Chapter 4343

The butler shook his head and said, “Master, Robbin said it was a clue related to Young Master Randal!”

“Oh?!” When Dawson heard this, he raised his eyebrows and said offhandedly,

“Where is he? Get him over here!”

The butler busily said, “Right at the door, I’ll bring him in!”

A few moments later, Robbin Song, who was in charge of the business, trotted into the study.

As soon as he saw Dawson and Adam, he hurriedly bowed and said,

“Master and Young Master, my name is Robbin Song, I am the business team

Dawson directly interrupted him and questioned him in a cold voice:

“I heard that you have clues about Randal, hurry up and speak!”

Robbin hurriedly said, “Master, there is a young master’s side maid, I think she seems a little suspicious!”

Dawson frowned and questioned, “What’s going on?”

Robbin explained: “This is the case, last night you instructed us to find Concorde,”

“I rushed to communicate with a family in France,”

“Just met Edna, and then made an appointment with her about going to Las Vegas for the weekend,”

“At that time she specifically asked me what I was doing on the phone at this late hour,”

“I said I was helping you buy Concorde, and then she asked me what Concorde was.....”

The first time he spoke, Robbin hurriedly slapped himself and said nervously,

“Master, it’s all my fault for not having a gate on my mouth!”

“I was thinking, she is also the subordinate of the Fei family,”

“So the sense of secrecy immediately raised,”

“So I blurted out that you sent people to Japan, but the ordinary plane takes too long,”

“So you have to buy a Concorde this thing

“But you can rest assured that I definitely did not say what you sent to Japan,”

“Let alone you sent people to Japan to do

Dawson impatiently yelled, “Get to the point!”

Robbin shivered in fear and said in a hurry, “The point The point
The point is that Edna,”

“She could not know what you were sending people to Japan for,”

“But she asked me at the time if you are sending people to Japan to find ninjas,”

“I felt a little wrong, but can not say what is wrong,”

“Until just now I heard that you sent people to Japan who had an accident,”

“And saw the video released by the Japanese Iga ninja, only suddenly remembered what is wrong!”

As he spoke, Robbin very certain continued: “Master, Edna is a servant,”

“And at that time she still came in from the outside,”

“So how could she know about the ninja? Therefore, I concluded that she must be deliberately testing me,”

“Trying to get information from me! There must be something wrong with this woman!”

“Maybe she has something to do with the kidnapping of Young Master Randal!”

Hearing this, Dawson’s veins burst out and he yelled,

“It’s hard to prevent a thief in the family whether it’s a day or night!”

After saying that, he stared at the housekeeper and roared, “Go get that Edna and bring her to me!”

.....

At this moment, Edna was serving beside Randal’s mother.

However, today, she had been a little distracted.

The reason for this distraction is because her sweetheart,

The famous young master Jesse Qiao of Seattle has evaporated since she sent him a message last night.

She went to the villa where Jesse lives, there was no trace,

She has been calling him since then, sending text messages,

But the phone has been prompted to the other party has been turned off,

And text messages are also like stones sinking into the sea.

The sudden disappearance of her beloved made Edna’s heart suddenly lost.

She even once had the illusion that everything,

That happened between her and Jesse was just a beautiful dream.

The second hand of the watch kept on beating,

As if to remind her that everything before was not a dream.

But so, she had a new worry in her heart,

She was afraid that Jesse was abandoning her in disguise.

Chapter 4344

Although the Richard Mille that Jesse gave her was also worth a lot of money,

But compared to the future life of a young grand-daughter of a luxurious family,

A mere watch, she did not even put it in her eyes.

While her mind was wandering, the housekeeper,

With the maid, supervisor, and several sturdy bodyguards, rushed in directly.

The butler said to Adam's wife, "First Madam,"

"I'm looking for your maid for something, please excuse me."

Adam's wife knew that the butler had a lot of power in the Fei family,

And this time he came to look for her maid,

So he must have something important, so she nodded hastily and said, "Be my guest."

The housekeeper said thank you, and immediately after that,

The maid supervisor beside him pointed at Edna and spoke, “That’s her! She is Edna!”

At this moment, the other maids in the room were all trembling with nervousness,

In their opinion, the housekeeper had come so aggressively to ask for someone, that it could not be anything good.

But Edna was the only one who didn’t think so,

She thought that this must be her prince charming coming to rescue her!

