

Let Me Go, Mr. Hill! by Shallow South Chapter 2211

Ruan Yan was very satisfied with Song Rongshi's expression.

It is said that killing and punishing the heart is nothing but this.

Doesn't he keep saying that Fanyue is vicious? Let him know now that it is him. In fact, his ex-wife has never done anything bad.

"Fan Yue can only help me with the crime."

Ruan Yan shook her hand, the red wine glass was smiling and beautiful, but there was no warmth. "She didn't know that I had kidnapped until dawn. Ning Lexia was hurried over when Ning Lexia was hurt by me. It's because she knows that if I get arrested, I will definitely be killed by you. But she is not the same. You have her, your

wife has the president, and your goddaughter is your child. Even if I get arrested, it's even if you are angry. Won't kill her."

Song Rongshi's handsome face is dark, and his eyes are staring at Ruan Yan like Hanshuang. "There is Lin Fanyue who asked you to come and lie in front of me on purpose. Is it because she wants to reconcile with me and find out this ridiculous reason? Is it that she is a fool for me."

"Hey Fanyue wants to reconcile with you? You are really whimsical."

Ruan Yan sneered, "Song Rongshi used your narrow-mindedness. Think carefully about what Lin Fanyue is like. The person is you who live together day and night and share the same bed. She has a snake-hearted, vicious woman in your heart. Is it because

she can't kill Ning Lexia with her ability to kill a fish, so she is not a ghost or a ghost?"

"That's enough, you don't lie to her anymore." Song Rongshi's hands were shaking and his eyes were surging, and his anger was eager to eat Ruan Yan. It's strong that you said you did it, but that you don't know Ning Lexia at all. It's that you have no grievances and no grudges."

"Who said that I have no hatred with her."

Ruan Yan was bitterly cold and said, "I can't wait to cut her a thousand times. It's Aunt Cen Jing. When I didn't marry into the Ning family, I had good friends with my mother. Ning Xiaoxiao had the best I ever had, but my friends were mothers and daughters. Both of them were killed by Ning Lexia because I hate her because that day, Fan Yue came over to stop me because I had killed

Ning Lexia by myself. Why did I wait until today to let that bitch get away with it."

Looking at Song Rong, she was extremely shocked. She looked deep and long. He took a breath and said, "Some of the things you don' t believe, you can find out that it' s me. The growth process and the Xiaoxiao mother and daughter have intersected. Yes, it was that morning. When does Fanyue leave, the presidential palace doesn't have enough time for her to commit crimes."

She said that when she was sure it was Song Rong, she had actually believed it seven or eight points.

But he would rather not believe it at all.

Because if there is a misunderstanding that is the truth, it makes it harder for him to accept it.

He always thought that Lin Fanyue was vicious and frantic, and he would divorce Ning Lexia after hurting Ning Lexia. He felt that he would suffer because he was Ning Lexia. So after the divorce, he quickly chose to marry Ning Lexia. It was to make up for her.

Whenever he thinks of Lin Fanyue, he will tell himself over and over again that she is not worthy of her viciousness because he was blind during that time.

It was absolutely impossible for him to tolerate such a vicious woman when he was Song Rong.

But now the people told him that Lin Fanyue had never done it.

She even prevented the murderer from killing Ning Lexia.

"In fact, Ning Lexia also knows about this."
Ruan Yan suddenly chuckled and said in a low voice, "At that time, when I threw Ning Lexia in a dirty bucket, she asked me who it was. Haha. She knew that I didn't have Lin Fanyue or Jiang Qingxin, but she was the only one who didn't expect me to be there."

"Shut up, it's forbidden to say that it's you, a vicious bitch, why you kidnapped Le Xia and why Fanyue should blame you for the crime is why you didn't stand up and say it at the time."

Song Rong was fierce and pinched Ruan Yan's neck like a lunatic.

He was completely enraged and went crazy.

It turns out that there is her because of her.

She ruined his marriage with her own hands.

Originally it was the happiness he could have. The family did not need to divorce but he could still see the children when he went home every day after get off work.

But all this is ruined.

Chapter 2212

He had to marry Ning Lexia, and had to live the repressive life now.

He didn't even want to go back to that so-called home.

And all this was brought to him by Ruan Yan.

Song Rongshi's eyes flushed with anger.

His hands furiously added gravity.

Ruan Yan's small face was immediately reddened by the pinch, and the goblet in his hand fell to the ground with a crisp sound, which alarmed nearby people.

"Ah, Song Shao killed someone."

Someone exclaimed, and the banquet was messy.

