was the only one who left.

Thus!

Darryl landed on the ground and wiped the sweat from his face. "I'm exhausted, let me take a break!"

"What? Sect Master Darby! Help, I'm still trapped here!"

Weston was fighting against the Hell Hounds alone amidst the black mist; he almost cried. He had exhausted his internal energy, his face was pale.

Darryl did not seem to hear him.

'F*ck! Weston has always worked against me. This is such a good opportunity to let him suffer a Little while longer.'

Chapter 3026

"Darryl!" Quincy was really worried. "Sect Master Stanford is still trapped inside! Save him quickly!"

A smile appeared on Darryl's face as he said casually, "When I mentioned that this place is dangerous, he said that I was talking nonsense, just trying to scare everyone. He even said that he would not need my help if something were to happen to him. Since he is so capable, I shall let him come out himself"

Quincy wanted to retort, but she could not find the words.

" Darryl! "

At that moment, Zoey stepped forward and bit her lips as she begged him "Sect Master Stanford was wrong earlier. However, we need to stay united since we are all trapped here together. We can't just let him die and not save him!"

Even though the Jade Sect had a good relationship with the Multi Integrated Sect, Zoey did not like Weston's character too. However, all of them were from the Nine Mainland, so she could not just ignore him.

Sh*t!

At that moment, Weston, who was still trapped inside, was worried and furious when he heard Darryl's words.

"It's obvious that Darryl is trying to seek revenge! There are so many wild beasts in front of me. How can I handle them on my own?!"

Woo, woo...

After Darryl had rescued so many people, the Hell Hounds' targets reduced substantially. The beasts were completely agitated; they howled wildly as they pounced against Weston crazily.

Wah!

Weston's face paled when he saw that; he was in a panic. He shouted at Darryl as he struggled to hide and dash. "Sect Master Darby, I'm in the wrong. I have misjudged you. You are a generous person; please save me."

Weston was almost crying when he yelled that.

He did not wish to beg Darryl, but he had no choice. He was in a dangerous situation. If he did not admit his mistake, he might even lose his life!

Darryl was the only one with the White Lily Cold Flame, so he was not afraid of those Hell Hounds.

Quincy was so worried that she stomped her feet. "That's right, Darryll sect Master Stanford can't hold on any longer!"

Darryl smiled and said, "What's the hurry? Sect Master Stanford is competent. It's only a few Hell Hounds; they will not be able to harm him,"

As he spoke, Darryl stretched his body.

That...

Quincy's beautiful brows were furrowed; she felt troubled.

'I can't force him if he does not want to save him. I canceled our engagement a few days ago, so we no longer have a relationship.'

At the moment, Weston's face had turned green. He continued to shout, "Sect Master Darby, I beg you. There are just too many wild beasts here. I really can't hang on anymore."

Darryl laughed inwardly. He was too lazy to respond to him.

'Sh*t! that man had been picking on me all the time. I shall let him suffer, or it's not fair to me.'

Zoey walked forward and grabbed his hand when she saw Darryl insist on not helping the other man. "Darryl, Sect Master Stanford is a selfish person, but he is not evil. Please, help him!"

Zoey bit her lips; she felt shy when she said that.

She had disliked Weston too, but she had no choice. All of them were from the community; she could not just let him die without helping him.

Darryl sighed discreetly when Zoey begged him. He nodded and said, "Fine, I will do it as a favor to you, Sect Master Jenn!"

Then, Darryl activated the White Lily Cold Flame to protect his body before he dashed into the valley to save Weston

Owoo ... Owoo ...

The Hell Hounds roared in anger among the dark mists when they had lost their targets. Then, they crawled down the tree hole and vanished instantly. Next, the black mist dispersed gradually, too, as if nothing had happened.

However, everyone there was still in shock. When they remembered the scary moments, they still felt terrified.

"Thank you, Sect Master Darby, thank you."

Weston did not stop thanking Darryl after he had saved his life. His entire body was full of wounds and scars from bites and scratches. He looked horrible.

Chapter 3027

However, as he thanked Darryl, Weston's eyes shone with a dash of evilness.

'Sh*t! Darryl only rescued me when I almost died. I will seek revenge on him later!

Darryl ignored him and waved his hands. "Alright, everyone! Rest for now. We will continue our journey after this to look for the rest!"

After suffering for such a long time, everyone was exhausted. Many of them sustained injuries too.

Everyone nodded when they heard that. No one dared to stay a second longer at the valley, so they followed Darryl to the nearby hill to rest.

