

When His Eyes Opened by Simple Silence Chapter 1806

Chapter 1806

Among all his children, only Robert really likes Elliot, and the reason is with him.

Before the winter and summer vacations, Layla wanted to take Robert to find Avery in Bridgedale, but Robert was unwilling to go.

Robert prefers to stay at home and be by his father's side.

"Robert, Dad is very happy to see you every day." Elliot hugged his son and sat down on the sofa, "But Dad will be away from home for a few days. Dad is going to a distant place..."

"No!" Robert didn't think about it, frowned, and got angry, "Don't let Dad go!"

Elliot knew that his son would react this way, so he took out the gift he brought back.

Elliot: "Look at this robot, it's missing a leg."

Robert's eyes were immediately attracted to the robot.

"Dad is going to a far away place to help the robot get the other leg back. When Dad gets the robot's leg, Dad will go home, okay?" Elliot coaxed patiently.

Robert nodded.

With his son's permission, Elliot dared to book a flight ticket.

Robert played with the robot that was missing a leg.

Mrs. Cooper came over and asked, "Sir, where are you going? How many days are you going to go out for?"

"I'm not sure how many days I will be going out now. I'm going to Yonroeville and I'll be back as soon as possible." Elliot booked his air ticket for tonight and was going back to his room to pack his luggage.

Mrs. Cooper: "Oh...Okay, please pay attention to safety on the road. Don't worry about Robert. I will take care of him."

"Well." Elliot quickly packed his luggage, carrying a small luggage. The box comes out of the master bedroom.

The driver was already waiting in the yard, ready to go.

Before going out, Elliot explained to his son the reason for going out again, and assured his son that he would come back soon.

After going out smoothly, the car drove towards the airport.

At the same time, Avery was in the airport hall of the capital of Yonroeville, waiting for the ticket check.

“I won’t come here again in this crappy place.” Mike stood beside her, chewing gum in his mouth, his tone was very dissatisfied, “Why don’t we let us enter the VIP waiting room? There is no one in it, really I don’t know how to be flexible!”

Mike’s credit card could enter the VIP lounge in Yonroeville, but Avery was not eligible.

So the waiter wouldn’t let Avery enter.

Why is Mike so embarrassed to enter the VIP waiting room alone? So he accompanied Avery outside.

“I didn’t ask you to come, you have to run here.” Avery whispered, “If something happened in the future, if I didn’t call you, it means it’s not a big deal.”

“If you go to another country, I really don’t have to follow. It’s mainly because I have a shadow on this place.” Mike explained, “The Jobin family is such a powerful consortium, if they say they are destroyed, they will be destroyed. This place is too messy!”

Avery said, “So I let you usually Keep a low profile for this reason. It’s about to check the ticket, you spit up the chewing gum.”

“You can eat chewing gum on the plane.” Mike said and was stunned for a moment.

Avery explained, “It’s mainly because I don’t want to listen to you chewing. I’m a little sleepy. I’m going to sleep on the plane. You can eat it when I fall asleep.”

Chewing gum spit out.

....

After a long flight, the flight from Aryadelle to Yonroeville landed slowly at the capital airport of Yonroeville.

Elliot and the bodyguard came out of the airport and went directly to Nick’s house.

When Nick saw him, he was as shocked as when he saw Avery that morning!

“Elliot, why are you here?” Nick swallowed, “Avery has left!”

When His Eyes Opened by Simple Silence Chapter 1807

Chapter 1807

Nick didn't receive the news that Elliot was coming over in advance, so he didn't tell him that Avery was gone.

Elliot wanted to show that he didn't come to Yonroeville for Avery, but he couldn't hide his expression.

"Didn't she come to look for Haze? No more?"

"I don't know! She didn't tell me when she left. I wanted to invite her to dinner, but I couldn't get through to her phone, so I suspected that she might have left. So I called to the airport to check, and found that she really left." Nick didn't know where Avery was looking for Haze.

"Since you're here, take a vacation and stay with me for a few days!" Nick enthusiastically pulled Elliot to sit down on the sofa, "You came here for Avery, or for Haze's business."

