

The Charismatic Charlie Wade Chapter 4077

As soon as charlie said these words, Fei Kexin and Jian were stunned.

charlie's understated words, in the ears of the grandson and grandson, exploded like thunder.

The grandparents and grandchildren never dreamed that it was rumored that the Wade family had cut half of their property to Wanlong Palace in exchange for the favor of Abbas, the master of Wanlong Palace, but the actual situation was completely the opposite!

Not only did the Wade family not cede half of their property to Wanlong Palace, charlie also brought the entire Wanlong Palace under his command!

This is a mercenary group of tens of thousands of people!

Although such a mercenary group cannot be compared with the American army, its scale and combat effectiveness are by no means comparable to a wealthy family like the Fei family.

Fei Kexin's brain hadn't reacted yet, but Jian suddenly realized, and blurted out: "No wonder... No wonder Master jay had doubts when he entered the venue, saying that almost all the security personnel here are martial arts masters, The lowest is also a three-star warrior, and the taller even has a few five-star warriors, so many masters, even his masters can't compare, I think they must be people from Wanlong Hall..."

charlie nodded, and said frankly and cheerfully: "Yes, this time, the security guards of the entire auction are all officers and men of Wanlong Palace. The Master jay you mentioned should be the one who has been following you just now. Right? His cultivation is really good, he has reached the level of a seven-star warrior, and in the Wanlong Palace, it is also the level of the Four Great War Kings."

Jian looked at charlie in horror, and murmured, "Young Master Wade... How do you know that Master jay is a seven-star warrior?!"

In fact, when this question was asked, the Fei Jian Center already had the answer.

Why did charlie know jay's cultivation?

The only possibility is that his cultivation is far above jay!

Fei Kexin was even more shocked. She felt more and more at this moment that compared with charlie, she was simply the difference between clouds and mud!

At this time, charlie laughed without saying a word, and then smiled lightly after a while: "Otherwise, Mr. Jian thought, what did charlie rely on to conquer Wanlong Palace? Is it because of being handsome?"

The stunned Fei Kexin suddenly broke his defense when he heard charlie's words.

She couldn't help but chuckle, and then quickly shut her mouth wisely.

But it was this slight smile that made her feel relieved.

Jian finally understood at this time that Mr. Luo, who had been protecting Fei Kexin before, disappeared in Aurous Hill because of charlie's actions.

And jay once said that the one who can make Mr. Luo disappear silently must be the master of the master, and I am afraid that he has already broken through the darkness.

From this point of view, charlie must be the master of the dark world.

Otherwise, it is impossible for him to bring Wanlong Palace under his command!

Thinking of this, his eyes narrowed, his eyes looking at charlie were full of awe, he bowed respectfully to charlie, and said sincerely: "Young Master Wade has achieved such achievements at a young age, and the Wade family will definitely be in the future. The future is limitless!"

charlie smiled slightly, looked at the time, and said, "Mr. Jian, it's getting late, it's time for you and Miss Fei to set off."

After all, charlie looked at Fei Kexin and said seriously, "Miss Fei, I will inform Abbas that you will be entertained when you arrive in the Middle East, but after all, you are going to the Middle East, the conditions are somewhat difficult, and you and Lao will be needed. Get over it, sir."

Fei Kexin also knew very well that even if charlie had the ability to help grandpa regain power, he was not qualified to ask him to help him at all.

Now that charlie is willing to save his grandfather and his own lives, it is already a great kind of love.

So, she choked with gratitude and said, "Thank you, Young Master Wade, for your kindness, Ke Xin will never forget it!"

charlie waved his hand and said again: "The road to the Middle East is long, you accompany Mr. Jian to the hospital first, and I will have someone prepare some food and daily necessities to bring you on board in advance."

While weeping, Fei Kexin nodded again and again, and choked: "Thank you, Young Master Wade... Thank you!"
