

## Chapter 4547

On the other end of the phone, Warnia's voice came out, "Keep an eye on her!"

Elaine drove the overbearing Rolls-Royce Cullinan all the way to Aurous Hill Harbour City.

After carefully backing up the car a dozen times in the underground garage before finally parking it,

She went to the first floor with Horiyan.

The first floor of Harbour City is almost all first-line luxury brands.

Among them, half of them are clothing and luggage brands,

Such as LV, Gucci, and the other half is jewelry, such as Bulgari, and Cartier.

Once they arrived, first dragged Horiyan to Bulgari's store.

Not knows how much better Bulgari is than other brands,

Mainly because Elaine like the name Bulgari, and thinks the name shows festive.

Once the two people got into Bulgari, Elaine went straight to the middle counter,

Then reaching the counter in front of a high stool seat,

Her right hand first came up and slapped the Rolls-Royce car keys on the counter,

The left hand moved and placed the Hermes handbag on the counter above, the one gifted by Charlie.

When the sales lady saw this, she thought she was a big customer,

So she hurried over and said very respectfully, "Hello lady, welcome to Bulgari, I don't know what you want to see?"

Elaine cleared her throat and said with an arrogant face,

"Ahem, what nice necklaces do you have in store, bring them out and give me a pick."

The sales nodded her head, then turned to the male sales and said,

"Jack, prepare two bottles of sparkling water imported from Spain for the customers,"

"And bring the latest perfume samples for the two of them to try."

The male sales immediately obeyed and did as he was told, and Elaine sighed in her heart:

"In the end, it's a big brand! This service is really not one!"

Horiyan stood behind Elaine, heart filled with strong emotion:

"Thinking back when the Willson family still had money, at shops I got this kind of treatment,"

"But now I enter a store, feel nervous, really a fallen phoenix is worse than chicken."

The female sales took out a tray full of necklaces at this time and placed it in front of Elaine,

Saying respectfully, “Madam here are all our latest necklaces,”

“There are many newest models of the classic series, you can take a look.”

Elaine nodded and pointed to one of the diamond pendants and said,

“I think this one is good, what is the price of this one?”

The female sales took a look at the price tag and said,

“The necklace you’re looking at is priced at 118,800,”

“It’s made of 18K gold necklace with a South African diamond pendant,”

“The diamonds are all broken diamonds, but the cut is perfect, so the luster is very good, and it’s very shiny when you wear it. “

The price of more than 110,000 is just the ideal price for Elaine in her mind.

After all, when Charlie and Claire first left her 500,000 pocket money,

If she bought a necklace that was too expensive, the budget accounted for too much,

Which would have an impact on her later life consumption.

The price range of a little more than 100,000 is very friendly,

With her current financial resources, more than 100,000 to buy a necklace,

The rest of the money is enough for her to spend in style until Charlie is back.

So, she said to the sales, "Come, you help me wear it I want to see the effect."

The shop assistant was about to help Elaine wear the necklace,

When her desktop phone suddenly vibrated,

And the person who called was the manager of the store, who was also her top boss.

So she apologized and said to Elaine, "Wait a minute, I'll take a call from our boss, sorry."

Elaine has been visiting stores like this so she said without any emotion:

"Not a big deal, you first answer the call."

The female sales picked up the phone and walked to the side, the boss on the phone instructed:

"You must make that woman spend as much money as possible later,"

"If you can make her spend 300,000 in our store, I will reward you 50,000,"

"If you can make her spend 500,000 in our store, I will reward you 100,000!"