I want to know why Avery suddenly suspects that Haze is her daughter." Elliot looked calm, "She saw Haze's photo three years ago, not just now."

"Oh... Then she probably didn't tell me the truth! After all, I don't know her that well. And she came to Haze, and she didn't want you to know. I explained it to me several times, and asked me not to tell you... If you ask her why, I'm afraid she won't tell you."

"Of course I won't ask her directly." Elliot had self-knowledge.

Since Avery blocked him more than two years ago and refused to have any communication with him, he knew that the two of them were completely strangers.

"Then what are you doing here? What if Avery didn't leave? Wouldn't the two of you meet?" Nick narrowed his fox eyes, "Since you're here, it means you're ready to meet Avery. In that case, when you return to Aryadelle, you can go to her."

"She has returned to Aryadelle?" Elliot inferred the result from Nick's tone.

"Yeah! She has returned to Aryadelle. I suspect she may have gotten the news from somewhere, thinking that Haze is in Aryadelle, so she flew to Aryadelle non-stop." Nick pondered, "Elliot, didn't you find it in Aryadelle?"

"I didn't find it." Elliot was saddened, "If Haze is still alive now, she is only two years old and less than three years old. If the people who raised her kept her at home, no matter how talented I was, It's impossible to find her."

Nick: "Yeah. You can ask the people around Avery to see what kind of stimulation Avery has experienced, so she insists on looking for Haze. I see her appearance, and she is very determined."

Elliot: "Wait for me to return. Let's talk about Aryadelle!"

...

Aryadelle.

After Avery landed, she returned to the Starry River Villa.

The home has been vacant for three years, but it looks as clean and tidy as when she left three years ago.

She put her luggage down and looked at Mike.

"Do you ask someone to clean every time you go back to Aryadelle?" Avery wiped the coffee table with her fingers, but there was no dust.

Mike shook his head: "No! Every time I go back to Aryadelle, I stay with Chad, but I never come here. Maybe Mrs. Cooper comes to clean from time to time. After all, Mrs. Cooper knows the password here."

Avery responded and dragged Luggage ready to go to the bedroom.

"I'll take a nap first, and I'll talk about everything when I'm asleep."

"Aren't you going to eat something?" Mike asked.

Avery: "I ate on the plane. I'm not hungry now."

"Oh, then you can go to sleep!" Mike slept on the plane, so he's in good spirits.

Avery went back to the room. After closing the door, Mike leaned on the sofa and sent a message to Chad: We are back home! Would you like to come out for a drink?"

Chad: "We're? Who are you with?"

Chapter 1808

Mike: Guess.

Chad was too lazy to guess, so he made a phone call.

Mike felt that his temper was getting more and more impatient.

“You and Hayden came back?” After Mike answered the phone, Chad’s voice came.

Mike: “Hayden is still in school! How did he come back with me?”

“Oh... Avery never returned to Aryadelle? Why did she suddenly return to Aryadelle?”
Chad pushed the glasses on the bridge of his nose.

“When did she say she would never go back to Aryadelle?” Mike took the phone and went back to his room, “You haven’t gone to work yet? Why don’t you ask for leave today...”

Chad said, “No. I really can’t ask for leave today. The boss sent me an email last night saying that he will not go to the company for the next few days. You said that my boss suddenly behaved like this, is it possible that it has something to do with Avery’s return to Aryadelle?”

Mike: “How do I know what your boss is doing? I thought. Anyway, we came back to Aryadelle quite abruptly, and we didn’t tell anyone.”

“Oh, that might be a coincidence! By the way, how many days is Avery going back to Aryadelle this time? Why did she decide to go back?” Chad looked at the time, “Is it convenient for you to go out now? I’ll invite you to breakfast.”

Now the time in Aryadelle was less than seven in the morning.

Mike: “She’s going to make up for her sleep. I can go out, but I’m a little tired. Come over and treat me to breakfast!”

Chad: “Okay.”