Maybe after walking out of this room, it won’t be long before she becomes Mrs. Qiao.

Next time, when she returned to the Fei family as Mrs. Qiao,

The Fei family’s servants, including the Fei family’s big butler, would have to treat her with respect!

Thinking of this, she said excitedly and incomparably, “I am Edna, what do you want from me, butler?”

The butler stared at her and said to the bodyguards around him, “Take her away!”

Two bodyguards immediately rushed forward and grabbed Edna’s two arms roughly, and then set her up.

Edna struggled angrily, “What are you doing? Do you know how much it hurts me?”

“If you really hurt me, can you afford to be responsible?”

The housekeeper came over and slapped her across the face, scolding her angrily,

“You’re not afraid at all, but you dare to shout here openly,”

“Let’s see how the master will fix you!”

After hearing this, Edna’s whole body was scared speechless.

She couldn’t understand why the master wanted to clean her up for.

The master was the head of the entire Fei family,

And she was a small maid in the Fei family,

There was a difference of a hundred thousand miles,

She didn’t even have the chance to see the master, how could she have offended him?

The frightened Edna was taken directly to the large study of Dawson.

As soon as the two bodyguards put her down, Dawson stared at her and asked in a stern voice,

“How did you know that I was going to send someone to Japan to look for ninjas? Tell me now!!!”

Edna was frightened by Dawson's aura and immediately wanted to tell the truth,

But then she thought, "Young Master Qiao has instructed me,"

"That these things must not be told to anyone, not even my parents!"

"This is about the future of both of us, about my lifelong happiness,"

"I absolutely can not let young master Qiao down!"

Thinking of this, she hurriedly said, "I I was just blurting it out"

"After all After all, Japanese ninjas have always been very famous"

Adam at this time saw Edna unexpectedly denied, completely sulked,

He directly rushed forward, cursing under his breath:

"Still fcuking lying! See if I don't beat you to death!"

After saying that, he kicked her in the stomach, she fell out backward,

Fell heavily to the ground and slid backward for several feet.

Just when Adam wanted to rush up and continue the violent beating,

He suddenly saw that there was a watch on the floor,

Which fell out of Edna's pocket just now.

So, he picked up the watch, fixed his eyes on it, and could not help but frown: “Richard Miller?”

Robbin on the side was a Richard Miller super fan,

And had bought a few Richard Miller entry model watches himself,

So he immediately recognized the model number of this watch, which turned out to be RM056!

He immediately realized that there was really something wrong with this Edna!

So he hurriedly said, “Young master, this is Richard Miller’s RM056!”

“If I remember correctly, it is limited to only 10 pieces worldwide,”

“And the market price is at least three to four million dollars or more, and there is no market for it

After hearing this, Adam immediately glared at Edna and questioned,

“Speak! How did you, a maid, get such an expensive watch?!”

Chapter 4345

Edna was so concerned about this watch that she carried it with her,

But since she was still a servant, she didn't dare to wear a Richard Mille on her hand,

And never thought that it would fall out when it was placed in her pocket.

Seeing that she was discovered by Adam, she hastily lied and said:

"This This watch was given to me for safekeeping by a friend of mine
....."

"Friend?" Adam said in a cold voice: "What friend? What's the name?"

Edna replied nervously, "I I I'm not at liberty to say his name
....."

After saying that, she hurriedly added:

"But this is a private matter between me and him, it has nothing to do with other people"

Adam still wanted to press the question, but Dawson has lost patience,

He said in a cold voice: "Why is she prevaricating so much!"

"If you don't tell the truth, just cut Off her ears!"

When Adam heard his father say cut Off her ears, he immediately thought of his own son.

When he thought about it again, the maid was probably related to his son's kidnapping,

So he was immediately enraged and said to one of the bodyguards,

“Quick! Cut Off both of her ears for me!”

After saying that, Adam felt that he was not satisfied and immediately added,

“Cut Off her nose too! I’ll see if she still has a tough mouth!”

The bodyguards were all deadly soldiers trained by the Fei family,

So of course they obeyed the two of them. When they heard the order,

They immediately took out a tactical dagger without saying a word and rushed directly at Edna.

She cried out in fear, not caring about Jesse and being Mrs. Qiao at this moment,

Only thinking about saving herself, so she cried out loudly, “I speak! I’ll speak!”

After all, in Edna’s opinion, even if she would rather die than give in,

By the time her ears are gone and her nose is gone, Jesse will not marry her.

