## Chapter 4279

Hearing this, Charlie said in a cold voice: “I told you that this matter was premeditated,”

“It was simply someone deliberately trying to hide the fact that Miss Gu had arrived here from everyone else!”

“Moreover, even if those few ninjas could mix in,”

“It is impossible to get the surveillance video a few days ago,”

“Much less hack into the surveillance system, it is clear that there is a mole!”

Adam was astonished and asked, “Duncan, what does this mean? Do you suspect the Fei family’s people?”

Duncan has always been dissatisfied with Adam.

On the one hand, he really does not see Adam as the right person,

On the other hand, because he has long heard that Adam’s father Dawson Fei seized the opportunity to seize power,

Because he has much admiration for Douglas Fei senior, so in his heart, for Dawson and Adam it is all dislike.

The reason why Adam took Duncan like nobody, mainly because Duncan’s fame is really big,

Even in the White House, he has a very high political status.

Duncan in the United States, known as the light of the Chinese,

And even for solving a serial murder case that lasted ten years, and received the current president's award.

Moreover, his mass base in the United States is very solid,

Especially in the Chinese diaspora, he is as important as a totem,

If he has a problem, I am afraid that the Chinese in the United States will set up a big march to seek justice for him.

Therefore, in the face of Duncan, Adam simply can not afford to provoke him,

If he dares to do anything to him, the Fei family will definitely suffer heavy losses.

At this time, Duncan looked at Adam and said in a cold tone,

“Adam, although your son is missing now, but in my opinion, in today's events, your son may not be innocent!”

Saying that looked around for a while and coldly said:

“You are smart, think about it, a charity dinner originally can simply be straightforward,”

“But your son had to go to such great lengths to make such a set, can he still have any good intentions?”

Adam was speechless.

Although he was uncaring, he was also a wise man,

And he also felt that his son's act was a bit perverse.

Moreover, the most perverse thing is not what Duncan said, but the nature of this matter is very perverse,

He knows that Randal has always been uncomfortable with charity,

The family usually organized some charity activities, pulling him to show his face he is not interested,

This time he would take out tens of millions of dollars in donations,

Take the initiative to engage in charity dinner and work, this itself is very strange.

In addition to those other strange, contrary to common sense details,

He also vaguely felt that there is a deliberate taste everywhere as if his son really has other plans.

However, Adam could not admit this, so he said to Duncan in a strong tone:

“Li, you should not forget that the victim of this matter is my son!”

“Now he is the one who is kidnapped!”

“The immediate priority for the NYPD is to find my son and bring him back safely!”

Duncan smiled and spoke, “We police have our procedures when handling cases,”

“We don’t need or allow other people to tell us what to do.”

After saying that, he immediately turned around and asked his men around him, “Have the staff been gathered?”

One of them nodded and said, “They have been arranged to take statements in different rooms,”

“And they will all be gathered in the conference room immediately after the statements are taken,”

“And then they will be allowed to cross-identify one by one.”

“Good!” Duncan opened his mouth and said, “Take me to the conference room!”

After saying that, he looked at Charlie and spoke,

“You can leave a contact for my assistant to go back to the hotel first,”

“And I will have someone contact you if we need you to cooperate.”

“Okay.” Charlie nodded and said to Tasha, “Tasha, leave a contact for the officer.”

Tasha hurriedly took out a business card and handed it to the police officer beside Duncan.

At this time, Duncan looked at Adam again and said coldly:

“Adam, you can also go, if there is any news, I will have someone notify you.”

Adam was angry enough and said offhandedly,

“This is our Fei family’s hotel, you want me to leave? Where am I going?”