About half an hour later, Chad came to the breakfast shop near the Starry River Villa.

Mike has already ordered breakfast.

Chad said, “On the way I came, I specifically asked Brother Ben, my boss is no longer in the country. If Avery wants to see Robert, today is a good opportunity!”

“Chad, you are really a good spy!” Mike couldn’t help laughing, “You used to be loyal to your boss, how has it changed now? If your boss knew about you, he would definitely fire you.”

Chad scratched his head: “Avery and I are also good friends! Avery must have returned to Aryadelle this time to take care of the children, right? My boss has not traveled far for

the past two years. It was Avery who took care of the children. It's a good time. Otherwise, if my boss is here, Avery may not be able to see the child."

Mike: "Your boss has no right not to let Avery see the child."

Chad: "I know, but the law between them is unclear."

"I'll wait. Go back and tell her later. You are responsible for bringing Robert out." Mike arranged.

Chad: "I'm going to work, how can I bring Robert? Let Brother Ben take it!"

Mike: "Then tell Ben Schaffer. I have a normal relationship with Ben Schaffer."

"You're stupid! Wouldn't you let Gwen talk? Gwen is taking care of him." Chad laughed, "Ben is actually a very shrewd person, no matter what he does, it will count as a cost. But he overturned with Gwen. He paid the sunk cost, If he doesn't marry Gwen, it will be difficult to end."

Mike: "Cut! Didn't he pay more for Chelsea?"

"No." Chad said, "He didn't think he was worthy of Chelsea, so he didn't pursue it. He has passed Chelsea. But he is different to Gwen. The day before Gwen returned to Aryadelle, he took a week off and planned to play with Gwen. Now that Gwen goes to work, he drives to pick her up every day. If he has a daughter in the future, It's just the same for his own daughter."

"Just be with an old man like Ben Schaffer and treat him as a donkey. If he can't provide emotional value, it's better to find a young and handsome guy who can at least be eye-catching." When Mike said this, he immediately took out his mobile phone and found Gwen's number.

When His Eyes Opened by Simple Silence Chapter 1809

Chapter 1809

Chad: "Don't talk about it. Brother Ben is quite handsome. Besides, Brother Ben is really nice."

"Yeah, your boss is also a great person in your eyes." Mike teased and turned the clouds away Gwen's number, "Don't talk, I'll call Gwen."

Starry River Villa.

Avery slept for about three hours and was woken up by the sound outside.

When she slept, she forgot to close the curtains.

The sun shines in through the window, shining like gold.

She opened her eyes and didn't get up immediately.

Until a child's voice came.

"Robert, don't tell your father that I brought you to see your mother today." Ben Schaffer hugged Robert and came to Avery's house, feeling uneasy.

Robert knew Ben Schaffer very well, because Ben Schaffer often visited him. So he proposed to bring Robert out to play, and Robert obediently followed him out.

After Robert heard the word 'mother', an unnaturally timid expression suddenly appeared on his little face.

In fact, Robert often communicates with his mother on video.

Sometimes when Layla and Avery in hit a video, they would drag Robert along.

However, Robert didn't dare to call his mother, and he didn't dare to face Avery.

After all, he hadn't gotten along in reality, and he felt very strange.

"I want to go home." Robert looked at Ben Schaffer, and said in a milky voice, "Uncle Ben, I want to go home!"

"We just came out! Can we go back later? I'll get some food for you to Eat." Ben Schaffer said, and took out a bag of baby snacks from the bag that Mrs. Cooper brought him.

When Robert saw the snacks, he stopped yelling and went home.

Avery came out of the master bedroom and saw Robert, who had grown a lot taller, and was stunned in place.

She didn't expect Robert to appear here.

"Robert!" Avery was unable to restrain herself, she strode towards Robert.

Ben Schaffer and Robert looked at Avery one after another.

Ben Schaffer immediately squatted down and explained to Robert: "Look at Robert, this is your mother. Your mother is so beautiful, just as beautiful as your sister, right?"