Fortunately, a nearby man came and quickly pushed the two away. Ruan Yan was holding his throat and bending over in pain. The whole person seemed to have walked on the edge of life and death, almost suffocating.

"Let go of me, I will kill her." Song Rongshi roared excitedly.

The security guard next to him looked at his hideous appearance and pressed harder, crushing him to death.

"Miss Ruan, are you okay." At the banquet, several men immediately gathered around to help Ruan Yan.

"I'm fine." Ruan Yan showed a look of panic and fear. "This Song Shao is too terrible. His

ex-wife is my friend. I met Song Shao today. I saw that he hates his ex-wife, so I just explained it for my friend. She didn't hurt Song Shao's current wife, but he didn't listen, just like crazy, trying to strangle me to death."

There is too much information in this passage.

Many of the people present knew about Song Rongshi's dispute with his ex-wife and incumbent, and they all understood a little in an instant.

This was probably because Song Shao believed that his ex-wife had hurt Xiao San, and Song Shao protected the incumbent, and didn't want to hear someone explain about his ex-wife, so he lost his temper in anger.

Hey, this Young Master Song is really protecting that Ning Lexia.

Is it necessary to love this way?

Some celebrities in shopping malls can't help but spurn.

In this circle, it is fun to play, but men who love to play know that the status of the wife in the family is absolutely unshakable. This Song Shao treats his wife as grass, no wonder the Song family does not let him be the heir of the Song family. .

Such a person is indeed unworthy.

"Ruan Yan, you really know how to act."

Song Rongshi pointed at Ruan Yan and smiled gloomily. "I will find out about this. If you did it, I won't let you go. "

After speaking, he shook off the security guard forcefully, turned around and left.

Everyone's gaze fell on Ruan Yan weirdly, and Ruan Yan smiled bitterly, "At that time, I secretly taught the shameless woman next to Song Shao for my friend, well, he knew it, now it's troublesome."

"I see."

Some bosses' wives said, "No one knows what happened between Song Shao and that Xiaosan. You did too much. Don't say you are Miss Lin's friend. Even if you are a stranger, you will be unfair."

"After all, Song Rongshi was protecting that Ning Lexia too much. I really don't know what is good about Ning Lexia. Song Rongshi is like a demon."

Chapter 2213

"Miss Ruan, don't worry, Song Rongshi has no real power right now, and the project

development in his hands is not very good. You are the first sister of Fanyu, and Fanyu is backed by Ji. Who dares to trouble you."

Ruan Yan touched his pinched neck and sneered in his heart.

When Song Rong, you should be angry. The more angry you are, the more upset and regretful you will be.

However, this is only the beginning of the game.

After leaving the party, her cell phone rang.

Ji Ziyuan called, and after the connection, there was a cold and low laughter, "Ruan Yan, are you pretty good? At the banquet, you can still make such a big noise."

" "

"Why, my mouth is dumb." Ji Ziyuan became even colder and angry without hearing any sound.

"No," Ruan Yan said with a dry and sore throat, "Song Shao pinched my throat and it was uncomfortable."

"You are so courageous, why didn't you choke you to death." Ji Ziyuan mocked his voice like sudden poison.

"I'm strangling to death, Ji Shaoke doesn't have to play." Ruan Yan said hoarsely.

"It's fine if you know, Ruan Yan, you are my fate now, so don't play tricks with me." Ji Ziyuan sneered, "Song Rongshi is a person and I know clearly, what you said can provoke him like that, I I know it all too well."

" "

"Don't talk about Song Rong, I wanted to kill you. At first, I saved you and helped you cover up. Did you run to Song Rongshi to confess? If you think about some things, you will know that I will inform you later. ."

"So Ji Shao betrayed his brother, do you want to continue to be a good person?" Ruan Yan showed sarcasm, admiring him as shameless.

"Who the hell did I betray my brother for?" Ji Ziyuan asked.

Ruan Yan was silent for a moment, and said, "Anyway, I am not, it should be for Xiao Jishao."

"Little Ji Shao?" Ji Ziyuan pondered twice, and smiled playfully, "Ruan Yan, you are really interesting."

"Am I wrong?" Ruan Yan asked back.

"You are not wrong. In this case, you should also know that you are a mission. Now Xiao Ji needs you less." Ji Ziyuan said suddenly.

Ruan Yan's eyes were disgusted, "Are you sure you want me to come over, are you afraid to meet Song Shao?"

"Dare you say, what am I afraid of?" Ji Ziyuan sneered, "Better hurry up, I am very upset now."

Ruan Yan lowered his eyes, "Okay."

It's not very far from where she lives in Ji Ziyuan.

The car passed by in only thirty minutes.

