## Chapter 4690

After speaking, he looked at Hogan again and blurted out,

“Hogan, please say something to Mr. Wade, from now on, the two of us have released our previous suspicions,”

“You will be my brother in the future, if I have any more thoughts of killing you,”

“You will let Mr. Wade smash my body into ten thousand pieces!”

Bella on the side also panicked at this time and hurriedly begged:

“Hogan... Gerard and I have been married for more than ten years, and we have a son.”

“I beg you, for the sake of your relationship for so many years, please help him to plead with Mr. Wade.. ....”

Saying that Bella’s eyes turned red, and the tears that looked like big beans rolled down.

Hogan was also a little unbearable at this time, so he looked at Charlie and pleaded,

“Master Wade... things happened back then... I was also at fault... so... ....”

Charlie interrupted him with a hand raised, and said seriously,

“Uncle Chen, I am now asking for an explanation for my father.”

“I think that any honest person will abide by the promises he has made with others.”

“Even if the other party has passed away!”

Speaking of this, Charlie looked at Gerard and said coldly,

“Although my father is no longer here, as his son, he owes others,”

“And I will pay for him, others owe him. , I want to stand for him!”

When Gerard heard this, he was so panicked that he couldn't stop shaking violently.

The reason why he didn't take the agreement he reached with Changying at the time was...

Mainly because he felt that Changying and his wife had been abandoned by the Wade family and the An family,

Otherwise, the two families would not be able to sit back and watch both of them getting killed.

It is precisely because of this that he did not take that promise into his heart at all.

A lot of people seem to promise a lot of money, but in fact, they are just a dish.

They promise a lot of money in front of those who can't afford to offend them,

And they look like rogues in front of those who think they don't matter.

Gerard is such a person in his bones.

He has a very classic motto: never make useless friends.

Once this person is useless to him, even if he grew up together, he is not worth mentioning in his eyes.

But once this person is useful to him, even if he kills his father,

He will find a way to have a relationship with him.

It is precisely because of this mercenary character that he immediately retracted his original promise after Changing Wade's death.

For a long time, Gerard was proud of his principles of life,

And felt that he was truly awake in the world, but he never dreamed that he would fall into trouble today.

So, he begged with extreme fear: "Mr. Wade, I was really obsessed and didn't fulfill the agreement with your father."

"I really knew I was wrong. Please give me a chance to change my mind!"

Charlie looked at him, and asked lightly, "How do you plan to change it?"

Gerard blurted out without hesitation, "I promised your father back then that I would no longer pursue what Hogan did back then."

"I will correct it now that I know my mistakes, and continue to promise you,"

"I will never embarrass him because of this matter..."

Charlie sneered: “Mr. Liu, I came to Hong Kong to discuss three things.”

“The first thing, you have more than 20 years of experience. You promised my father before,”

“And now that I found you, you are telling me that you will correct your mistakes,”

“How can you give my father an explanation for the mistakes of the past 20 years?”

Charlie said again: “Second thing, Uncle Chen was also one of the top talents in the financial field back then.”

“Because you did not believe what he said, he could only go to the United States and sold roast goose in Chinatown for 20 years.”

“Long years of youth and 20 years of life, how can you give him an explanation?”

Immediately, Charlie continued: “There is a third thing! In the past 20 years,”

“Uncle Chen has not been able to return to Hong Kong to reunite with his family,”

“Nor can he stay in Hong Kong to reunite with his family.”

“My parents were his close friends, and my father passed away and couldn’t come back for the funeral.”

“In the past 20 years, the family has been destroyed and separated from each other, how can you give them an explanation?!”
