"However, looking at the appearance of Luo Feng and Luo Shao, it seems that he wants to stand out for that boy?"

"Ha ha, arrogant guy, I don't know what this place is. Now I'm going to suffer. I'm afraid it's too late to regret. "

"No! Han Jian is a member of the five elements team of Linglong. He is an absolute martial arts expert. If he beats that boy hard, I'm afraid it's all light. "

"Brother Jian, are you kidding! You are a member of the Linglong five elements team, a martial arts expert in the early stage of the prefecture level. How can you not be the opponent of that guy? " The second daughter didn't believe in Tao.

Han Jian paused for a moment and said in a voice: "I can't disclose Mr. Chen's identity and strength. Anyway, I'm not his opponent in front of Mr. Chen."

Han Jiandao: "I did it for your own good! Mr. Chen's status is unusual. He can't be easily provoked. "

Han Jian heard the speech and said in a serious voice: "yu'er, I'm your brother. Do you really think I won't think about you? "

"Well, I'm not angry!" Han Yu said angrily, although he didn't get angry, his expression was different. "Anyway, I was beaten and humiliated, and it's not a big deal. What can I be angry about? "

Han Jian knew that his sister was angry with him. With a sigh, his voice became soft. He said in a voice, "yu'er, are you still angry with my brother?"

Han Yu lowered his head, a sullen expression, see Han Jian come, also completely ignore.

Seeing this, Luo Shuang and Han Yu frown, reach out and shake Tan Shan for a while, and urge him to say, "Tan Shan, what do you know? Who is Chen Fei? "

Chen Fei saw Chen Ziling with his head down and his mouth pursed. He could not help frowning and worried. He looked at Chen Ziling and asked softly, "Ziling, why are you unhappy? What happened to Luo Shuang and Han Yu just now affected you? "

On the other side, at the moment, on the way back from the courtyard Party.

.....

Immediately, the three people's frightened mood, it is relaxed.

Han Yu also said: "in this way, we don't have to worry at all."

"Well, isn't that certain? No matter how powerful Chen Fei is, can he be as powerful as the hidden family? If Xing Rui gets into trouble, he will definitely suffer. " Luo Shuang said.

After such a reminder, the more Tan Shan thought about it, the more he felt real. His expression changed. "If it's true, Chen Fei will suffer."

"And, you see, over the years. The major families in the capital are constantly fighting, and many of them are destroyed, expanded and merged. However, the Xing family has always been outside these struggles and has not

participated in them at all. If there is no certain background, how can those big families leave such a piece of fat in the Xing family

Luo Shuang and Han Yu nodded and said, "it should be true. The rumors about the Xing family have existed more than ten years ago. Many heads of big families have visited the Xing family in person. "

"Is it true? Yinmen aristocratic family, that, that's really powerful! " Tan Shan was surprised.

Now, Tan Shan was surprised to hear that Xing Rui's Xing family came from the hidden family.

However, the hermit family has always kept a low profile and did not know their existence to a certain extent.

It is said that there are more powerful families than the Luo and Zhong families. That is the legendary yinmen family. Every one of them is a giant. Their strength is much stronger than that of the Luo family and the Zhong family.

According to the current situation, the Luo family and the Zhong family are first-class; next, the original Xia family and the Han family, together with their Tan family, are second-class. As for other family forces, there is a slight difference, but their strength is basically within this range, not much difference.

As a powerful person in the capital, he naturally knew the strength and branches of the major families in the capital.

"Hidden family! This -- "Tan Shan was shocked, and his face looked astonished.

It's said that Xing yinshuang is a member of the Luo family. The Xing family in the capital is just a stronghold outside the real Xing family. The real Xing family is not something we can guess. "

"How come the Xing family is so powerful?" Tan Shan was surprised.