...

Meanwhile ...

There was a dark forest tens of kilometers away from the hill that Darryl had chosen.

The dark forest was as vast as a hundred kilometers radius, and its trees were tall and high covering the sun completely. That place was ten thousand times more dangerous than Death Valley in the Wild Deserted Secret Region.

At that moment, about ton figures were walking through the dark forest.

A few famillar faces were among them – Sarah Carter, Andy Curtis, and some other warriors from the others sects.

Sarah had panicked when she was sucked into the King of Death's Cauldron However, she had bumped into Andy very soon, and they had been traveling together since then. After that, they bumped into other people from the community as well.

Sarah, Andy, and the rest had planned to find a way to leave the forest, and then they would look for the others.

What?

After they had been walking for a while, Andy, who was leading the group, suddenly stopped.

At the same time, the rest of them furrowed their brows when that happened.

"Brother Andy, what's wrong?" Sarah asked as she hurried forward.

She had removed her disguise when she bumped into him and realized that he was her brother's friend.

"There's something unusual in front" Any replied with a serious expresión.

They saw some stone steles had formed a circle in the forest. They did not know what those Stone steles were made of, but they were black and shiny. Its surface was as smooth as the mirror; they were really unique.

"Why are there stone steles here?"

A few seconds later, Sara regained her thoughts and asked softly, "There should be words engraved on the stone steles normally, but there is not a single word on these. Besides, it is so smooth and shiny, just like a mirror."

Sarah walked forward curiously.

"Let's go take a look!"

At the same time, Andy and the rest also walked forward gradually.

Once they reached the stone steles, they realized their surface was extremely smooth and shiny, just like a mirror. They were staring at themselves at the stone mirrors as they wondered about the situation.

“What are these stone motors for ?”

" Everyone!”

Andy furrowed his brows and said," Everyone! We must leave here immediately!”

At that moment, his facial expression looked unusual. He could feel the stone steles were releasing some kind of weird energy. His entire body felt exhausted under the influence of the energy, he could not use any of his power at all.

It was not only that he could not even activate his internal energy! He felt as if the internal energy in his abdomen had been sealed.

Then, Andy turned around and was about to move backward. However, both of his legs felt as if they were cemented, he could not move at all.

'What is going on?'

Andy was surprised; an unknown fear emerged in his heart.

Chapter 3028

When she saw Andy's facial expression, Sara immediately asked, "Brother Andy, what's wrong?"

At that same time, everyone looked at Andy too.

Andy opened his mouth and was about to speak when a cold laugh interrupted him.

“Tsk, tsk...”

He could hear the laughter that came from the stone steles. Suddenly, the stone stele in front of Andy came alive. It twisted and turned little by little before a shadow finally formed - it looked exactly like Andy.

However, the shadow's eyes were filled with Indefinite evil.

Wow!

Everyone's expression changed when they saw that: they were in shock.

A stone stele had turned into a human, and he looted exactly like Andy Who would have believed it if they had not seen it with their own eyes?

“You –“

Finally, Andy swapped back to his sings and questioned the imposter. "What are you?"

“What am I? I am the Mirror Devil, but for now, I'm you!" He smiled wickedly as he laughed.

The Mirror Devil?

Andy's brain buzzed, he suddenly felt scared and panicked.

The Mirror Devil was a space inside the King of Death's cauldron. Its existence was unique, and it was formed by the incredible Evil Spirit Energy. They loved to transform into stone steles. They would wait for someone to approach to look at the mirror, and they would transform into that person.

"You're an evil spirit; you want to replace me?" Andy was shocked and furious. He stared fiercely at the Mirror Devil He was about to activate his internal energy to fight back, but the unusual energy had sealed his entire body, he could not Move at all.

At that same time, Sara and the rest were shocked and furious They wished to charge forward to attack the Mirror Devil.

However, they were surprised when they realized that they could not move either.

" Why can't I move?

" Me too..."

Crack, crack, crack...

Then, Sara and the rest were even more surprised when they saw the other stone steles in front of them spun and twisted speedily. Then, they had turned into copies of them.

It was apparent that each of the stone steles was a Mirror Devil, and they had all transformed into Sara and the others.

The leader of the Mirror Devils laughed delightedly. "Finally, we have transformed into humans. I Heard that there are many more humans around Let's have some fun with them!"

Then, more than a dozen Mirror Devils tied up Andy, Sara, and the rest before putting them into a nearby cave. Then, they disappeared into the black mist

...

Meanwhile...

