

## **Let Me Go, Mr. Hill! by Shallow South Chapters 2118**

Lin Fanyue was startled, and suddenly reacted, "How do you know I'm finished?"

She looked around subconsciously.

Song Qingrui explained: "My car was parked near the restaurant where you were eating. I just saw you come out. Get out of the car. I'll come and find you."

"I got out of the car, where the car turned in front.

"

"Wait.

"

Lin Fanyue waited there for less than five minutes. Song Qingrui drove the Audi and came to her. The window of the co-pilot

opened, revealing the face of Qingjun, "Get in the car.

"

After Lin Fanyue got in the car, she glanced at the McDonald's half-eaten on the console and the laptop in the back seat, astonished, "Would you not eat this thing at night?"

"Well, I worked overtime until seven o'clock, so I drove over.

"

Song Qingrui smiled nonchalantly, "What's wrong with hamburgers? When I was studying abroad, I used to eat it frequently. It was convenient and fast. Besides, there were couples on the streets during the festival today. I ran to eat alone. Are you looking for abuse?"

"

After finishing speaking, I looked at her helplessly, "I don't like the sympathetic gaze of others looking at me.

"

Lin Fanyue understood what he was talking about.

When you are single, you sometimes hate Valentine's Day, Singles' Day, and Christmas. This kind of holiday will make you stand alone.

But these words came out of Song Qingrui's mouth, she felt a sense of guilt inexplicably.

It seems that there is a feeling of abandoning him first, and my heart is also muffled.

"Actually, I didn't eat enough just now, or let's go eat something.

Lin Fanyue looked out the window, "Just that one, how about the fried noodles?" "

"good.

"

Song Qingrui bent her lips and found a place to park the car.

The Zhajiang Noodles store is very small, but because there are so many people during festivals, there are even queues.

Lin Fanyue went to take up the position, not long after Zhou Xuming sent me a WeChat message: [When you get home, remember to send me a message, don' t worry, I don' t care about what your ex-husband said, I will see with my eyes if you are a good woman]

**【thanks】** .

After she replied, Song Qingrui came over with two bowls of fried noodles. He glanced at her phone, and then gave her a pair of chopsticks. "Let's talk about the blind date. Didn't you say that you might have to eat until 8 o'clock? Isn't it unpleasant?"

"

"When I met Song Rongshi and Ning Lexia, Song Rongshi said in front of Zhou Xuming's face that it was terrible, and it made me lose face.

Lin Fanyue complained irritably, "Is it necessary? They are all divorced. At least I have children for him. I just want to start my life again, but he doesn't look like he doesn't make my reputation worse.

"

"Hate you because of Ning Lexia.

"

Song Qingrui said gently, "You don't have to think too much about it. If Zhou Xuming minds this kind of thing, it means it's not worthy of your further understanding.

"

"Zhou Xuming didn't. He just sent me a message to explain.

"Lin Fanyue lowered her head and said, "In fact, he is pretty good too."

"

It just didn't make her feel that heartbeat, but there were still common topics in the chat, which would not be cold, and when she quarreled with Song Rongshi, he did not stand up and say a word for himself.

But it is understandable, after all, the two met for the first time.

But if Song Qingrui were in that situation at the time, he would definitely not make people watching the show look strange at him.

### **Let Me Go, Mr. Hill! by Shallow South Chapters 2119**

When she was thinking about it, she didn't notice Song Qingrui's eyes sinking slightly.

"That's it.

"

Song Qingrui circled the noodles with chopsticks, "I have an alumnus who came back from studying abroad and went to Beijing University, but he was younger and was a teacher there. I asked him to inquire about Zhou Xuming, who is very knowledgeable in this respect. Zhou Xuming

is really nothing to say, but after he got divorced and returned to China, he seemed to have had two romances. One of them was a student of Beijing University, only 23 years old. Because of his refined personality, many young girls in the school had a crush on him, but he The girlfriends you' ve been with before are all young and beautiful, but you are also in the beautiful range, and he should like you quite a bit.

"

" "

Lin Fanyue was a little bit complimented in an instant.

It is not impossible for a professor to fall in love with a student.

But it shows that Zhou Xuming may also like young and beautiful girls in his bones, and

there are many young girls chasing him, and the probability of derailment in the future is also high.

She herself is also a divorced person, even if she is only in a relationship, she will consider the sense of security.

After all, she was derailed once, and she was afraid of repeating the same mistakes.

