## Chapter 4809

Having said that, Elaine was already a little complacent, and couldn't help showing off:

"Hey, do you know how rich my friend is, they bought three LM300 in one go,"

"And said she will give me one when the time comes!"

"LM300?" Horiyah asked in confusion: "What is LM300?"

Elaine blurted out: "It's the Lexus Bread King, you know, the most expensive van in the world!"

"The domestic price is more than three million!"

Horiyah was dumbfounded: "More than three million yuan to buy a van?!"

"If you spend so much money on that thing, is it not a lot of money?"

"You know nothing." Elaine curled her lips and said contemptuously:

"You have a typical poor man's thinking, you can't understand why the rich spend hundreds of millions of dollars to buy a private jet,"

"So you certainly can't understand why they spend more than three million to buy one Van,"

"There are only seven words in the world of the rich, not the best, but the most expensive!"

After a pause, she said again: “Besides, what is a car worth three million yuan for them?”

“When people’s worth of billions of dollars are deposited in the bank, and the interest per day is more than this amount!”

“It’s amazing...” Horiyah couldn’t help but ask:

“Sister, how can you know such a rich friend, who is worth billions of dollars, that’s not equal to tens of billions of RMB!”

Elaine said with a smile: “It’s a friend I met in the United States.”

“There are many Chinese and overseas Chinese here in the United States,”

“So I met a few friends who are more speculative.”

Horiyah couldn’t help but sigh: “Oh! You not only see the world after you have to go out the door.”

“Sister, you can meet such a wealthy person when you go to the United States.”

“The vision and connections of this high society are opened all at once! “

“That’s it!” Elaine said proudly: “If you don’t say that people go to high places and water flows to low places,”

“I will really go out and see the world more in the future.”

Horiyah complimented: “Sister is right! The gap between us is getting bigger and bigger...”

With that said, Horiyah changed the topic and quickly asked:

“Oh, that’s right, Sister, when you come back, take me to Chow Tai Fook if you have time?”

“You didn’t promise me when you bought Bulgari that you will buy me a Chow Tai Fook to wear...”

Elaine smiled contemptuously, and she knew that Horiyah must mention this.

She even knew that Horiyah made this video call, but in fact, it was only for this purpose.

So she said casually: “Oh, don’t worry, what I promised will be done.”

For Elaine, as long as she leaves the United States and sells the goddess dream that Charlie gave her,

It will bring at least 300,000 to 400,000 yuan.

Isn’t it more than enough to buy a Chow Tai Fook necklace for Horiyah?

Thinking of this, she suddenly realized that she didn’t even have to wait until she returned to Aurous Hill to sell it.

She could sell it immediately after arriving in Hong Kong.

After she made up her mind, she said to Horiyah very aggressively:

“Well, Horiyah, you don’t have to wait for me to come back to Aurous Hill.”

“I’m going to Hong Kong this time, go directly to Chow Tai Fook in Hong Kong. Just buy one for you and take it home.”

When Horiyah heard this, she immediately said excitedly:

“Really?! That’s really great! Thank you so much, Sister!”

Elaine hummed and said, “Okay, I’ll hang up if I have nothing else, rest for a while, and board the plane right away.”

Horiyah hung up the video thankfully, Elaine locked her phone, and sneered:

“Horiyah, Horiyah, a Chow Tai Fook has made you think about it for so long, you are really worthless!”

While muttering, several American police officers with different skin tones and loaded guns suddenly rushed into the VIP lounge.

One of the Chinese female police officers looked around the lounge for a while,

And immediately locked Elaine, then walked quickly to her, and asked coldly, “Are you Elaine Ma?”

Elaine was a little surprised by the sudden police presence.

She looked at the policewoman with a surprised look on her face and asked, “It’s me, what’s wrong?”

## Chapter 4810

The policewoman continued to ask, "I'll check your personal information with you."

"You are Elaine Ma from Aurous Hill, China."

"This time you're taking Cathay Pacific flight CX845 from New York to Hong Kong, right?"

"That's right..." Elaine was even more puzzled and asked, "Is there any problem with my flight?"

The female police officer said coldly, "There is no problem with the flight,"

"But there is a problem with your luggage! Please come with us to assist in the investigation."

Elaine hurriedly said: "What can be wrong with my luggage? In addition to personal clothes,"

"There are some local specialties of New York, and I didn't put anything like lithium batteries in it..."

The policewoman snorted coldly: "Don't make useless quibbles."

"There are other passengers here. In order not to affect the flight of others,"

"Please take the initiative to come with me."

As she spoke, she took out the handcuffs from her waist and warned:

“Listen carefully to what I say, you have the right to remain silent,”

“Otherwise everything you say may be used as evidence against you,”

“And you have the right to ask a lawyer for assistance.”

“Show up at your trial, and if you can’t afford it, we’ll assign one to you, do you understand these rights?”

Elaine immediately panicked and blurted out, shouting: “What are you doing!”

“I am a distinguished first-class passenger!”

“Who gave you the courage to come here to arrest me? Besides, what law did I break?!”

The policewoman said coldly: “Elaine, as a Chinese, I kindly warn you that this is the United States!”

“Don’t try any form of resistance here, or you will definitely suffer!”

Elaine said angrily: “Don’t fcuk me with this, the old lady sits upright and walks right!”

“Wherever I go, I am not afraid of the police, let alone the United States,”

“What if it is the United Nations?! Don’t bluff me here!”

The policewoman obviously lost her patience. She took out her handcuffs and said sharply:

Elaine! I now ask you to turn around and put your hands behind your back.”

“You must not resist or run away, otherwise my colleagues may use the equipment on you,”

“Including but not limited to Taser guns, you’d better cooperate!”

Seeing that many people were watching, Elaine suddenly felt that her face as a first-class distinguished guest was instantly lost.

In anger she went crazy all of a sudden, causing her to pinch from her waist up and yelled:

“I tell you, don’t do this useless thing with me! I spent so much money on the first-class ticket,”

“Not for the birds of your gang to annoy me!”

“I am about to board the plane and return to China, so stay away from the sensible ones, and don’t delay my itinerary!”

Seeing Elaine’s stubbornness, the policewoman shook her head helplessly,

And said to the two male policemen beside her, “Take her away!”

The two policemen listened to Elaine’s call for a long time.

Although they didn’t know what she was talking about,

They could see that her attitude was very arrogant, and they had been secretly preparing to start.

Now that the policewoman said this, she knew that she had given up communication,

So the two rushed forward immediately, one of them grabbed Elaine,

And one hugged and threw her on the wool carpet in the first-class lounge.

Elaine dropped like a dog and gnawed sh!t.

Another policeman rushed forward, grabbed her hair with one hand, and pulled it back with force.

Elaine screamed in pain, but she didn't care at all and fell to the ground.

Another colleague of his immediately put Elaine's hands behind her back with force,

And then handcuffed her tightly.

Elaine screamed in pain, shouting hoarsely:

"Killing me! The police are killing me! Come on, help!"

The policeman who held down Elaine with one knee blurted out angrily,

"Hey! You shut the fcuk up!"

Elaine is someone who has gone to college anyway.

She could hear that the policeman was scolding her and asked her to shut herself up, and she was immediately angry!

She gritted her teeth and scolded: "You let me shut up, I gritted my teeth and I can bear you,"