Luo Shuang stares at her boyfriend and says: "what do you know! The Xing family in Beijing is just a cover. The real Xing family is much more powerful. Even our Luo family, in front of the real Xing family, is no match at all. "

"What identity? Xing Rui's Xing family is not very powerful! In the capital, it can only be regarded as a second rate family! " Tan Shan didn't understand.

Han Yu looked at Tan Shan and said in a voice, "don't you know the identity of Xing Rui?"

Seeing this, Tan Shan couldn't help but be stunned. He looked puzzled and asked the second daughter, "what do you mean? How -- "

..."

"Ha ha, there's a good play to see."

"Now, we don't have to worry at all. Chen Fei has to worry about how long he will be able to hop! "

"Originally, as the instructor of his Linglong five elements team, we were really scared, but unexpectedly, he offended Xing Rui. He wanted to die himself!"

"Xing Rui, Chen Fei offended Xing Rui!"

As a result, after listening, the two girls squinted and looked at each other. It seemed that they thought of something, and then a smile appeared at the corner of their mouth.

His words were meant to comfort the two girls so that they would not have to worry so much and be more relaxed.

"Xing Rui is not easy to provoke. Chen Fei is busy dealing with him, so he should have no time to take care of us." Tan Shan said.

"It is said that Xing Rui is very dissatisfied with this. Recently, he is out on a mission. When he comes back, he should go to find Chen Fei. "

Tan Shan said: "as I said just now, Chen Fei was appointed as the leader of the five elements team. Zhang Xinyu, the leader of the fire team, objected and was expelled. And that Zhang Xinyu has a good relationship with Xing Rui, the leader of Jin team, and Xing Rui is the strongest in the five elements team. He has always been the captain before, and originally arranged Xing Rui to be the chief instructor, but Chen Fei robbed him of his position. "

"What's the matter?" The second daughter asked casually.

Seeing this, Tan Shan wanted to comfort the second daughter and said in a voice, "you don't have to be too nervous. My family said that Chen Fei had a good temper and would not retaliate against us at will. Moreover, Chen Fei

himself should have something to deal with recently, so he should have no time to manage us. "At this time, the second daughter was silent for a while. She was worried and afraid. She was worried. For a moment, she didn't know what to do.

Wen Yan, Han Yu and Luo Shuang are stunned. They didn't expect that the promotion of brother Jian was entrusted to Chen Fei.

Tan Shan continued, "moreover, Zhang Xinyu, the former leader of the fire team of the five elements team, had a conflict with Chen Fei because he opposed Chen Fei's becoming an instructor, and was directly defeated and expelled by him. Now he has left the Linglong organization. Because of this, brother Han Jianjian, who is the vice captain of the fire team, was promoted to the leader of the fire team. "

"What, chief instructor of the five elements team? That, that doesn't mean it's brother Jian's immediate superior. No wonder brother Jian was so surprised.

Tan Shan then looked serious and said in a voice: "I asked my family about it. Chen Fei just went to Linglong headquarters two days ago, and was appointed as the chief instructor of the five elements team by deputy director mu of Linglong organization."

"What?" The second daughter frowned.

Tan Shan came back, took a deep breath, and then said in a voice: "that, that Chen Fei, is really powerful."

"Ah Shan, why are you stunned? Say it quickly!" Two female urges a way.

Chen Ziling shook his head and said, "No. Brother, I'm fine. "

Chen Fei looked at Chen Ziling and said in a deep voice, "Ziling, do you have something on your mind? Can you talk to me?"

"Brother, I --" Chen Ziling hesitated and looked at Chen Fei. For a moment, she didn't know how to speak.

## Chapter 1376

Chen Fei said: "recently, you seem to have changed a little. Especially for Luo Feng, before you completely to his true color, but recently frequently accept his invitation, and he is very close. But you said to me, you don't like Luofeng at all. I want to know, why? "

"I, I -" Chen Ziling hesitated and did not know how to speak.