After they rested for a few hours on the hill, Darryl, Quincy, and the rest started investigating their surroundings to look for the other people.

Many of them had sustained injuries when they ran into the Hell Hounds earlier. However, none of the injuries were life-threatening.

" Everyone!"

At that moment, zovy remembered something, and she told her companions. "The situation at the valley proved that Darryl's speculation was correct As such, in my opinion, we should take orders from Darryl for our next actions."

Everyone looked at each other. At the same time, they turned toward Quincy as well.

Quincy was the South Cloud World's Princess Long. Her status was supreme; everyone would always listen to her arrangements. Of course, she was unwilling to let Darryl lead the group.

"I _"

Quincy bit her lips when she saw so many people Watching her. She said casually, "I don't mind that!"

Her face seemed calm when she said that However, she was very reluctant. 'I'm Princess Long, and I will be annoyed if I have to listen to Darryl's orders.!'

'However, it doesn't look like I have any choice. Darryl had speculated correctly about the matters in the valley'

The others nodded when Quincy agreed to the arrangement.

"Fine!"

"We have no comments since Princess Long has agreed to it."

Even though that was what they had said, many of them were still reluctant to agree to that proposal.

Chapter 3029

Weston pretended to feel unfair on Quincy's behalf. " That is not appropriate, right? Princess Long had led everyone all this while, so to change to Darryl now, what if –"

Zoey glared at Weston before he could finish his Sentence. "You don't have to stay with us if you have a problem with that."

'That Weston is really inappreciative of others. If it were not for Daryl earlier, he would have been torn alive by those Hell Hounds. How could he forget about that?'

"No problem" Andy immediately forced a smile.

Even though he said that, he still felt the hatred in his heart.

'Sh*t! Zoey is my goddess, but she is siding with Darryl, Why does he deserve that?'

Darryl did not notice anything he smiled and said, "Since everyone trusts me, then I will take the responsibility!"

Then, he led everyone forward.

Everyone trailed closely behind him!

What?

Soon, they arrived at a dark swamp. Darryl suddenly stopped; he was shocked.

He saw a dozen figures trapped within the swap area a few hundred meters away. When he looked closer, he noticed it was Sara, Andy, and others.

What!

At that moment, Zoey and the others saw them too. They were stunned.

"That looks like the Elixir Sect's Sect Master and others."

"They are trapped in the swamp!"

They discussed worriedly Darryl had started to feel anxious too. He was trying to think about a way to rescue everyone.

" Help!"

" Help us !"

At that moment, everyone trapped in the swamp noticed Darryl and the rest; they started to shout at them.

Darryl had wanted to rush forward, but he felt something was amiss when he heard the shouts.

Sara was his sister, and Andy was his friend-they were as close as brothers. However, they had not called his name when they saw him. They only shouted for help.

Darryl also noticed some unknown menacing auras surrounding those people in the swamp.

" Hurry!"

At that moment, Quincy could not control herself any longer. She said hurriedly, "Darryl, let's go and help those people!"

'I must rescue those who are trapped there.'

Quincy was about to rush forward to save those people.

Zoey and the rest were ready to take action too!

"wait!"

Just at that moment, Darryl furrowed his eyebrows as he stopped them "Don't rescue them first!"

Quincy was stunned, her beautiful brows were furrowed too. "Why?"

Darryl took a deep breath and replied casually, "Their lives are not in danger at the time being, Let's not act recklessly!"

What?

Everyone was not happy when they heard that.

Many elite members from various sects had been sucked into the King of Death's cauldron. They had finally bumped into some of them, but they were trapped in the swamp. Unfortunately, Darryl had refused to rescue them immediately. What was he up to?

Darryl did not speak even though he knew that everyone else had disagreed with his decision. He continued to observe the people in the swamp quietly.

Darryl felt that there was a problem the longer he spent watching those people in the swamp.

Even though those people had shouted for help, they did not look panicked or fearful. Their eyes were hideous; it was as if they were waiting for Darryl to lead the group toward them.

'Is someone controlling those people ?'

Darryl became even more cautious; he decided to continue to observe them.

Chapter 3030

Darryl was more worried than anyone else about those people in the swamp, especially when he noticed that Sara and Andy were among them.

He had been right to worry about the situation. Those people in the swamp were not Sara, Andy, and others. They were a group of Mirror Devils.

Those Mirror Devils were too despicable. They pretended to be trapped because they wanted to lure Darryl and others to get closer to them. They would ambush the newcomers when they approached them.