"My mother may not even know about this. She must have also heard about Zhou Xuming. He is indeed very good in terms of all conditions.

"

Song Qingrui added, "By the way, my friend also said that Zhou Xuming is very busy. Although he has children, he is usually not seen in school.

"

""

Isn't this what Chi Guoguo told him that Zhou Xuming didn't bring children at all.

Lin Fanyue believed it. During the meal before, between words, she felt that Zhou Xuming didn't understand the child at all.

What does it mean, it means that he doesn't even care about his own children.

If you go further in the future, don't expect him to be half of Song Qingrui to Yueyue.

Before giving birth to a child, Lin Fanyue would not consider that the conditions for choosing a spouse must be a warm man who cares for the family and takes care of the children, but after having a child, and seeing Song Qingrui treat Yueyue so well, she will think Song Qingrui is also a man, then don't Can't's man be like Song Qingrui.

And even though Huo Xu used to be scumbags, he is also very good to the two children now. Huo Xu picks up all kinds of cram schools, and even goes to the playground and plays with Huo Xu.

She had a wrong marriage, so she would not want to wrong herself.

After thinking about it in his head, Zhou Xuming just passed.

"Forget it, I won't meet Zhou Xuming in the future, I will tell him clearly when I go back.

"Lin Fanyue said decisively.

A smile flashed across Song Qingrui's eyes, but his face became more real, "have you not touched it? He is indeed very promising.

"

"I'm also very promising.

Lin Fanyue pouted, "I don't lack money, he likes beautiful beauties, I also like handsome guys, but I don't think he is handsome enough.

"

"Are you handsome? It's so so-so, it can't compare with me.

"Song Qingrui smiled.

Lin Fanyue glanced at his handsome face, and then thought about Zhou Xuming's face, there was really no idea at all.

What does it mean that there is no harm if there is no contrast.

"Then tell me, what kind of man do you like, I will help you find.

"Song Qingrui's head tilted slightly and moved closer to her, "I'm different from my

mother. I'm sure to send people to you before they are clear in the investigation."

"

"I.

"Lin Fanyue's eyes met him, and the two were close to each other, almost only a fist apart, and her shadow was reflected in the depths of his dark eyes.

She blanked her head for a few seconds, and then said: "Good personality, good temper, loyal to feelings, patient with children, tolerant of me, no matter whether I am young, or whether I am old in the future, I will always treat me well as always. , Of course, it' s okay to be long, not to mention handsome and handsome, but it' s not too bad, the best conditions are not too bad, it ' s not a man who dislikes a bad family, it' s

just that everyone has a common topic.  
point.

"

Song Qingrui said meaningfully.

Lin Fanyue was embarrassed, "Am I going to go too high.

"

"not tall.

"Song Qingrui said with a smile, "Except for his parents' undecidable appearance, if a man can't be gentle, considerate and loyal to his partner, there is no need to marry a wife, just find a nanny."

"

"You also think I'm right.

"Lin Fanyue became happy all of a sudden, "I don't want to pick it either. I can't help it. In the past, it was because I didn't pick it so much that I was hurt again and again. Sometimes I was really afraid of being hurt again.

"

"Will not.

"

Song Qingrui stared at her with dark and deep eyes, "With me, no one will hurt you again.

"

There was a lot of noise in the small restaurant.

But Lin Fanyue suddenly felt that the surroundings seemed to be quiet.

Song Qingrui looked serious in her eyes, making her face uncontrollably hot, and even the illusion of lack of oxygen around her.

"Eating noodles, you can't keep up with the movie if you don't eat it.

"Song Qingrui reminded with a smile.

"Oh.

"

Lin Fanyue lowered her head to eat noodles quickly.

Song Qingrui looked at her red ears and smiled

After eating, the two went to a nearby cinema.

When entering, Song Qingrui bought a bucket of popcorn, two glasses of freshly squeezed juice, and a duck neck.

When I watched it, Lin Fanyue grabbed the popcorn and kept eating, even the duck neck was clean.

I eat too much and my mouth is dry, and I need to drink juice.

In the middle of the movie, Lin Fanyue felt something was wrong. The glass he had drunk before seemed to be bottoming out, why he still had a lot of it in his hand.

A few seconds later, she awkwardly pulled Song Qingrui's sleeve.

"What's wrong?"

The movie theater was loud, and Song Qingrui bent over, pressed her thin lips to her ear, and asked.

The man's warm breath sprayed onto her earlobes, like electricity rushing through, Lin Fanyue's heart seemed to crumble in half. Fortunately, the movie theater was very dim, and she couldn't see her blushing appearance.