Chen Fei rubbed Chen Ziling's head and said softly, "is there anything else to hide in front of my brother? Besides, if you say it, I can help you think about it. Maybe it can be solved faster, right? "

When introducing Chen Ziling, Luo Feng's voice was a little happy. He kept looking at his father and grandfather. He seemed to want to see their attitude towards Chen Ziling.

Then he introduced Chen Fei and Chen Ziling, "grandfather, father, second uncle. This is Mr. Chen Fei that I told you about. This is Mr. Chen's sister and my classmate, Chen Ziling. "

After several people sat down, Luo Feng immediately introduced Chen Fei and Chen Ziling, "Mr. Chen, Chen Ziling. This is my grandfather luodongfang, this is my father luobeiling, this is my second uncle Luobeihe

Behind the old man were two middle-aged men in their 40s and 50s. One looks calm in a suit, while the other looks young in luxury casual clothes.

Immediately, they saw Chen Fei carrying an old man in a blue robe and slowly came out.

Luo Feng immediately got up and went up. Chen Fei and Chen Ziling also put down their cups and stood up with a smile on their face.

A few minutes later, a servant announced, "the master is coming!"

While drinking tea, we chatted a few words.

When I came to the living room, someone had already sent me hot tea.

The Luo family is worthy of being a first-class family in the capital. Although they are rich, they are not decorated like upstarts. On the contrary, they are simple and elegant, with the flavor of ancient Chinese literati, which makes people look very comfortable.

The car stops outside the courtyard. Luo Feng greets him with a smile, and then takes Chen Fei and Chen Ziling into the courtyard of the Luo family.

As a first-class family in Beijing, the Luo family naturally lives in a huge house with an area of thousands of square meters instead of an ordinary place. The retro green brick and red tile decoration gives people a sense of simplicity and massiveness.

So, one day later, Chen Fei and Chen Ziling came to Luo's home together.

Luo Feng smell speech, immediately overjoyed, full mouth agreed to come down.

The next day, Chen Fei called Luo Feng and proposed that he wanted to visit Luo's family. At the same time, he explained that he might have something to do and need Luo's help.

"Well, I know. Thank you, brother! " Chen Ziling leaned against Chen Fei's arms, gently rubbed his head, narrowed his eyes, and showed a smile at the corner of his mouth, like a happy kitten.

Chen Fei rubbed Chen Ziling's head with a smile and said, "in the future, if anything happens, don't be stuffy in your heart. Tell me. I'll help you solve it, OK? "

"I - er - brother, I listen to you." After hesitation, Chen Ziling finally nodded and agreed.

Chen Fei said: "Ziling, don't worry. It's good to have a try. Even if we don't succeed, we won't lose much! "

"But, but --" Chen Ziling hesitated.

"Ah - so!" Chen feidun for a while, and then said, "I have a good relationship with Luo Feng. How about this? I'll take you directly to Luo's house and make clear our requirements. See if the Luo family can reveal some relevant clues. "

Chen Ziling shook his head and said, "I've inquired about it, but Luofeng doesn't seem to know it very well. Moreover, it involves the secrets of the Luo family. They don't seem to want to mention it."

Chen Fei said: "then why don't you talk to Luo Feng directly? Go to Luo's house and ask him."

Chen Ziling shook his head and said, "I, I don't know. Originally, I wanted to make a slow investigation by contacting Luofeng. But now, when I get in touch with him, it seems that there will be misunderstanding and trouble. So, I, I can't help it. "

After a moment of silence, Chen Fei said, "now, what are you going to do?"

Hearing this, Chen Fei understood why Ziling suddenly changed during this period of time.

"It's just that the investigation can't go on. I broke the clue, so I wanted to open a breakthrough from Luofeng and find out about my mother. " Chen Ziling said.

Chen Ziling nodded and said, "yes, it has something to do with Luo Feng. Or to be exact, there should be a relationship between my mother and the Luo family. "

Chen Fei listened to Chen Ziling's words, and then said: "the information you have investigated has something to do with Luo Feng?"