Quincy had started to feel worried when she realized that Darryl had no intention of rescuing those people. "Darryl, why wouldn't you let us rescue them? Do you want to see them sink into the swamp?"

She was upset about the situation.

'That Darryl is too cruel. He saw those people in trouble, yet he would not help them. I used to respect the Elysium Gate Sect, but now it seems like I have overestimated him.'

Sigh!

Darryl smiled bitterly.

'Quincy should have been an experienced and knowledgeable person as she is the South Cloud World's Princess Long. It is obvious that something was not right about the situation; how could she not see it ?!'

Darryl said calmly, "Just wait a little longer!"

A little longer?

Everyone was so worried when they heard that!

'What does he mean? He wants everyone to give up? He is supposed to be the Elysium Gate's Sect Master who claimed to want to do good for the Nine Mainland's community, and that is all he has to say?'

" Darryl! "

Finally, Quincy's anger exploded; she scolded him. "I know there were rumors in the community accusing you of violating Chang Er. All the sects had blamed the Elysium Gate Sect and you. Hence you feel upset. But that is a separate matter. You can't just ignore those people and not rescue them! "

Weston stood up and shouted, "Exactly! Darryl, you are too mean! You should at least rescue your god sister and the Elixir Sect's Sect Master, even if you don't want to rescue the others!"

"The Elixir Sect's Sect Master, Andy, must be like a brother to you. He helped you without any reservations countless times. How can you ignore his pleas for help? Are you even human?"

Weston's face looked so noble when he said that, but his eyes displayed delight at his chance for revenge.

'Sh*t! That Darryl had put me in trouble earlier! I must not miss such a perfect opportunity to seek revenge on him.'

Everyone nodded at Weston's speech.

Even Zoey could not stand it anymore; she said, "Darryl, let's rescue them first. Time is of the essence; we can't delay any further."

Sigh!

Darryl was frustrated when they did not believe him. He took a deep breath and said, "I'm not selfish. Look at those people carefully. They are different from our friends. I think someone is controlling them; there might be other dangers there too."

"Also, their bodies seem to be releasing evil energy I think they're controlled somehow. We must not act recklessly..."

However, no one trusted Darryl's words at all.

"What do you mean under control? Quit looking for excuses!" Weston shouted.

Quincy was too lazy to say anything else. "Fine, we will rescue them if you won't do that!"

Bang!

Then, Quincy exploded her internal energy. Her body was as light as a swan as she flew directly toward the swamp.

Whoosh, whoosh, whoosh!

At the moment, Weston and the rest all flew upward and followed behind Quincy.

Darryl wanted to stop them, but it was too late.

"Sect Master Curtis!"

Once she got closer, Quincy shouted toward Andy. "Grab the ribbon; I will pull you up!" After she spoke, her gentle hands lifted the ribbon that she had tossed toward Andy.

Quincy had given it some thought. The swamp was dangerous, so she could not go in. That was the only way to save them.

Weston and others had used the same method too. Some even used ropes and belts that they had on them.

At that moment, Quincy and the rest still did not notice that the people trapped in the swamp were not the people they knew. They were the Mirror Devils ' transformation.

" Thank you! "

The fake Andy smiled wickedly. He held the ribbon tightly and pulled it hard.

Quincy could not react at all; she immediately fell into the swamp.

Chapter 3031

Boom!

Weston, Zoey and the others were dragged into the muddy swamp by the other Mirror Devils. Everyone was shocked and enraged.

" Sect Master Curtis, what are you doing? "

"Are you crazy ?!"

" We're here to rescue you. "

All the mirror devils smirked when they Heard everyone's remarks.

"It wasn't easy to trick you guys into coming here. To tell you the truth, we don't need rescuing We're here to send you all to hell. Ha-ha-ha!" the leader of the Mirror Devils said to Quincy coldly.

Bang!

An evil aura exploded from his body and he punched Quincy.

Quincy's expression changed instantly and she realized Darryl was right; there was something not quite right about the people in front of her.

The 'Andy' in front of her had an ugly expression on his face as he had an evil glint in his eyes. He was a completely different person from the Andy she knew.

She was still in shock and furious when she saw the Mirror Devil charging at her. Quincy quickly activated her internal energy and flew out of the muddy swamp.

Creak ... Creak ... Creak ...

However, she heard weird sounds coming from below her feet in the swamp. It made her hair stand, Then suddenly, vines as thick as human arms crept out of the swamp and tied Quincy's feet together.

She could not move a single muscle and was only able to activate her internal energy as she battled with Mirror the Devil, who was charging at her.