Robert was so frightened that he immediately hid behind Ben Schaffer, revealing only a pair of Curious eyes, looking at Avery.

Avery stopped when she realized that she scared her son.

“Ben Schaffer, why did you bring Robert here? Does Elliot know?” Avery sat down on the sofa opposite Robert, and although she was asking Ben Schaffer, she kept looking at Robert gently.

Robert held snacks in his hand, watching her while eating.

Robert looked like a miniature version of Elliot, but he was not as serious as Elliot. Like other children of his age, he was full of cuteness.

“It’s a long story. First Mike went to Chad and said you were back. Then Chad told Mike that Elliot has gone abroad and now is a good time for you to see Robert, so Mike asked Gwen and Gwen asked me to bring Robert to you...” After Ben Schaffer told the reason, Avery was very grateful.

“Thank you! I really haven’t seen Robert for a long time. Even if I just look at Robert like this now, I’m very satisfied.” Avery didn’t expect to see her son so smoothly, so for a while, she didn’t know what to do measures.

She especially wanted to hug Robert, and wanted to say sorry to Robert. But she knew that this would only scare Robert.

When His Eyes Opened by Simple Silence Chapter 1810

Chapter 1810

“Don’t blame Robert. Robert is a child after all, and whoever is around to take care of him will kiss him.” Ben Schaffer saw the loss in her eyes, so he comforted, “Robert and Elliot has a very good relationship. Just like Layla and Hayden did to you.”

Avery: “How could I blame Robert. I didn’t take care of him. To him, I was actually a stranger.”

Ben Schaffer said, “Well, when you return to Aryadelle this time, How long do you plan to stay? If you stay longer, I’ll bring Robert over next time. Even if Elliot knows about it, it’s me to blame.”

Avery said, “When I come back this time, I should stay for a long time. When Elliot comes back, I will talk to him about the child’s visitation rights. I never let him see Hayden, so he can’t stop me from seeing Robert.”

“If you want to talk, you must talk calmly but don’t say a word and quarrel again.”

Ben Schaffer originally wanted to persuade Avery, but Avery retorted: "You should tell him this. As long as he doesn't quarrel with me, I naturally won't quarrel with him."

"Oh, good." Ben Schaffer touched his nose, then picked Robert up from behind and put it on his lap, letting Avery take a good look at him, "Robert, this is your mother. What are you afraid of? If your sister sees her mother coming back, she will definitely jump up happily!"

"I'm afraid." Robert's soft and waxy voice came in a low voice.

Ben Schaffer laughed and patted his head: "You're a man, be brave."

"I'm afraid." Robert lowered his head, focused on the snacks in his hand, and didn't dare to face it.

Avery felt that her son's reaction was very real. It should be well protected.

"Robert, do you want to watch your sister's videos when she was a child?" Avery thought of a way to get closer to Robert.

She turned on her phone, found the video of Layla's childhood, and clicked it.

Layla's voice came from the phone, and Robert was immediately attracted.

Ben Schaffer carried Robert to Avery's side and watched Layla's video together.

After about ten minutes, Ben Schaffer walked away from Robert, and Robert stood beside Avery, not as scared as before.

When he sees excitement, he will laugh with Layla in the video.

"Robert, do you like your father very much?" Avery found a topic to chat with her son.

"Yeah!" Robert nodded without thinking, "Do you like my dad?"

Avery was stunned. She didn't expect the little guy to ask back.

Avery: "I liked it before."

"Oh..." Robert got the answer and continued watching the video.

At his age, he still doesn't understand the meaning and difference between 'before' and 'now'.

At about four o'clock in the afternoon, Mrs. Cooper called Ben Schaffer and asked Ben Schaffer to send Robert back.

At this time, Avery was busy in the kitchen. She wanted to cook a dinner for Robert herself, but after Ben Schaffer answered the phone, he immediately brought Robert to the kitchen and said goodbye to Avery.