But she ignored the sudden twinkling of her eyes.

After Song Qingrui caught it up close, he immediately understood.

Seeing that she was not speaking, he deliberately leaned to her ear again, and continued to ask: "What's wrong with me?"

His thin lips touched her earlobe intentionally or unintentionally, Lin Fanyue's body trembled slightly, and the whole figure was touched by a more intense electric shock. She sat straight in an instant, staring at him, "What are you doing?"

On the screen, when the plot of the movie came to a certain tension and rush, it also covered her voice a lot.

"Huh?" Song Qingrui asked her ears again with a dazed expression, "What are you talking about?"

Lin Fanyue didn't dare to let him come close, and hurriedly hid to the side, but ran into the man on the other side.

The man glanced back at her casually.

Lin Fanyue quickly apologized, but she didn't know if the other party heard her clearly. Anyway, the other party continued to watch the movie.

She retracted her head and saw Song Qingrui raised her eyebrows at her.

As soon as she gritted her teeth, she pulled Song Qingrui's head in annoyance, and

leaned close to his ear and said angrily, "I accidentally drank your juice just now.

"

The woman's breath is sweet and soft.

Song Qingrui seemed to understand how she felt just now.

### **Let Me Go, Mr. Hill! by Shallow South Chapters 2121**

So he leaned into her ear and said, "It's okay, I don't dislike you.

"

Lin Fanyue: ""

She avoided, because she really didn't want to bite her ears with him anymore, she was so close, her brain was numb now.

As for the ear that he touched before, Song Qingrui should have touched it accidentally.

It's just that she reacted a little bit more seriously. Could it be that she is getting older and lonely and empty and cold?

Probably not.

Lin Fanyue blushed and started to lose her mind. Anyway, there was something in the middle of the movie that she didn't pay attention.

After watching the movie, it was past eleven o'clock.

The mall has closed, and the leaving audience can only take the elevator down. Due to the large number of people, the small elevator is full.

Lin Fanyue leaned in the corner and was not squeezed because Song Qingrui was blocking her. He held the wall with his hands and kept a distance from him.

Until a fat man came in, he squeezed Song Qingrui over.

Unprepared, Song Qingrui's body was completely pressed on Lin Fanyue.

The woman's body was bumpy and trapped in her arms, like a little cat.

Song Qingrui was almost burned by the flames.

Fortunately, he tried desperately to restrain himself, and he didn't let the person in his arms notice the strangeness.

Lin Fanyue's entire face was attached to his chest, and the two of them were almost like a couple. She also became unnatural, and her body rose from the soles of her feet and drilled on top of her head.

After finally getting to the parking lot, the people in the elevator left one after another.

The two walked out, Song Qingrui whispered, "I didn't squeeze you, the person behind me just now looked like a mountain and couldn't move at all.

"

"I saw it too.

Lin Fanyue curled her lips, "I was almost squeezed.

"

Song Qingrui didn't speak, but turned her head to look at her reddish and full lips. She had a duck neck in the theater before, and her mouth and face were hot and red, but it was full of seductiveness and made her want to kiss. Take a bite.

This night, he did experience a lot of things that made him almost lose control.

Song Qingrui, who has always been strong in self-control, realized at this moment that he might not be able to bear it for too long.

Walking to the front of the car, Song Qingrui opened the trunk, which contained a bunch of pink roses and a small gift box.

He took it out and handed it to Lin Fanyue, "Merry Christmas.

"

Lin Fanyue was stunned, feeling at a loss for a moment, "What are you doing?"

"Christmas gifts, didn't you say that many colleagues gave you Christmas gifts today, even others gave you Christmas gifts, it would be too shameful for me not to give them.

Song Qingrui smiled calmly at her, "take it, I give gifts to my family every year during the holidays."

"

"Ok.

"

After Lin Fanyue took it, while faintly relieved, there was another feeling of inexplicability.

Well, the moment she saw the gift just now, she was romanticized, and even thought about whether Song Qingrui liked her.

As a result, she thought more.

He likes men.

How could she forget.

"Did you send flowers to your godmother?"

She asked, looking up.

"If I send flowers to my mom, my dad might want to beat me up.

"Song Qingrui joked, "But if I don't send you flowers, I guess no one will send you flowers."

"

"Hate.

"

Lin Fanyue slapped him gently, her voice was soft, and she didn't realize it, just like acting like a baby.