"And this time, I ran away from home and came down from tianwu mountain. It's because I found some information about my parents that I want to investigate in Beijing. "

Chen Ziling shook his head and said in a voice: "three years ago, master, he drove that man away. I knew he didn't want me to know this. So, I kept it from him to investigate my parents. I don't want to make him angry or sad. ""Well, old man, does he know?" Chen Fei asked.

Originally, Chen Fei thought it was just an episode. Unexpectedly, Chen Ziling kept this thing in mind, and secretly investigated his parents' affairs.

But three years ago, it seems that someone found Chen Ziling and revealed something about her parents. However, at that time, he was stopped by the old man, and things didn't go on.

Chen Fei did not want to find his parents. He also thinks that Chen Ziling, like himself, doesn't care about his parents.

He and Chen Ziling are both orphans adopted by the old man. They have lived with the old man since childhood and don't know about their parents.

"What Hearing this, Chen Fei couldn't help but be surprised.

"Er --" Chen Ziling was silent for a while, then nodded as if he had made up his mind, looked at Chen Fei and said in a voice, "brother, you're right. I shouldn't have kept it from you. I'll tell you about it. "

After the introduction, Chen Fei took the initiative to say hello: "boy Chen Fei, I've met Mr. Luo Lao, Mr. luobeiling and Mr. Luobeihe. Thank you for letting us come here! "

Chen Ziling also followed to greet immediately.

Luo Dongfang nodded and said with a smile, "you're welcome, Mr. Chen. Mr. Chen is young, promising and powerful. He is a man of the moment in the capital. It's our luck to come to our Luo family. "

## Chapter 1377

Luobeiling immediately said with a smile: "my family feng'er has told me a lot about Mr. Chen. I admire all those big things."

But Luobei River, looked at Chen Fei, snorted, turned his head, did not speak.

Chen Fei didn't care. After all, Luobei river is luoshuang's father. He had a conflict with luoshuang at the siheyuan party. It's normal for him not to like himself.

Even Luobei River frowned and looked surprised at the moment.

"Autumn health wine is the product of Xiaochen company. This -- "the old man was surprised.

Luo Feng continued: "autumn group is not well-known, but I say one thing, grandfather, you must know. Mr. Chen made the autumn wine himself

"Autumn group - this, seems to have no impression?" Luo Lao frowned.

Luo Feng is full of self-confidence, and says in a voice: "grandfather, Mr. Chen is not only a doctor of medicine. He also opened a company in Beijing, autumn group. "

At the moment, even Luo Dongfang can't help looking at Luo Feng.

"Xiaofeng, I know you want to help your friend. But that's too much of a boast! " Luobei river.

Luo Feng continued: "second uncle, to some extent, Mr. Chen's health pills are not much different from the elixir."

"A pharmacy can only prove that he is a doctor. But this health preserving pill is too effective! It's just like the elixir in mythology. " Luobei river is still in doubt.

Luo Feng nodded and said, "it's the chengyaoguan."

"Chengyao hall, defeated the Chengyao Hall of jiangjiajiang hall?" Lao Luo has heard of this name, and he can't help but be surprised.

Luo Feng said: "uncle, you don't know something. Besides being a teacher in our school, Mr. Chen is also a doctor. In recent months, Mr. Chen's pharmacy is the one that has been popular in the capital

"Is it true that he took it out? Why? " Luobei river.

Without waiting for Chen Fei to explain, Luo Feng anxiously began to explain to Chen Fei, "grandfather, maybe it sounds a little untrue, but if it's the medicine Mr. Chen took out, it must be true!"

Luo Dongfang is also one Leng at the moment, looking at Chen Fei's eyes with a little doubt.

"Besides, extending life by a year or two. I'm afraid that even those national medical masters who treat the noble people in the red wall can't guarantee it. I don't know how Mr. Chen Fei can be more powerful than those national medical masters? " Luobei river looks at Chen Fei with a tone of doubt.