Bang! Bang! Bang!

At that moment, the other Mirror Devils started to attack Weston and the others too. Unfortunately, like Quincy, Weston was also tied up by the vines and everyone's movements were restricted, making the situation dangerous.

Darryl was worried and frustrated when he saw that. 'I told them something was wrong, but they refused to listen.'

Then, he exploded his internal energy.

Bang!

Darryl raised his hand and a ball of White Lily Cold Flame leaped out. It shot out towards the vines in the muddy swamp.

Crackle!

The vines were burnt to ash instantly once the White Lily Cold Flame touched them. However, a new vine crept out instantly.

'Sh*t! What are these vines? They grow back?' Darryl was stunned.

He was still not aware the vines were the Ghost Creeping Vine. It absorbed all the evil energy underground, making it difficult to destroy completely. It was because of this very reason that the Mirror Devils attracted Quincy and the others over to them. They used the Ghost Creeping Vine to attack them.

Darryl had no more time to keep worrying about this, so he waved his hand and called for the Heavenly Halberd. He helped Quincy and the others fight the Mirror Devils.

There was no way to completely destroy the vines. He was completely distracted as he was trying to help Quincy and the others. He was uneasy about the situation as he gripped the Heavenly Halberd tightly and started to stab it wildly like a crazy person.

"Darryl, we're here to help you!" voices shouted from the sky.

Darryl looked towards the direction where the voice came from; he was excited instantly. Darryl looked in the direction of the voices and became excited. Eight people were flying from not too far away, wearing long dresses and looked almost as if they were dancing.

It was the Nine Saint Oracles!

Chapter 3032

"The Nine Saint Oracles are here!"

"This is great!"

Quincy and the others were delighted when they saw the eight Oracles rushing over.

Meanwhile, Weston and the other men's gases were attracted to the Oracles and they could not control themselves.

The eight Oracles were freshened up and wearing long dresses, looking like dairies. They were all attractive in different ways, which amazed people.

"Don't panic, Darryl. We're here to help you!" Yennie, who was flying in front of the rest, said to Darryl.

After leaving Darryl, the eight Oracles found a secluded place to cultivate to recover. Then, they went to look for Darryl and saw he, Quincy and the others were trapped in the swamp.

At that moment, a smile appeared on Darryl's face. "Thank you, my dear sisters!"

At the stone ruins, Darryl teased the eight Oracles and let them call him their good brother. Due to his excitement, he called them sisters immediately.

"Shut up!" Yennie said, frustrated and blushing.

The other Oracles blushed as well because they were angry and shy. 'Darryl is such a flirt.'

Quincy, who was trapped in the swamp, glared at Darryl too. 'This bastard always flirts. He's even flirting with the Nine Saint Oracles!'

At that moment, the Mirror Devils started to become afraid when they felt the eight Oracles' aura.

"Don't you dare harm the humans, you evil spirits!" Xenia shouted as she reached them.

She was as graceful as a swan and she was the first to join the battlefield.

Then, Sadie and the other Oracles followed right behind her. With the Oracles joining the battle, Quincy and the others were relieved.

Darryl was ecstatic but also felt a little doubt inside.

"Oracle Yennie, are my sister and the others possessed?" he could not help but ask Yennie.

Darryl was fighting with the Ghost Vines in the swamp and the Mirror Devils. He thought Sarah and Andy were being possessed.

'Possessed?' Yennie's brows furrowed.

"They're not your sister and friends. They were transformed from the Mirror Devils, " she replied seriously.

As a Nine Saint Oracle, Yennie was able to easily identify the Mirror Devil's original form.

Having heard that, everyone was incredibly shocked. These people are all fake? So they are transformed from the Mirror Devils? 'But ... what are Mirror Devils?'

When she saw the confused looks on Darryl and the others' faces, she bit her lips and continued, "Mirror Devils are unusual. They're really evil and like to transform into stone steles. The surface of the stone steles will be as smooth as a mirror. Once someone approaches and looks into the mirror, the Mirror Devil will transform into that person. So, your sister and friend were ambushed by these Mirror Devils."

Quincy and the others looked at Darryl, feeling ashamed of themselves.

'Darryl was right. If I listened to him earlier, I wouldn't have been trapped by the Mirror Devils, Quincy thought.

Enraged, Darryl gripped the Heavenly Halberd firmly and fought fiercely with the Mirror Devils.

What frustrated Darryl the most was that although the Heavenly Halberd was incredibly sharp, it did not seem to cause any harm to the Mirror Devil.

