Chapter 4707

She paused, then continued: “Brother...Actually...In fact,”

“The family has been able to get to where it is today thanks to Miss Fang’s care over the years...”

“So don’t hate her too much about what happened back then...”

Hogan’s expression became a little complicated, he couldn’t help asking:

“Why haven’t you told me for so many years? These things?”

The little sister hesitated for a moment and said, “Miss Fang won’t let us tell you...”

“She said that she has hurt you badly and doesn’t want to trouble you, and you will be troubled by her again... .”

At this moment, Hogan had mixed feelings in his heart.

Although he had already let go of the fact that Bella left him,

But when he heard that the other party had not forgotten his parents and family,

For so many years, his heart suddenly throbbed.

Sometimes, if the other party is heartless enough, the injured party can come out in one go.

However, this kind of state of separation is not clear,

And suddenly knowing that the other party has a little bit of position in their hearts,

That feeling is more likely to make people fall into it...

...

At the same time.

The Liu family has also returned to the mansion in Shi Xun Dao by car.

On the way back, Gerard and Bella were in a car, and Jemima was driving her own Tesla.

Gerard saw that his daughter was in a trance and seemed to be lost,

So he wanted her to go back with him in the car, but she refused.

Jemima was upset and wanted to be alone,

But he didn't expect that on the way back, only Charlie was in her mind.

She unconsciously thinks about the bits and pieces since she and Charlie met.

The more she thinks about it, the more she feels that Charlie seems to have been branded in her heart.

However, when she thought that Charlie was deceiving her from the beginning to the end,

She couldn't help but complain to Charlie a lot.

Fortunately, although she was very worried, she did not encounter any unexpected incidents on the way back,

And she drove the car home safely.

When she stopped the car, Gerard got out of the car as if he had lost his soul.

He seemed to be recovering from a serious illness and even had some inconvenience moving.

Seeing this, Bella hurriedly supported him, and asked with concern, “Gerard, are you okay?”

Gerard sighed, waved his hands weakly, and said, “Let’s go home.”

Jemima also felt a little distressed about herself. Hurried to the other side and hugged her father.

The three entered the villa, and Gerard asked them to take them to the sofa and sit down.

The moment he sat down, Gerard let out a sigh of relief, and sighed to himself:

“I have lived for more than 50 years, and today is the most terrifying day...”

Bella wiped her tears and choked up, “I’m sorry Gerard. Blame me.....”

“I don’t blame you.” Gerard waved his hand and sighed:

“I have always been too mad, I always feel that a mere Hogan is just a bug in front of me,”

“As long as he appears, I can shoot him to death... ..”

“But I never imagined that the all-powerful Changying Wade back then had a son...”

Bella said, “I heard Hogan talk about that Changying Wade before,”

“If I remember correctly, he seems to be the son-in-law of the An family in the United States.”

“Yes...” Gerard said with lingering fears: “Changying Wade was very famous in the Chinese circles back then,”

“But the most famous one was his wife... that she was really a bright star...”

“Anyone who mentions her will give a thumbs up...”

After speaking, Gerard added: “I thought all three of his family were dead,”

“After all, I have never heard of them, their son is still alive.”

“The news of being alive, I didn’t expect that their son is not a thing in the pool now...”

“Let’s not talk about the giant An, the Cataclysmic Front alone is already frightening...”

After a pause, he sighed: “Hogan has such a backer, I am convinced that I lost this time.”

Bella on the side said hurriedly: “Gerard, you are going to Eastcliff in a few days, and I will accompany you too.”

Gerard looked at her seriously and said: “Going to Eastcliff is very hard,”

“Charlie asked me to go to his father’s grave to repent, and I can’t leave for three months.”

“I’m afraid I’ll be sleeping in the wind, I don’t know how much I’ll suffer.”

“It’s okay!” Bella didn’t think about it and said:

“Since it is a husband and wife, it must not be difficult to be together.”

Chapter 4708

Gerard laughed at himself, and suddenly said: “Actually, if you still have Hogan in your heart,”

“You can consider renewing the relationship with him,”

“He now has Charlie Wade, with such a backer, coupled with his outstanding abilities, his future must be limitless.”

Bella hurriedly shook her head and said, “Gerard, I told you when I came back from the United States,”

“That he and I are already apart, and it will be impossible in this life.”

“Going back again, for so many years, I feel more guilty towards him, after all,”

“I caused him to wander outside for so many years, so,”

“I have been quietly taking care of his family, just to make myself feel better...”

Saying that she burst into tears, looked at her husband, and said sincerely:

“Gerard, after today’s events, he can safely return to Hong Kong and be reunited with his family.”

“That hurdle in my heart is over. In the future, I just want to live a good life with you,”

“Just like the vows, we made when we got married, no matter if we are poor or sick...”

Gerard, who had lived in a thousand flowers all his life,

Suddenly felt an unprecedented emotion in his heart.

In the past, when he faced every woman, he had a high-level attitude.

He felt that these women were his favored objects, and he was extremely lucky to get his favor.

It is because of such a detached mentality that he has been able to indulge in flowers for so many years.

Although Bella was his favorite among all his women, in his heart, he still looked down on her.

Bella followed Hogan to the United States back then.

In his eyes, it was like his favorite toy was stolen.

After she came back, he just wanted to keep this lost toy by his side forever.

But to ask him if he really loves her, his answer must be no.

Even though he really liked her back then, after she ran away once,

He always controlled himself and didn't invest emotionally too much in this woman.

And over the years, he has been doing it very well.

Although Bella is expensive as Mrs. Liu, she has no chance to control his family property.

Even if she got married, she is just a canary being raised.

But at this moment, he suddenly felt that deep in his heart, he seemed to be touched by Bella's words just now.

He has been indulging in the flowers with full pride all his life,

But when he knelt down in front of Charlie and begged for mercy, his pride was already gone.

Now, he is more like a general who has lost a battle.

He has lost his previous pride, but because of the persistence of the women around him, he has a softness in his heart.

It was a softness that made the loser feel a little warmer.

So, he sighed, nodded, and said, "If you really let go of him in your heart,"

"Then we will live our lives well from now on, and the past will be written off."

Bella was moved when she heard this and tears welled up.

Over the years, she also knew Gerard's attitude towards her.

Although she was not reconciled, she still had self-knowledge and knew why Gerard had a grudge against her.

For so many years, she has been looking for an opportunity to eliminate this barrier, but she was powerless.

But who would have thought that after Gerard's catastrophe today,

The grudge against him was suddenly eliminated, which made her extremely excited.

Jemima, who was beside him, also had subtle changes in her heart.

In the past, she was very dissatisfied with Bella, but now, she suddenly sympathized with this woman.

Moreover, seeing that she and her father could completely eliminate the separation,

Jemima felt a little gratified in her heart.

However, she didn't want to watch the confession of the two here, so she stood up and said,

"I'll go back to my room to rest."

Gerard hurriedly asked, "Jemima, have you contacted Miss Fei?"

“No.” Jemima asked in surprise, “Why are you asking about this?”

Gerard said, “I think you can get in touch with Miss Fei more.”

Jemima shook her head and said, “She and I are not from the same world.”

“There is nothing to get in touch with her for.”

Gerard said seriously: “Miss Fei must know Charlie better and from her,”

“You should be able to know some information about him!”