“Avery, Mrs. Cooper called me and asked me to send Robert back now.” Ben Schaffer looked at Avery wearing an apron and knew that she would be very disappointed to do so, but Mrs. Cooper’s attitude was very firm, “Mrs. Cooper knows that I brought the child to you. She is afraid that Elliot will be angry. If there is a chance in the future, I will bring Robert here again.”

Avery couldn’t make it difficult for Mrs. Cooper and Ben Schaffer, so she quickly take off her apron and send them out.

Avery: “When Elliot comes back, let me know!”

“Okay.” Ben Schaffer hugged Robert into the car and apologized, “I’m sorry, I’m afraid that next time Mrs. Cooper won’t be so quick to let me take Robert out. After all Robert is usually led by her, and Robert especially listens to her words.”

“Avery: I understand. Thank you very much for bringing Robert here today. It’s normal for Robert to be afraid of me. When I was determined to divorce Elliot, I thought of this outcome.”

“Do you regret it?” After putting Robert in the child safety seat, Ben Schaffer asked Avery.

When His Eyes Opened by Simple Silence Chapter 1811

Chapter 1811

“I didn’t understand the older generation, why did they always persuade divorced couples to endure for the sake of their children, until I saw you and Elliot’s children, I finally understood a little.” Ben Schaffer waited Avery replied and continued.

“I know that my insistence on divorce will hurt my children a lot. But if I don’t get divorced, I will live a very miserable life. I thought that if I was in pain every day, I would not be able to give my children a warm and loving family.”

Avery explained. Her explanation answered the previous question.

She doesn’t regret her divorce from Elliot.

After Ben Schaffer left, Avery returned home. She went straight to the kitchen, wrapped the prepared dishes in plastic wrap, and put them in the refrigerator.

If she eats dinner alone, she doesn’t need to start cooking now.

After cleaning up the kitchen, she went back to the living room and lay down on the sofa.

After a busy afternoon, her lower back was a little sore.

But she is sober now.

Before Robert was one year old, she had been by Robert's side, and Robert liked Avery very much at that time.

But after not seeing him for more than two years, Robert didn't remember the past.

Avery must find Haze quickly and let Haze return to her or Elliot's side.

Seeing Robert today and seeing that Robert was well taken care of, her resentment towards Elliot was relatively relieved.

Ben Schaffer sent Robert home, and then went to pick up Gwen from get off work.

After Gwen knew that Avery was coming this morning, she agreed to see Avery tonight.

In the evening, Mike brought Chad over as well.

Everyone gathered at the Starry River Villa, drinking and chatting together.

Foster family.

The black Rolls Royce slowly drove into the villa.

Elliot flew to Yonroeville last night, but he heard that Avery had returned to Aryadelle, so he rejected the enthusiasm of Nick and returned to Aryadelle.

When Elliot came home, it happened to be dinner time.

Mrs. Cooper didn't expect him to end his journey in Yonroeville so quickly. After counting the time, he arrived in Yonroeville and returned immediately.

Mrs. Cooper breathed a sigh of relief in her heart.

Fortunately, she asked Ben Schaffer to send Robert back early in the afternoon.

Otherwise, if Robert hadn't come back by this time, Mrs. Cooper would definitely not be able to help lie.

"Dad!" Robert jumped into his arms excitedly when he saw his father, "Dad, I miss you so much!"

The little guy's mouth was as sweet as honey, and Elliot's tiredness of running back and forth was swept away. .

"Dad misses you too. Do you want to sleep with Dad tonight?"

"Of course I will." Robert said, extending his small hand to Dad, "Dad, where are the legs of my robot?"

Elliot didn't expect his son's memory was so good.

Elliot: "It's in Dad's bag, Dad got it for you."

Elliot bought the robot in a store in Aryadelle. At that time, he specially asked the clerk to remove one of the robot's legs.

Children are relatively simple, and just coaxing and deceiving them can make them obedient and happy.

Elliot put his son on the ground, Robert followed his father with his hands and feet.

"Dad, I went out to play today." Robert suddenly reported his schedule to his father.

"It's so hot outside, who took you out?" Elliot touched his son's head.