Moreover, who knows how this Jesse has angered the Fei family,

In case he really has something to do with the kidnapping of Randal,

Then the Fei family will definitely not spare her,

Then even if Jesse wants to marry her, she must not marry him.

So, Edna hurriedly kneeled on the ground and said with a pious face:

“Young master, this watch is given to me by young master Randal’s good friend Jesse Qiao

“The Japanese ninja matters, he also asked me to pay attention to inquire

“But I really don’t know what he has done

“Jesse?” Adam frowned slightly, searched in his head for half a day,

Opened his mouth and asked, “Jesse, is this Randal’s Seattle’s college classmate?”

“Yes

“It’s him! Some time ago, Young Master Randal asked his assistant,”

“Evan to receive him from the airport to the manor,”

“And then arranged for him to live temporarily in the vacant villa

“What are you saying?!” Adam interrupted her and questioned,

“That Jesse is living in the Fei family? Where is he?”

Edna said: “It is true that he lives in the Fei family Estate,”

“Every day I carry for him his food, and often give him some daily necessities,”

“Young master Randal went to meet with him every day,”

“And the two often discuss things in the study discussion going on for a long time,”

“Yesterday young master Randal had an accident, we have been busy serving the great grandmother,”

“I also waited until after the shift to give him some food then he gave me this watch,”

“And said that I need to tell him if there is any news about the Japanese ninja

Adam impatiently asked, “I asked you, where is he!”

Chapter 4346

Edna said in a hurry: “I heard from Robbin that the master sent someone to Japan to look for ninjas,”

“The first time I told him, then he disappeared

Adam hurriedly looked at Dawson and blurted out, “Dad! Could it be that Jesse did it?!”

Dawson frowned tightly, a person holding his chin pacing back and forth,

But for a day did not speak a word.

Adam could not stand it and hurriedly urged, “Dad! You should say something!”

Dawson only then spoke: “I do not know this Jesse, but I remember,”

“The Fei family’s financial reports in previous years,”

“And Seattle’s Qiao Group’s cooperation has been increasing,”

“The amount of cooperation from a billion a year, all the way up to billions,”

“This Qiao Group’s share price, because of close cooperation with us, a few years time has increased nearly ten times “

Adam gave a roar: “Then this Jesse is not ungrateful?!”

Dawson waved his hand: “I think it should not be done by him.”

Adam was surprised and asked, “Dad, so many clues are pointing to him, who else but him?”

Dawson shook his head: “You say which person is worth tens of billions of dollars,”

“Would go to the extreme to do kidnapping for ransom?”

“What’s more, the kidnapper is also his own golden master,”

“Is this not killing the chicken to get the eggs?”

Adam said: “Although he is worth tens of billions of dollars,”

“But most of that is the market value of the stock discounted into the stock,”

“In order to maintain the share price, the majority of shareholders can not arbitrarily reduce the stock,”

“Then the majority of his shares can not be realized,”

“He can really dispose of cash will be greatly reduced,”

“And may encounter some difficulties, desperate is also normal, right?”

“Still not right.” Dawson still shook his head and said,

“Think about it, if Jesse really wants to kidnap Randal, why would he run to the Fei family himself?”

“And Randal has already been kidnapped, he has not left,”

“Instead, he continues to stay here, let this maid help him, spy?”

Adam said without thinking, “Don’t people always say that the most dangerous place is the safest?”

“He is hiding in our house, this is the darkness under the lights, who can find him?”

Dawson asked again, “Then I ask you since he wants to hide in our home to play a hand in the dark,”

“He continues to lurk in darkness on the line? We didn’t find him, why would he leave?”

Adam immediately said, “I think, he must have a relationship with those ninjas,”

“It is likely that the ninja who kidnapped Randal was hired by him,”

“So he heard that we went to find those ninjas, the first thought is to hurry to escape!”

Dawson sighed and said with some hatred,

“You have not been clear about the logic underlying this matter,”

“Although that Jesse ran only after hearing that we went to find the Japanese ninjas,”

“But this also shows that if the ninja matter is not revealed,”

“Jesse does not intend to leave the Fei family,”

“And even he would like to continue to hide in the Fei family!”

Speaking of this, Dawson questioned,

“Think about it yourself, if he is really the mastermind behind the kidnapping of Randal,”

“Then why does he want to hide in the Fei family? He is also a well-known entrepreneur,”