But at this time, Luobei River sneered, stopped in front of Chen Fei, with a bad smile on his face, and said: "strengthen the body, prolong life, cure all diseases. Why do I sound like a Street swindler? "

Luo laowen, with a smile on his face, was ready to take the bottle.

Luo Feng nodded his head and said, "this health preserving pill is elaborately refined by using special formula and collecting 77 49 kinds of valuable Chinese medicines."

Hearing this, the old man couldn't help looking at it. His expression was a little excited. "So magical?"

Chen Fei explained with a smile: "Lao Luo, this is a health pill that I made myself. It has the effect of strengthening body and prolonging life. Some of the body's small problems, dizziness, insomnia and other problems, as long as you take one, can be solved. If you take it for a long time, it should not be a problem to prolong your life by one or two years. "

"This is --" Luo Lao looked at the jade bottle, with the color of inquiry.

Seeing this, Chen Fei knew that it was not so easy. Fortunately, he had expected this kind of situation for a long time. At this time, he didn't panic.

He took out a jade bottle and said to Lao Luo, "Lao Luo, we are very grateful that the Luo family can let us be guests. For this reason, I specially prepared a small gift, and asked Luo Lao not to dislike it. "

The old man frowned and did not speak, as if hesitating.

"Luo Feng, you are still young. There are some things that are not so easy to distinguish." Luobei river is still aimed at Chen Fei and Chen Ziling.

"Second uncle, you are serious. I know Mr. Chen and Miss Chen, they can't be bad people. " Luo Fengdao.

"I'm really just looking up the information! But if there are other purposes, it's hard to say. After all, although our Luo family is friendly with people, they are not without enemies. " The Luobei River makes a sound.

At this time, luobeiling said: "Dad, it's not bad to go into the ancestral hall. Besides, when Xiao Chen goes in, he just looks at some information. Let Xiaofeng accompany you. It should be OK. "

Old Luo frowned slightly, as if hesitating.

Luobei river said: "the ancestral hall of the Luo family is the place where our ancestors are worshipped. Dad, it doesn't seem good to let outsiders in at will! "

Hearing this, Luo Dongfang's expression was slightly surprised, "are you going to my Luo ancestral hall?"

The ancestral hall of the Luo family is not only the ancestral hall dedicated to ancestors, but also the library of the Luo family, which contains some old materials of the Luo family.

Chen Fei didn't speak. Luo Feng said at the moment: "grandfather, the person Ziling is looking for has some privacy. So, they can find it by themselves. We just need to open our ancestral hall of the Luo family and let them look through the information. ""It's not a big deal to find someone! Why don't I send someone to help us find out? " Head to the East.

"Thank you, Mr. Luo!" Chen Fei bowed his hand to thank him, then said in a voice, "Lao Luo, this is what happened. Shemei has been looking for a person. Now she has some clues on hand and leads her to Luo's house. So she wants to ask Luo to help and find out according to the clues. "

Luo's family obviously knows what to ask for help. There is no accident. Luo's old man said with a smile: "Xiao Chen, you are Luo Feng's friend. If you have anything, just ask. As long as my family can do it, we will help. "

So, after a few polite words, Chen Fei didn't hesitate. He called his name directly and said, "Lao Luo, I'm here with my sister. There's something I want to ask Lao Luo to help me."

Now, just deal with the old man Luo Dongfang. As for the attitude of Luobei River, it doesn't matter much.

Chen Fei also said: "Luolao, autumn health wine is really my product. And this health pill is the variety of health preserving wine in the autumn, or the essence version of health preserving wine, which is more than 10 times better than the ordinary autumn health wine.

Hearing this, Luo Lao was really excited. You know, autumn health wine is popular in Beijing, he has tasted it naturally, and he has really felt the effect of autumn health wine.

The effect of this health preserving pill is more than ten times that of health preserving wine. It may be true that it can prolong one or two years of life.

