

Chapter 4492

Sara knew that it might not be convenient for him to speak,

So she lowered the volume a few points and spoke,

“Master Wade, the old lady of the An family just called me,”

“Saying that she brought the old man and a group of children to New York,”

“And they want to see my concert at night, what do you think how should I handle this matter?”

Hearing this, Charlie couldn't help but frown slightly.

He had vaguely felt earlier that Grandma's family might come to support Sara,

And he never thought that he would really be right.

In order to avoid any direct contact with his grandmother's family,

Charlie himself did not want to come to this concert.

But on the one hand, he didn't want to make his wife sad,

And on the other hand, there was a VIP box, so he didn't take it too seriously.

Now when he heard that the old lady had brought the old man, he spoke up and said,

“The visitor is a guest, Miss Gu better be nice and entertaining.”

Sara said: “Master Wade, I do think so, but now there is another situation,”

“The two people are old, and the status is rather special,”

“If really let them watch my performance in the audience,”

“I am afraid it is not appropriate, my idea is to arrange for them a VIP box,”

“So that the two old people can also be easier.”

After a pause, Sara said: “I will let Tasha arrange a good time,”

“Let her arrange for you and Mrs. Wade to enter the stage first,”

“And then arrange for them to enter, anyway, there is everything inside the box,”

“You and Mrs. Wade will not come out between performances, and after the performance,”

“I will let Tasha take them away first, you two should not have the opportunity to meet,”

“This arrangement is perfect. What do you think?”

Charlie slightly considered for a moment, then readily agreed and said,

“This arrangement is quite reasonable, as long as we can ensure that the two sides,”

“Do not come in and out at the same time, there should be no impact on feng shui.”

Sara naturally understood Charlie’s words, so she said,

“In that case, I’ll send a clear message back to the old lady,”

“And I’ll ask Tasha to arrange for them to be separated from you in a box so that it’s more secure and stable.”

“No need.” Charlie opened his mouth and said,

“Let the two sides be next to each other, it doesn’t matter.”

For Charlie, he also has some sense of selfishness.

For so many years, he did not see his grandparents again, but,

In his heart, his feelings for his grandmother are still relatively deep.

After the accident of his parents, his heart complained about grandpa,

Grumbled about grandpa, but never did complain about grandmother,

Because he knew that his grandmother was very good to his family of three,

Although not much to meet as a child, but her love for him, he still remembers very clearly.

Therefore, he also very much wants to take this opportunity to get closer to his grandmother.

Sara guessed what Charlie had in mind, so she said,

“Then I’ll let Tasha arrange them next door to you.”

“Okay.”

After hanging up the phone, Claire, who was curious at the side, asked, "Honey, was it Miss Gu who called?"

"Yes." Charlie nodded, not hiding.

Claire was surprised and asked, "Miss Gu is going to start her performance in one afternoon,"

"She should be very busy at this time, why is she calling you at this time?"

Charlie then said, "Miss Gu invited some guests with special status today."

"And wanted me to see if it would affect feng shui, I gave her an idea to minimize the impact."

Claire asked in surprise: "Guests also affect feng shui?"

Charlie casually laughed: "That's natural! In terms of feng shui, every blade of grass,"

"And every leaf of the tree will affect feng shui, let alone people."

"Strictly speaking, whether a person steps on his left foot or right foot first."

"When he leaves home in the morning will affect his fortune for the whole day."

Claire was surprised and asked, "Is it really that mysterious? Which foot first has a good effect?"

"Of course." Charlie laughed: "If the first step is left foot, it may go out smoothly,"

"The whole day you will be safe and sound, but if the first step is right foot,"

“The whole day’s smooth pace will all be disrupted, maybe because the right foot to go out,”

“Halfway down the stairs when the left foot is a step in the air from the stairs,”

“One might roll down to the hospital, it may also be because the right foot went out first,”

“After going out, the left foot accidentally stepped on dog sh!t;”

“And these things, if he goes out with his left foot first,”

“He can just naturally avoid it, this is the feng shui butterfly effect.”