Chapter 3033

The Mirror Devil was chopped in half by the Heavenly Halberd. However, in the blink of an eye, it reformed. It was so strange.

'Sh*t, what is happening?' Darryl thought.

The more he fought, the more worried he became. Then, he activated the White Lily Cold Flame, but it was still the same. The Mirror Devils were not affected at all after being burnt by the White Lily Cold Flame.

Yennie, who was still fighting, shouted, "Darryl, the Mirror Devils are formed from the evil aura here. They're demon spirits and don't have a real body, so you can't deal with them in a normal way. Didn't you consume the Chaotic Yin Yang Bead from Empress Nuwa? Use the energy from the Yin Yang Bead to attack them!"

The Chaotic Yin Yang Bead contained a spiritual aura from heaven and it was something that the Mirror Devils feared the most.

"That's right. How could I forget that! ' he thought, blinking.

Instantly, he activated the energy of the bead.

Bang!

He raised his right hand slowly and a bright ray exploded out of it. He punched the ray at the Mirror Devils. The Mirror Devil, who had transformed into Sarah, felt the Yin Yang Bead's energy and became terrified out of instinct. Its face changed as it retreated immediately. However, it was too late.

Bang!

The Mirror Devil was punched hard and it sent the Mirror Devil flying through the air from the force. It flew meters away before it crashed into the muddy swamp.

Struggling to stand up, the Mirror Devil looked closely at Darryl in disbelief. "You ... have a heavenly aura? How could a human have a spiritual aura from heaven?"

A cold grin appeared on Darryl's face as he stared at the Mirror Devil. "You don't need to know. Where is my sister and brother, Andy?"

Bang!

As he spoke, he raised both his hands and activated the Chaotic Yin Yang Bead energy again. His body was covered with a strikingly bright ray.

"You are that lady's brother? You want to know where they are? You won't know unless you catch me. Ha-ha-ha!" the Mirror Devil stared at him.

Then, it turned into a black light and ran away.

At the same time, the other Mirror Devils could no longer withstand the eight Oracles' attack. They split up and ran off in different directions.

"You're running away?" Darryl snorted as he glared at the Mirror Devil that was transformed into Sarah and ran after it.

He knew that since the Mirror Devil could transform into Sara and Andy, it would know where they were. He had to capture one of them no matter what. He chased after the Mirror Devil, and without realizing it, they had left the swamp.

A few minutes later, both parties arrived in front of a mountain one after the other.

Whoosh!

Once they arrived at the front of the mountain, the Mirror Devil sprinted like a shadow into the gaps between the rocks and disappeared out of sight.

Darryl was furious as he stared at the mountain in front of him, furrowing his brows.

The mountain was made up of huge square rocks and was a few hundred meters high. It looked like a massive grave from afar and there were huge gaps every few meters between the rocks.

Darryl felt a strong evil aura deep inside the huge rocks and he felt there was something scary hiding inside it.

"Come out here!" Darryl roared angrily at the gap but did not enter.

Chapter 3034

A sinister laugh came from the gap between the rocks. "Tsk. Tsk! Young man, I thought you were powerful? Come and catch me if you dare. I'll tell you where those people are after you catch me."

'Sh*t!' Darryl cursed to himself, furious as he sprinted into the gap.

Once inside, he saw the gap was really narrow and the tunnel that led inside was messy and complicated. It was like a huge maze. He also saw the Mirror Devil was standing not far away.

The Mirror Devil had an evil grin when it saw Darryl was inside.

"You're brave, young man. You actually had the guts to come in here!" it said with an evil glint in its eyes.

The Mirror Devil had lured Darryl in there intentionally. They were in the Evil Spirit Tomb, which was in the center of the King of Death's Cauldron. Evil auras would gather there and there was also a Demon Pagoda deep inside. It was extremely dangerous.

Since Darryl had a spiritual aura from heaven, the Mirror Devil thought there was no other way for it to beat Darryl, so it lured him into the Demon Pagoda.

Once Darryl entered the Demon Pagoda, there was no way he would live.

Darryl's gaze was locked on the Mirror Devil as he questioned, "Where's my sister and my friend?"

The Mirror Devil stayed quiet and just grinned before it turned to run in the direction of the Demon Pagoda.

"Sh*t!" Darryl chased it.

Eventually, they arrived in front of a stone door and the Mirror Devil ran into it, with Darryl following closely behind.

Then, the Mirror Devil let out a sinister laugh and activated the trap at the stone door. "Ha-ha-ha!"