"Uncle Ben took me out." Robert pursed his lips, and without waiting for Mrs. Cooper to stop him, he told everything, "Uncle Ben took me to my mother's house."

Elliot opened the suitcase, and after listening to his son's words, his body stopped, as if he had forgotten what he was going to do.

"Mom showed me my sister." Robert seemed to have not noticed his father's abnormality, and continued to talk to himself, "Dad, I like you, and my mother likes you too."

When His Eyes Opened by Simple Silence Chapter 1812

Chapter 1812

Robert looked at his father with a cute and handsome face, and said what he saw and heard from his mother today.

Avery said that he liked his father before, but after his communication, he now likes it.

These words made Elliot's heart arouse thousands of waves!

The son's serious appearance does not seem to be lying.

“Robert, who said this to you?” Mrs. Cooper asked Robert immediately when she saw Elliot’s body froze.

Robert raised her head, looked at Mrs. Cooper, and replied, “It’s what my mother said!”

Mrs. Cooper couldn’t help laughing and crying: “Your mother told you such a thing!”

“Mom did.” Robert was afraid that everyone would think that He was lying, so he repeated the point.

Mrs. Cooper saw that the atmosphere was really awkward, so she took out the other leg of the robot from the suitcase that Elliot opened.

“Let’s go and fit the robot’s legs.” Mrs. Cooper led Robert away.

Elliot closed the suitcase and carried it back to the master bedroom.

Avery actually said such things against her intentions in order to get closer to her son!

She didn’t expect her to be like this now.

After closing the master bedroom door, Elliot paced back and forth in the room, but his heart could not calm down!

Ben Schaffer actually carried him behind his back and took his son to Avery to see!

He turned on the phone, but did not see Ben Schaffer’s news or missed calls.

In a fit of anger, he dialed Ben Schaffer.

Starry River Villa.

Ben Schaffer’s cell phone rang, and seeing that it was Elliot calling, he immediately winked at everyone.

“Everyone be quiet first! I’ll take a call.” Ben Schaffer had expected the matter to be revealed, and he was about to be scolded.

Gwen was very gossipy and pressed his phone on the speakerphone, wanting to hear how Elliot scolded people.

Ben Schaffer looked embarrassed: “Gwen, can’t you save me some face?”

Gwen: “What kind of face, if he scolds you, I will help you scold back.”

With Gwen’s words, Ben breathed.

After picking up the phone, Elliot's voice suddenly came: "Did you take Robert to see Avery today? Robert is my son, who allowed you to do this without my consent?"

Ben Schaffer cleared his throat: "The matter is like this... I took Robert to play outside today, and by coincidence, I met Avery..."

Elliot: "Is there such a coincidence?"

Ben Schaffer: "Yes! What a coincidence! How could I deliberately bring Robert to Avery's house? I wouldn't do that."

Ben Schaffer's eyes widened and he was talking nonsense, which fell into everyone's eyes.

Gwen didn't expect Ben to be so cowardly in front of Elliot, and was suddenly a little disillusioned.

When Avery saw that Ben was lying because he was afraid, she felt that she had implicated him.

"Give me the phone." Avery stretched out her hand towards Ben Schaffer.

Her voice clearly fell into Elliot's ears on the other side of the phone.

Elliot held the phone tightly with his fingers.

Unexpectedly, Ben Schaffer is now with Avery.

"Uh... Elliot... I'm at Avery's house now... She wants to talk to you on the phone..." Ben Schaffer said hesitantly here, see Elliot didn't respond, so he said, "Since you have no opinion, then I'll give her the phone... You two have a good chat."

After Ben Schaffer finished speaking, without giving Elliot a chance to respond, he directly handed the phone to Avery.

After Avery got the mobile phone, he turned off the handsfree, and then walked out with the mobile phone.

After walking out of the villa, Avery exhaled and said, "I asked Ben Schaffer to bring Robert to my house. Robert is my son, and I have the right to see him."

Elliot listened to her strong tone. He coldly Said: "If you want to see your son, do you need my consent first?! You still ignore me as always!"