After opening the door and going in, Ji Ziyuan sat on the sofa with his long legs folded, with a notebook on his knees. The man wore a navy blue nightgown, with glasses hanging on the bridge of his nose.

Wei Wei is light red, this is extremely handsome face, and her body exudes a refined and elegant temperament.

But everyone in the entire capital knows that this gentleness is the indifference and frank affection under the face.

Of course, I have experienced that he is a woman, and I also know that his evil spirit in bed is absolutely the dominant one.

"come over."

He hooked his finger at her and put his notebook aside.

Ruan Yan walked over without expression, her wrists were held by the warm hands, the next second, she fell on his legs.

"Is he pinching?" Ji Ziyuan saw the fingerprints on her neck at a glance, and he

could see that the pinch was very deep, and his eyes narrowed.

"Yeah." Ruan Yan responded indifferently, as if pinching himself.

"I heard that you were almost choked to death at the time." Ji Ziyuan was slowly moving his fingertips around her neck, like a snake letter. That way, I haven't gotten tired of playing with you yet, you can't do anything, you know."

He said he was very gentle, indifferent and unfeeling.

Ruan Yan looked up at him and said, "He doesn't dare.

Chapter 2214

"Yes, he didn't dare." Ji Ziyuan found that he liked her so determined appearance so that

he couldn't wait to throw her on the bed immediately to conquer.

He squeezed her chin because he was about to kiss, but he suddenly stopped. "Every time I have this ice cube face, I just smile and I want to play with robots."

Ruan Yan said faintly, "I have been threatened, but I have not vomited and I am very worthy of you."

"Spit?" Ji Ziyuan smiled, but his eyes were stained with ice, "I make you so sick?"

"You know how many women you have slept with. To be honest, I am quite afraid of getting sick." Ruan Yan was not at all polite.

"Oh, you, what right to call me." Ji Ziyuan squeezed her chin slightly and said, "Haven't you been wrapped up in the past, huh? It's the first time you were pretending to be

innocent or disgusting when you were with me." ."

"Don't touch it, disgusting."

Ruan Yan and him met with a pair of cold eyes reflecting his cold and handsome face.

Looking at her, Ji Ziyuan reminded him of another woman.

so similar.

Why are the eyes so similar?

He couldn't help but feel a sense of hostility in his heart because he wanted to pull her into hell.

"Then we two are sick together."

Ji Ziyuan's sloppy voice smiled mockingly, but lowered his head, his lips pressed hard.

Ruan Yan didn't move because he let him kiss to his heart's content. He didn't refuse, nor would he cater to him.

To be honest, she finds it boring and disgusting, but Ji Ziyuan is always happy.

She followed him as if she had the dirtiest rag in the world.

When the clothes fell on the ground, Ji Ziyuan's kisses fell densely.

There was a violent knock on the door, but he ignored it.

"Ji Ziyuan is you who opened the door for me."

When Song Rong was outside, the roar sounded followed by kicking at the door.

Ruan Yan avoided his kiss and said, "You still have to solve him first."

"You still, I miss other men because it seems that I haven't worked hard enough."

Ji Ziyuan pulled her face away, the handsome facial features were dyed with lust, and the man's rolling Adam's apple exuded fatal temptation.

The next moment he picked her up and walked upstairs.

Ruan Yan gritted his teeth and scolded him, "I'm sick", but he couldn't do anything about it.

Song Rongshi downstairs knocked on the door for a long time. He almost kicked his hands and feet. When he took out his mobile phone, he said, "Ji Ziyuan, I know you are inside. If you don't open the door anymore, I can only find the unlocker." ."

"You are so daring to even pry at my house."

The door suddenly opened from the inside. Ji Ziyuan appeared lazily. The bathrobe on his body was casually tied. The dark red under his eyes had not completely faded. The black short hair was slightly messy. A familiar feminine scent came on his face.

Song Rongshi immediately smelled the fragrance on his body.

Not long ago, it was that woman who was caught by his neck and smelled it.

At that moment, Song Rongshi suddenly understood.

After I understand, my eyes are red with anger. "Ruan Yan is upstairs, right."

Ji Ziyuan leaned on the shoe cabinet and lit a cigarette. He looked casually, "What?"

"Ji Ziyuan is you fucking don't pretend to me." Song Rongshi yelled, "Ruan Yan told

me that I thought about it. All the way, when Ning Lexia was tied up in your hospital, you were the first. It' s found out that Le Xia was kidnapped by Ruan Yan, right? You lied to me by concealing the truth in order to get her to sleep."

"I have your brother but you are deceiving me for a woman."