## Chapter 1378

Luo Lao came down from his seat at the moment and was about to pick up the health pills.

Seeing this, Luobei river could not help frowning, and said in a voice: "what he said now is only one side of his words. It's better to be cautious about drugs and things like that. "

Luo Feng took a look at his second uncle. His voice cooled down and said: "second uncle, in terms of safety, I don't think I need to worry about it."

In the small room, Luo Lao looks at Luo Shuang and says in a deep voice: "Shuang Er, tell me, what's the matter?"

Obviously, Luo Lao also regards Luo Shuang's words as a little girl's playfulness, and doesn't care much.

Hearing the old appearance, Luo Yan nodded. Immediately patted Luo Frost's hand, said: "frost son, grandfather now has business to do, your business, wait to talk about."

At this time, Luo Feng immediately made a sound and explained to Lao Luo, "grandfather, when we went out to a party a few days ago. Luoshuang and Mr. Chen have some small friction. Luoshuang has some misunderstanding and dissatisfaction with Mr. Chen. So, what's going on now -- "

luobeiling frowned and said, " luoshuang, Mr. Chen is a distinguished guest of the Luo family. Don't be petty and fool around here. "

"Trouble?" This time, Luo Lao can't help but frown and show his puzzled color.

But Luo Shuang's face was firm. She grabbed Luo's sleeve and said, "grandfather, don't let that Chen Fei go to my ancestral hall! That will bring a lot of trouble to our Luo family. "

After all, health pills are very attractive to the old man, so the old man didn't take Luo Shuang's words to heart. He was ready to talk about the end of Chen Fei's affair with his granddaughter.

"It's ephedra. I know it's a life-saving drug."

"Special contribution award, that's a very rare award!"

"Mr. Chen won the" special contribution award "because he developed Mahuang oral liquid and authorized the formulation of the oral liquid to the health department for free, saving hundreds of thousands or even millions of lives in China."

Luo Feng said: "Mr. Chen is not an ordinary businessman. He is also the winner of our Huaxia" special contribution award ", which was personally signed and issued by director Qi of the food and drug administration."

Old Luo frowned and said nothing, and his expression sank down.

## Chapter 1379

Luo Feng was a little worried and explained to Chen Fei, "grandfather, don't tell me whether it's true or not. Even if it's true, Mr. Chen Fei's strength is definitely not inferior to that of Xing Rui. Even Mr. Chen's strength is more powerful than that of Xing Rui! "

After all, Luo Feng has seen Chen Fei show his strength. Moreover, when he destroyed the Xia family, Chen Fei was accompanied by Situ Kong, who was in the middle stage of the prefecture level, and Bai Zhao, who was in the later stage of the prefecture level. Later, he accepted the Black God, who was in the middle stage of the prefecture level.

Luo frost also a pair of schadenfreude appearance, "you continue to blow it, wait for Xing Rui back, you are finished."

Luobei River smell speech, immediately sneer a, voice way: "arrogant ignorant guy. Offend Xing Rui, still say nothing? Do you know how strong the Xing family is? "

Listening to luobeiling's sincere words, Chen Fei couldn't help feeling a little strange and said: "I'm just an instructor. I don't offend Xing Rui. Besides, even if I offend him, I still don't have to be afraid of him with my strength. Mr. Luo, you may be worried too much. "

"Mr. Chen, you'd better go to Xing's home to apologize and admit your mistake now. Maybe you can recover some before things get worse."

Chen Feigang wanted to say something. At this time, luobeiling said to Chen Fei in a deep voice: "Mr. Chen, this is not a matter of remuneration. It's that you have offended Xing Rui and the Xing family. It's a little troublesome. "

Lao Luo shook his head and said, "it's not a matter of skill. We, the Luo family, can't agree to this. "

"This -" Chen Fei was surprised and asked, "Lao Luo, why? If the Luo family thinks my sincerity is not enough, I can add another bottle of health pills. Or any other medicine, or even martial arts, as long as you speak! "

Luo Lao said in a voice: "Mr. Chen, I'm really sorry. Our Luo family can't agree to your premise. So, take back this health preserving pill. "

Chen Fei saw the jade vase and said, "Lao Luo, what does that mean?"