There was a loud bang as the stone door shut suddenly. Then, the Mirror Devil transformed into a black mist before escaping through the gap in the stone door.

Everything happened so quickly and since Darryl was not familiar with the surroundings, he was instantly trapped behind the stone door.

"Young man, enjoy yourself in the Demon Pagoda!" The Mirror Devil smiled happily and left quickly.

"Sh*t!" Darryl punched the door hard in anger.

'Sh*t! It managed to escape after all. What stupid place is this?' he thought.

He turned to look around him and started to feel uneasy. The space was the size of a basketball court and it was dark with just a few green, spiritual flames floating in the corners of the room. There were also a few dozen spirits floating above him.

The spirits' faces were incredibly pale and they had an evil glint in their eyes, making them look terrifying. These spirits had been dead for some time and trapped in the King of Death's Cauldron. They had been absorbing evil aura all year round, which turned them evil.

He inhaled a cold breath as his heart pounded fast.

Whoosh, Whoosh. Whoosh.

At that moment, the spirits sensed Darryl's presence and locked their gaze on him, proceeding to pounce on him.

Darryl was shocked when he saw the spirits charging at him. However, he had no time to think as he activated his internal energy immediately and punched them.

Pow!

However, Darryl's worst fears came to light. Not only did his punch not deter the spirits, but it also went straight through their bodies instead. It was as if he was hitting the air.

Before he could react, a few spirits captured both his hands while another choked him! In an instant, he was struggling to breathe as his face turned purple from being choked. At the same time, he felt an evil aura from the spirit that made him feel like he was freezing. It was as if he had fallen into an ice tank and even his soul could not help but shiver.

" Ah!" he shouted in fear.

'Sh*t, these spirits are all dead, so my internal energy has no effect on them at all. What do I do?' he thought.

Whoosh. Whoosh. Whoosh.

Chapter 3035

Darryl's roar attracted spirits and they all floated in like an evil blowing wind as they surrounded him.

A few spirits were still holding him down, so there was no way for him to escape. In a matter of a few seconds, his body was frozen by the evil aura and he was starting to lose consciousness.

Darryl was becoming worried. 'I'll definitely die here if I don't figure out a way to escape. I'll turn into a spirit just like them.'

Suddenly Darryl blinked and he had an idea.

Boom!

Darryl activated the energy within the Chaotic Yin Yang Bead. Earlier at the swamp, he managed to defeat the Mirror Devils with the power of the Chaotic Yin Yang Bead, so it should work on these spirits.

The Chaotic Yin Yang Bead was a present from Empress Nuwa to Darryl. It contained the spiritual energy from heaven and was the nemesis to all evil.

Then the next second, a black bead gathered slowly in front of Darryl. It was the Chaotic Yin Yang Bead.

Earlier at Empress Nuwa's crystal palace, Darryl and Laura Hanson both obtained the Chaotic Yin Yang Beads. Darryl's was the black Chaotic Yang Bead, while Laura's was the white Chaotic Yin Bead.

Woo ... Woo.

The spirits started to panic when the Chaotic Yang Bead appeared and they suddenly dispersed. However, before they could escape, they were absorbed into the bead.

After the Chaotic Yang Bead absorbed the spirits, he felt his power increased substantially. Not only that, his understanding of the Chaotic Yang Bead increased to another level.

Darryl was really excited when he felt that!

He did not expect that the Chaotic Yin Yang Bead could not only be used to defend against the evil spirits but absorb them too.

'The Mirror Devil thought trapping me here would give him an advantage. I never expected this dangerous environment would become my cultivation ground and increase the power of my Chaotic Yin Yang Bead energy,' he thought.

Without further thought, he activated the Chaotic Yang Bead to absorb all the spirits around him.

Woo

In an instant, the spirits panicked and were in a flurry as they tried to escape, but there was no way they could escape their fate. Meanwhile, the Mirror Devil was watching everything and was shocked.

If an ordinary person were trapped there, they would have become a spirit. However, Darryl was not in any danger and the place became his cultivation ground.

One minute passed. Five minutes passed. Finally, after an hour, Darryl had absorbed most of the spirits.

He saw the Chaotic Yang Bead was shining brightly and the energy inside looked engaged. He sat on the ground and took a deep breath. 'Sh*t! Finally, it's done!'

Next, Darryl furrowed his brows when he saw something in the corner of his eye. There was a flight of stairs covered in dust.

"There is another level?! This is a pagoda?" he mumbled in his head as he rested.