Old Luo sighed and then waved. Suddenly, someone under his command sent Chen Fei a jade bottle containing health pills.

Chen Fei's words seem not to like, but in Luolao, they sound like thunder, which makes their faces more and more ugly.

Hearing this, Chen Fei felt a little strange and said with a smile, "Xing Rui was not among the Linglong at that time. I didn't discuss with him. Besides, my instructor is appointed by deputy director Mu himself. There is no need to discuss with Xing Rui as a team leader! "

"This --" hearing this, Luo Lao's face became more and more heavy. He took a deep breath and continued to ask, "Mr. Chen, have you discussed with Xing Rui, the leader of the five elements team and the gold team, about your being elected as an instructor?"

"It's true!" Chen Fei nodded again.

Smell speech, Luo old nod, and two sons looked at each other, continue to ask, "in the process of elected instructor, Mr. Chen and fire team of Zhang Xinyu had a conflict, also expelled him from Linglong."

"Er --" Chen Fei was stunned, a little surprised, and then nodded, "it's true. I've just been an instructor for a few days."

"Well!" Luo nodded, then looked at Chen Fei and said, "did Mr. Chen become the instructor of Linglong five elements team a few days ago?"

Luo Lao's strange tone and gloomy cheek made Chen Fei frown gently. But still immediately bow hand way: "Luo old please, I certainly know everything."

Luo nodded gently, then said: "Chen Fei, I have some questions, I want to verify with you, I hope you can tell the truth."

Chen Fei and Chen Ziling immediately get up, see Luo old several people's face some strange, immediately in the heart clapping for a while, feel some not good. However, Chen Fei still bowed his hand to Lao Luo and said, "Lao Luo!"

Then, a few people out of the small room, back to the living room.

Luo Lao Wen Yan, the facial expression slightly improved some, pause for a while, nod a way: "talk with small Chen again!"

Luobeiling also said in a voice: "Dad, Xiaofeng is right. First of all, let's not scare ourselves. Let's have a good talk with Xiao Chen and see what he says!"

Seeing this, Luo Feng said anxiously, "grandfather, things are not as bad as we think. We'd better calm down and have a long-term plan."

Luo old listen to these words, the expression on the face is more and more gloomy, originally hold in the hands of health pills, now also put on the side of the wooden table.

Luobei River also immediately made a sound to help his daughter: "yes, this kind of thing, you can't take chances. After all, if Chen Fei is really allowed to enter the secret place like our Luo ancestral hall, in the eyes of outsiders, our relationship must be extraordinary. The Xing family is blaming it. We can't explain it at all! "

"Besides, even if you are right. But how can we take risks in this kind of thing. Even if it's only one in ten thousand, we can't take chances. " Luo Shuang said.

"This -" Luo Feng had nothing to say.

Luo Shuang said in a voice: "cousin, you are deceiving yourself. Xing Rui is competitive. Who in our circle doesn't know. Do you think he will not be angry when he learns that his position as an instructor has been robbed and his good friend has been expelled by Chen Fei? ""This -" Luo Feng was speechless for a moment, because he also knew that the hidden family was too terrible, and his Luo family was no match. Therefore, he could only explain, "Chen Fei and Xing Rui have met each other. Just because of an instructor, it's far fetched to say that he has offended Xing Rui and the Xing family! Maybe Xing Rui doesn't care about this kind of thing at all. "

"Besides, even if his martial arts strength is better than that of Xing Rui, it's useless. Behind Xing Rui is the hidden family, which is a huge thing, but our Luo family can't match. How can Chen Fei fight against the Xing family? " Asked ZhiBei Luohe.

However, without waiting for Luofeng to say what he thought, Luobei River hums coldly and retorts: "Luofeng, you are talking nonsense! Can Chen Fei compare with Xing Rui? Don't be kidding

Old Luo sighed, then shook his head, with an appearance of not wanting to speak much.

Chen Fei is puzzled. At this time, Luo Feng comes to him and quickly explains the background of Xing Rui and the Xing family.

After hearing this, Chen Fei frowned slightly, then looked at Lao Luo and said in a voice, "Lao Luo, if you are worried about the Revenge of the hidden family, you don't have to. I'm not afraid of this hermit family. Even if they do, I have the strength to repel them. "

## Chapter 1380

Hearing this, Luo shook his head and ignored Chen Fei. He waved his hand and said, "Mr. Chen, please go back!"

Luobeiling also said in a voice: "Xiaofeng, send Mr. Chen to them."

"Old Luo, I --" Chen Fei also wanted to explain, but the other party was not interested in listening to his own words, so he turned directly.

"Yes, Mr. Chen!" The other party answered and hung up.

"What Chen Fei's face sank and his eyes became cold. After a moment's silence, Chen Fei calmed himself down and said, "you should continue to contact Secretary Meng. As soon as you have any news, please inform me immediately, and call the police for the time being. I'll arrange for someone. "

"The place originally agreed to negotiate was the five-star hotel not far from the company. But we called to ask. The hotel said that Secretary Meng left before noon, and she left with a young man. We can't find out exactly where we went. "

Hearing this, Chen Fei was also a little anxious, and even said: "where is the negotiation place? Give me their information about who they are. "

"Secretary Meng went to talk business early this morning. But she hasn't come back until evening. What's more, when we called her, it turned off. We are a little worried, so - "

" a few days ago, the company received a large order from a new customer, saying that it would order one million health wine. What's more, the other Party pointed out that he wanted Secretary Meng to negotiate this matter. "

Chen Fei a listen, immediately frowned, "Meng rain can't contact?"? What's going on? "

On the other end of the phone, there was a worried voice, "Mr. Chen, Secretary Meng has been out to talk business for more than half a day, and we can't get in touch with her by phone. The manager asked, "do you want to call the police?"

That day, Chen Fei, who was preparing for class, received a call from the branch of autumn group, "Hello, this is Chen Fei. What can I do for you?"

In the next few days, Chen Fei wanted to ask Luo Feng about the situation, but Luo Feng couldn't get through the phone, and he didn't come to school, so Chen Fei had to put things on hold.

.....

"Well!" Chen Ziling smiles and nods to Chen Fei.

Seeing this, Chen Fei comforted: "Ziling, it's OK. We can always find clues when we think about other ways later. It's no big deal. It's definitely effective to move the old man's name out at that time. "

Back at Jingcheng University, Chen Ziling bowed her head and said nothing, with a dull expression.

Immediately, Chen Fei and Chen Ziling leave Luo's house by car. Chen Fei laughed and said, "it's OK. You're not to blame for this. Looking back, let's think about it ourselves. "

At the moment, outside Luo's courtyard, Luo Feng sends Chen Fei and Chen Ziling into the car, apologizing, "Mr. Chen, Ziling, I'm really sorry. I didn't expect things to be like this? I will try my best to persuade my grandfather to agree. "

Seeing this, Luobei River quickly comforted him: "Dad, it's no pity. When I get back, I'll go to the imperial hospital and ask them to help you prepare a health pill. "

Instead, Luo Lao sighed and looked like a pity, "it's a pity that the health pill has been taken."

Luo Shuang also sneered: "see how long he can be arrogant, Xing Rui will be back soon."

In the house, the Luo family looks at Chen Fei's back as he leaves. Luobei River sneers and sighs, saying: "the ignorant and arrogant guy has offended the hermit family, and he's not afraid of talking. It's ridiculous."

In desperation, Chen Fei and Chen Ziling had to leave.