Then, he walked up the stairs slowly. At that moment, he was still not aware he was trapped in the dangerous Demon Pagoda.

Once he reached the second level, Darryl furrowed his brows instantly. There were countless underworld armies on that level and their eyes looked hollow. They wore black armor and held long blades as their bodies were surrounded by an evil aura. They were much stronger than the spirits on the first level.

However, Darryl was not worried at all. He had the Chaotic Yang Bead and he was unbeatable.

Chapter 3036

"Come on!" Darryl shouted as he activated the Chaotic Yang Bead and headed right over to the soldiers.

As Darryl speculated, the Chaotic Yang Bead controlled the underworld armies completely. In the blink of an eye, the Chaotic Yang Bead shined even brighter after absorbing a lot of the underworld soldiers.

...

Meanwhile, at the Ghost World, Lord Kenny sent the news to Hansel immediately after he used the King of Death's Cauldron to trap all the elite warriors from the major sects and the eight Oracles.

Hansel was delighted to receive the news and he led Lord Kenny into the Ghost World from the Soul Offering Road to meet the King of the Dead.

Although Lord Kenny was prepared when he stepped onto the Soul Offering Road, he was still terrified! The entire Ghost World was deadly and had no sense of life at all.

Once he entered the Underworld, he saw many huge black-colored buildings. Lord Kenny felt unsettled in his heart. The Underworld Main Hall looked similar to the palaces in The Nine Continent. The only difference was there was no aura from anything living and everything looked dead or cold.

Lord Kenny was nervous when he entered the main hall. He saw envoys standing orderly, and a giant figure was seated on the treasure seat. His face was as sharp as a knife and he looked like a devil as his body released an intimidating aura. He was the King of the Dead!

At that moment, Hansel walked forward slowly and presented the King of Death's Cauldron. "Your Majesty, Lord Kenny did not manage to capture the eight Oracles alive, but he managed to trap them in the King of Death's Cauldron. He also trapped the elite warriors from various sects of The Nine Continent."

Lord Kenny was standing behind Hansel and looked nervous.

The King of Death took the King of Death's Cauldron and looked at Lord Kenny.

"I found the right person. You have done this task well. Lord Kenny, I order you to send your army to conquer all the continents! All the elite warriors are trapped in the King of Death's Cauldron, so this is the perfect opportunity for us!" he complimented.

Lord Kenny was delighted. The Nine Saint Oracles were like a thorn in the King of the Dead's eyes. He was no longer worried since everyone was trapped.

"Yes, Your Majesty!" Lord Kenny nodded immediately.

Then, he remembered something and asked, feeling worried, "Your Majesty, my New World grand army are skillful in battle, but if the other continents join forces –"

The King of the Dead waved his hand to interrupt Lord Kenny. "You don't have to worry about that. Jack from the Asura Tribe will assist you."

As he spoke, the King of the Dead looked around. "Jack!"

After he spoke, Jack walked over quickly.

"I am here at your service, Your Majesty." "I'm at your service, Your Majesty," Jack said with respect.

"Gather your people immediately and conquer the Raksasa Tribe with Lord Kenny. Go now!" the King of the Dead said as he smiled.

He had a plan and he needed Lord Kenny and Jack to work together to conquer The Nine Continent. He would handle the Nine Saint Oracles inside the King of Death's Cauldron.

"Yes, Your Majesty!" Jack immediately took the order and left the main hall quickly with Lord Kenny.

...

Meanwhile, Natalie was seated on the treasure seat in the Queen's main hall at the Raksasa Tribe camp. Her brows furrowed as she looked worried.

The Raksasa Tribe warriors below her were silent, not saying a word. The atmosphere was depressing.

Two days ago, news about the incident at the South Cloud World with the Nine Saint Oracles spread across The Nine Continent. The South Cloud World royal family wanted to construct the Profound Heaven Great Formation for the Nine Saint Oracles and asked The Nine Continent for assistance. However, during the conference, Lord Kenny took out an unusual cauldron and trapped everyone inside it.

After Natalie received the news half a day ago, she could not sit tight instantly.

When Natalie got word of this half a day ago, she became restless. No matter what they were closely connected. If there were unrest in The Nine Continent, the Raksasa Tribe would not have peace either.

At that moment, Natalie looked around then said softly, "Everyone, I ordered all of you to send people to gather the news half a day ago. Did you find anything?"

The warriors shook their heads in response.

Lord Kenny trapped all the elite Warriors using the unusual cauldron then disappeared without a trace.
